

UT Southwestern Medical Center

U.S. News & World Report Best Children's Hospitals rankings (2023-2024)

June 21, 2023

To the UT Southwestern Community:

Please join us in congratulating our colleagues in the UT Southwestern Pediatric Group for once again earning national distinction from *U.S. News & World Report* for the care they provide at Children's Medical Center Dallas, named the top pediatric hospital in North Texas and number 16 in the nation.

For the sixth consecutive year, *U.S. News* ranked all 10 specialties among the best in the United States. They include:

- #4 Orthopedics (a joint program with Scottish Rite for Children)
- #14 Diabetes & Endocrinology
- #15 Cancer
- #15 Gastroenterology & GI Surgery
- #15 Neurology & Neurosurgery
- #15 Urology
- #16 Nephrology
- #22 Pulmonology & Lung Surgery
- #35 Cardiology & Heart Surgery
- #36 Neonatology

The *U.S. News & World Report* rankings reflect our shared commitment with Children's Health to ensure every child and family who seeks our expertise has the best outcome and experience possible. Our longstanding partnership has enabled us to care for even more pediatric patients, and we look forward to continuing to enhance our impact together in the decades to come.

Congratulations again to our pediatric faculty, advanced practice providers, staff, and trainees at UT Southwestern, Children's Health, and Scottish Rite for Children, for achieving this honor in recognition of the outstanding care they deliver every day.

Daniel K. Podolsky, M.D.
President
UT Southwestern Medical Center

W. P. Andrew Lee, M.D.
Executive Vice President for Academic Affairs and Provost
Dean, UT Southwestern Medical School
