Wednesday, September 30, 2015, 6:00-7:30 am
Orthopaedic Surgery: Chief’s Post-Operative Conference with M&M – Dr. Adam Starr, Chairman

Course Director: Kevin Gill, MD

Purpose and Content: The purpose of this program is to provide a forum to review and discuss the clinical management of patients and to evaluate issues confronted by today’s physicians in both public and private clinical practice and medical research. The course material will be presented primarily through case studies, question and answer sessions, and video presentations.

Target Audience: Faculty, fellows, residents, community physicians, and physician researchers interested in orthopaedic review and discussion of relevant clinical cases and issues.

Educational Objectives: At the conclusion of this activity, participants should be able to:
• Understand new medical treatment modalities for orthopaedics.
• Discuss results of recent clinical studies relative to various orthopaedic procedures and treatment modalities.
• Identify current orthopaedic literature.

Educational Method: Case presentations and discussion

Accreditation: The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation: The University of Texas Southwestern Medical Center designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Texas Southwestern Medical Center designates this activity for .5 hour(s) in medical ethics and/or professional responsibility.

Conflict of Interest: All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity.

Off-Label Uses: Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be “off-label” use discussed in the presentation. Speakers have been requested to inform the audience when off-label use is discussed.
