

Post-Doctoral Fellowship in Neuroimaging (MRI)

A postdoctoral position is available in the laboratory of [Jeff Waugh](#), MD, PhD, in the Department of Pediatrics at UT Southwestern Medical Center to study the neuroanatomy of striatal disorders. [Our laboratory](#) has several exciting projects related to the structural underpinnings of movement and mood disorders.

Candidates must hold a Ph.D. and/or M.D. degree. Experience in functional MRI and network analyses leading to publication in peer-reviewed journals is required.

Information on our postdoctoral training program, benefits, and a virtual tour can be found at <http://www.utsouthwestern.edu/postdocs>.

Interested individuals should send a CV, statement of interests, a list of three references, and an example of their prior scientific writing to:
