The John R. Lynn, M.D. Lectureship in Ophthalmology was established in 2001 to honor his love of imparting knowledge to others. The lectureship is endowed through The John R. Lynn, M.D. Lectureship Fund at the Southwestern Medical Foundation. We gratefully acknowledge the financial support from: UT Southwestern Medical Center, Dallas, TX.

The course is designed for practicing and academic ophthalmologists, residents and fellows in training, and other health care providers interested in a comprehensive update on the advances in medical and surgical treatment of glaucoma.

### Purpose and Content

Describe current treatment strategies for glaucoma with an emphasis upon comprehensive evaluation and medical treatment as well as minimally invasive surgical techniques.

### Educational Objectives

Upon completion of the course, participants should be able to link the educational objectives to Core Competencies (Medical Knowledge and Patient Care) and to be able to:

- Assess advantages and disadvantages of making treatment decisions based on OCT changes alone.
- Discuss strategies for retinal ganglion cell rescue in glaucoma.
- Assess and utilize in vivo detection of retinal reactive oxygen species as a new potential diagnostic tool for glaucoma.
- Evaluate and employ new glaucoma treatment options.
- Utilize knowledge of challenging cases in glaucoma as a tool for glaucoma treatment.

### Accreditation

The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### Credit Designation

The University of Texas Southwestern Medical Center designates this live activity for a maximum of 3.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

### Conflict of Interest

All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity.

### Discussion of Off-Label Use

This course is meant to educate physicians with what is currently in use and used on patients. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity.

### Registration

The registration fees below entitles participants admission to the conference, all course materials, continental breakfasts and refreshment breaks.

**Registration Fees**

- **$75**  UT Southwestern Alumni
- **$85**  Physicians

Purpose and Content
Describe current treatment strategies for glaucoma with an emphasis upon comprehensive evaluation and medical treatment as well as mercury invasive surgical techniques.

Educational Objectives
Upon completion of the course, participants should be able to link the education objectives to Core Competencies (Medical Knowledge and Patient Care) and to be able to:
- Assess advantages and disadvantages of making treatment decisions based on OCT changes alone.
- Discuss strategies for retinal ganglion cell rescue in glaucoma.
- Assess and utilize in vivo detection of retinal reactive oxygen species as a new potential diagnostic tool for glaucoma.
- Evaluate and employ new glaucoma treatment options.
- Utilize knowledge of challenging cases in glaucoma as a tool for glaucoma treatment.

Refund Policy
A $25 handling fee will be deducted from cancellation refunds. Refund requests must be received by mail or fax prior to March 31, 2017. No refunds will be made thereafter.

Cancellation Policy
The Department of Ophthalmology and/or The Office of Continuing Medical Education reserves the right to limit registration and cancel courses, no less than one week prior to the course, should circumstances deem this necessary.

Accreditation
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation
The University of Texas Southwestern Medical Center designates this live activity for a maximum of 3.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Conflict of Interest
All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity.

Discussion of Off-Label Use
This course is meant to educate physicians with what is currently in use and off-label use is discussed.

Accommodations
The following nearby hotels are suggested. Please ask for the UT Southwestern rate when making reservations:
- Hilton Anatole Hotel
- Crowne Plaza Hotel
- Hampton Inn & Suites Dallas
- Holiday Inn
- Hyatt Regency Dallas
- Omni Dallas Hotel
- Renaissance Dallas
- Renaissance Park Central Dallas
- Sheraton Dallas Hotel
- The Westin Galleria Dallas

Parking
Packing is available in the visitor garage located adjacent to the T. Boone Pickens Biomedical Building. It is entered from 601 Forest Park Road. The garage elevators will take you to the third floor (street level). Follow the directional signs to the conference room.

Accessibility
We accommodate people with disabilities. Please call 214-648-3848 for more information, or mark the space indicated on the registration form. To ensure accommodation, please register as soon as possible.

ADA Statement
