After attending new hire orientation, read this guide and watch our video to help you decide what benefit programs are fit for you and your family in 2017.

Other Benefit Programs

In addition to the benefits described in this brochure, Parkland offers a number of other special incentive benefits and career advancement opportunities including:

- Educational opportunities such as tuition reimbursement, and Leadership and Organizational Department training.
- On-site credit union where you can access a broad range of financial services such as savings/checking accounts, direct deposits, payroll deductions, ATM cards, audio banking, online banking and bill payment, low-interest loans and more. As a Parkland employee, you may join this state-chartered credit union and take advantage of these services.
- Career advancement opportunities.
- Competitive pay and the opportunity to work in a high performing hospital with access to competitive benefits.

This brochure provides a very general explanation of the provisions of the benefit programs for Parkland Health & Hospital System as of Jan. 1, 2017. Complete details of the plans are in the official plan documents. In the event of a discrepancy between information in this brochure and the official plan documents, the official plan documents will govern.
YOUR ELIGIBLE DEPENDENTS
The Benefits-At-A-Glance chart on page 1 of this brochure describes who may participate and how to enroll in your benefits. For most plans, if you enroll, you may cover yourself and eligible family members, as described in the Summary Plan Descriptions (posted on the Parkland Intranet) or plan documents.
You may choose to cover your eligible family members under the medical, dental, vision and AD&D plans that you choose for yourself. Eligible family members may also receive benefits for supplemental life insurance. Eligible family members are automatically covered under the EAP.

PAYING FOR COVERAGE
Parkland provides the full cost for the EAP, the core disability plan and basic life insurance, if you are eligible. Additionally, Parkland helps you save for retirement, and pays a large portion of the cost of your medical and pharmacy benefit programs.
Rates for optional benefits such as medical, dental, vision, and life and AD&D insurance are in this brochure and online at MyParkland, which is the employee self-service section of our PeopleSoft system. When paying on a before-tax basis, you save money as you pay for the benefit before federal income and Medicare taxes are deducted from your paycheck. Benefit coverages and deductions will begin based upon the effective date of your coverage in the plans.

ENROLLING FOR COVERAGE
As A New Hire. If you are eligible, you are automatically enrolled in the Retirement Income Plan, part-time mandatory contributions, EAP, core disability and basic life insurance. The optional benefits you choose when you enroll are in effect for the rest of the calendar year.
Pages 5 and 6 of this brochure describe how to enroll for optional benefits and how to designate your beneficiary for the Retirement Income Plan, basic life insurance, supplemental life insurance and AD&D insurance through MyParkland. If you do not complete your online benefits enrollment by the deadline as a new hire, you may not enroll for benefits until the next annual enrollment unless you have a qualified change in status. Additionally, you will not be enrolled for coverage under any optional plan.

As a new hire, you must enroll in all benefits (other than the Supplemental Retirement Plan) within 31 days of your hire date for coverage to begin when you become eligible.

• To enroll for pet insurance, log on to the company’s website.
• To enroll for all other optional benefits except for the Supplemental Retirement Plan, log on to MyParkland.
• To enroll in the Supplemental Retirement Plan, log on to the plan’s website or call the toll-free telephone hotline. You may update your enrollment in the Supplemental Retirement Plan at any time.

Contact information for your benefits is included on the Benefit Resources list in the welcome brochure provided during new hire orientation and on the Parkland Intranet. You must enroll in all benefits (other than the Supplemental Retirement Plan) within 31 days of your hire date.

During Annual Enrollment. You must enroll on MyParkland by the due date specified by the Benefits department. If making elections during annual enrollment, your benefit choices become effective on January 1 of the next calendar year.
Depending on the nature of your status change, you are allowed to add or drop a dependent, or elect to waive coverage through MyParkland. Any changes in coverage must be consistent with your change in life or employment status. Changes will be effective on the date of the status change, as long as you notify the Benefits department within 30 days of the event.

CHANGING YOUR COVERAGE

In accordance with federal law, you may change your benefit elections during the year only if you have a change in life or employment status. Please review your enrollment carefully to be sure that your choices will fit your situation throughout the year.

This chart provides an overview of life and employment status changes and how you may change your benefits for your dependents. For changes such as birth, marriage, domestic partnership or adoption, you will go to MyParkland to make the change, and to the Benefits department to provide the required documentation described on page 3.

</table>

* Qualifications for same gender domestic partner benefits may be found in the Affidavit of Domestic Partnership.
** You will also attend an orientation session on or near the date when your employment status changes.

ENROLLING NEWBORNS AND OTHER CHILDREN
(Through adoption placement, adoption or guardianship)

You have up to 30 days after the birth, placement for adoption, adoption of your child(ren) or appointment as legal guardian to add the child(ren) to your medical plan, even if you already have dependent coverage. If you do not enroll your newly acquired child(ren) within this time period, you will not have the opportunity to enroll them for coverage until the next annual enrollment.

IF YOU LEAVE PARKLAND

If your employment with Parkland ends, you will receive a letter as soon as administratively possible explaining how your benefits can continue in accordance with COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985). If you are a new hire, letters explaining your rights and those of your dependents to continue group health coverage will be mailed to your home. Additionally, read the notices on pages 31-34 related to free or low-cost health coverage for you and your children and to the Health Insurance Marketplace.
A Guide To Online Benefits Enrollment

Enrolling for benefits is quick and easy with Parkland’s online enrollment system. From home and most work computers, you can enroll using the web-based MyParkland on our PeopleSoft Self-Service System. The enrollment system gives you a one-stop shop for enrolling, finding benefit summaries and forms, and linking to vendor websites.

3 EASY STEPS TO ENROLL ONLINE

1. Access the PeopleSoft site from the Intranet or visit PeopleSoft from your home computer at [https://hr.pmh.org/psp/pshr/?cmd=login](https://hr.pmh.org/psp/pshr/?cmd=login).

2. Enter your:
   - User ID, which is your Parkland employee ID number, and
   - Default Password, which is phhs plus the last four digits of your Social Security number.

3. After clicking Sign In, click on My Parkland/Benefits/Benefits Enrollment. Then, follow the prompts to enroll. After you make your elections, click Submit. You will be directed to the Authorization Page. From this page, you will be asked to click Submit again to finalize your benefit choices.

LOG ON TO PEOPLESOFT

Enter your User ID, which is your Parkland employee ID number, and Default Password, which is phhs plus the last four digits of your Social Security number.

NAVIGATE TO MYPARKLAND

MyParkland provides employees with self-service access to enroll in benefits, view current benefit elections and review or modify your personal information, such as home address.

To Enroll:
- Select the Benefits link.
- Select Benefits Enrollment to open your New Hire Enrollment record.

ABOUT ACCESS TO MYPARKLAND

From home and most work computers, you can enroll using the web-based MyParkland on our PeopleSoft Self-Service System.

[https://hr.pmh.org/psp/pshr/?cmd=login](https://hr.pmh.org/psp/pshr/?cmd=login)

User ID: Parkland Employee ID Number

Default Password: phhs plus the last four digits of your Social Security number

CLICK SUBMIT TWICE

Don’t forget! Click Submit twice in order for the system to accept your new elections.
PEOPLESOFT BENEFITS ENROLLMENT
Your Name will display here.
Click the Select button to begin your enrollment.

PEOPLESOFT BENEFITS ENROLLMENT (New Hire)
Your Name will display here.
Click the EDIT button beside each Benefit Plan to enroll for coverage.

DEPENDENT/BENEFICIARY SOCIAL SECURITY NUMBERS AND PERSONAL INFORMATION
To name your beneficiary for basic life, supplemental life, AD&D insurance and the Retirement Income Plan:
- Enter personal information (including Social Security number) about your dependent/beneficiary. You must enter information in the required fields (see asterisks on the screen).
- Click Save after entering.
- Return to the appropriate benefit plan to enter the percentage each beneficiary will receive.
You will name your beneficiary for the Supplemental Retirement Plan at MillimanBenefits.com.

ABOUT MYPARKLAND
You enroll for benefits through MyParkland, which provides employee self-service. From MyParkland, you can:
- Review or modify your personal information.
- View your Paid Time Off (PTO).
- View your paycheck.
From the Benefits section, you can:
- Review your current benefits.
- Change your beneficiary/dependent information.
- Access benefit company information.
- Submit a life event change.
- Enroll for benefits.

SPECIAL NOTE ABOUT NAMING YOUR BENEFICIARY
On PeopleSoft, you must go into each plan listed to the right to designate your beneficiary, even if you are naming the same beneficiary for all plans.
You and your eligible dependents may participate in the Parkland Employee Health Plan (PEHP) immediately upon hire. The Parkland Employee Health Plan includes three tiers of coverage. You may go to a doctor in any of these tiers.

**Tier 1**
To receive the highest level of benefits and pay the lowest copay, use Tier 1 providers, including Parkland doctors or UT Southwestern physicians with Parkland privileges. Tier 1 facilities include Parkland Memorial Hospital, the Employee Physician Office (EPO), Community Oriented Primary Care (COPC) centers and Children’s Medical Center.

**Tier 2**
Go to a Tier 2 provider/facility in the UnitedHealthcare Choice Plus Network through UMR to receive a Tier 2 benefit. If you go to a UTSW/Aston facility, you will be using a Tier 2 facility.

**Tier 3**
Use any provider/facility outside of the Tier 1 or Tier 2 networks, and receive the out-of-network Tier 3 benefit.

You may go to Parkland providers for some services, UMR providers for other services, and out of network for providers who are not in Tier 1 or 2.

**For care using a Tier 1 provider, you pay:**
- A $0 copay for routine annual physicals (including annual lab and annual X-ray services).
- No deductible/coinsurance for routine radiology services at Parkland, Children’s Medical Center or William P. Clements Jr. University Hospital if your provider has Parkland privileges. Invasive/contrast and diagnostic services will be subject to your deductible and coinsurance.
- A $20 copay for office visits to a primary care physician (PCP).
- A $50 copay for specialist care office visits.
- A $35 copay for urgent care.
- A $250 copay for a visit to the hospital emergency room.
- $500 per person and $1,500 per family deductible with 10% coinsurance for inpatient and outpatient hospital services.

**For care using a Tier 2 provider, you pay:**
- A $0 copay for routine annual physicals (including annual lab and annual X-ray services).
- A $30 copay for office visits to a PCP.
- A $50 copay for specialist care office visits.
- A $35 copay for urgent care.
- A $250 copay for a visit to the hospital emergency room.
- $1,000 per person and $3,000 per family deductible with 30% coinsurance for inpatient and outpatient hospital services.

**For care in Tier 3:**
- After you have met a $3,000 deductible ($18,000 per family), the plan pays 50% of reasonable and customary (R&C) charges. You pay 50% of the remaining R&C charges plus any charges above the R&C amount.
- The plan pays 100% of covered expenses after you reach the plan’s maximum out-of-pocket expense ($12,000 per person or $30,000 per family).
- In most cases, you must file claims to receive benefits. Call the medical vendor on the Benefit Resources list in the new hire welcome brochure and on the Parkland Intranet to obtain information on filing claims.

**What’s Your PCP’s Tier?**
You are not required to choose a PCP and do not need a referral to see a specialist. However, a PCP gives you and your dependents a valuable resource and a personal health advocate. The amount you will pay for covered services will be based on the tier classification of your doctor — including PCPs or specialists. A Tier 1 provider directory can be found on the HR section of the Parkland Intranet site at [http://intranet.pmh.org](http://intranet.pmh.org).
You can locate Tier 2 providers at [www.umr.com](http://www.umr.com).

**Health Insurance Marketplace Coverage**
In the back of this brochure, you will find the Health Insurance Marketplace Coverage notice that informs you of the creation of health insurance exchanges required by the Affordable Care Act (ACA). The notice describes the services provided by the exchanges.

Refer to the charts on pages 8 and 9 to see how the PEHP pays benefits on covered services.
**COVERED SERVICES**

The charts on pages 8 and 9 show what you pay when you receive Tier 1, Tier 2 and Tier 3 covered services through the Parkland Employee Health Plan. Once you reach the calendar year out-of-pocket maximum for Tiers 1, 2 and 3, the plan pays 100% of eligible charges for the remainder of the plan year.

Please Note: The PEHP offers comprehensive coverage. However, some services such as cosmetic surgery, dental care, exams for contact lenses and glasses, and health club memberships are not covered. For a list of covered services, please refer to the PEHP Plan Document posted in the Benefits section on the Parkland Intranet site at http://intranet.pmh.org.
UMR TOOLS TO KEEP YOU INFORMED

Through UMR, Parkland Employee Health Plan members have access to many convenient tools. At www.umr.com, you will find online information about PEHP/UMR benefits for you and your dependents. You can learn about:

- **Disease Management Program**, which helps you manage symptoms related to asthma, diabetes, heart disease, lower back pain and chronic obstructive pulmonary disease (COPD). This program provides support for chronic conditions through information and one-on-one counseling with the disease management nurse.

- **UMR On-Site Disease Management Nurse.** UMR’s on-site disease management nurse is available by phone or appointment in the Parkland Employee Physician Office to help you manage your health. The on-site nurse can answer questions about chronic diseases. Additionally, the nurse can direct you to disease management programs and resources, including wellness coaching, pharmacy, behavioral health and the Employee Assistance Program. In addition to helping the patient, the nurse can meet with you and your family to assist with disease education and coordinate medical care related to caregiver support, potential equipment needs, review and management of medication as well as physician follow-up.

- **Your Personal Benefits Information.** Your UMR Member Information Center is available 24 hours a day, 7 days a week at www.umr.com, where you can:
  - Find claim status and details, including deductibles and coinsurance,
  - Find costs of tests and medical visits,
  - Search for a doctor based on your individual plan, and
  - Do much more ... and it’s all secure!

For details on these tools, log on to www.umr.com or contact them at the number shown on the Benefit Resources list in the new hire welcome brochure and on the Parkland Intranet.

24-hour Nurseline gives you 24-hour access to a registered nurse. You may also listen to audio tapes on a variety of health topics.

- **Health Risk Assessment.** Taking a Clinical Health Risk Assessment (CHRA) lets you learn more about your personal health strengths and weaknesses. You can learn how to lower your risks to avoid future health issues. Once you take a CHRA, you will receive a personalized report to share with your physician. It’s a unique opportunity to gain insight on your own health. You will need your waist and hip measurements when you go to www.umr.com to complete your CHRA.

UTILIZATION REVIEW

To help you determine if the services you receive are a covered benefit, UMR performs utilization review and provides pre-authorization on certain services, including:

- **Predetermination of Benefits.** Your physician may request a predetermination of benefits prior to delivery of services to confirm whether a procedure or treatment is covered. This process should be requested from UMR prior to receiving any service that you think might not be covered to determine eligibility, covered services, benefits and any limits. For more information, your physician should call 1.877.370.0320.

- **Hospital Pre-Admission Certification.** Requests for non-emergency hospital stays other than a maternity stay must be approved in advance. Precertification is not required for a maternity stay of 48 hours for vaginal deliveries or 96 hours for cesarean sections.

  - **Continued Stay Review.** In order to stay in the hospital beyond the number of days approved during the precertification process, your hospital stay will be subject to a continued stay review by the medical plan administrator.

- **Case Management.** This service is designed to help guide your care if your medical condition puts you at risk for medical complications, or if you need rehabilitation or additional health care support. The program strives to balance quality and cost-effective care while maximizing your quality of life.

  **Please Note:** Your doctor will coordinate precertification if you are seeing a Tier 1 or Tier 2 provider. You are responsible for obtaining approval for a hospital admission if you see a Tier 3 provider. If you do not use the precertification or continued stay review programs when you are hospitalized, you may pay a penalty or have a reduction in benefits.
If you enroll in the PEHP, the type of provider that writes your prescription will determine where you can fill your prescription.

### YOU MAY FILL YOUR PRESCRIPTIONS AT

<table>
<thead>
<tr>
<th>Tier of Provider Writing Prescription</th>
<th>Parkland Central Pharmacy, COPC Pharmacy or Parkland Mail Order</th>
<th>Retail Pharmacies In MedImpact Broad Network or MedImpact Direct Mail-Order Service</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tier 1 Provider at a Parkland Facility</td>

<td>No</td>
<td>Yes</td>
</tr>
<tr>
<td>Tier 3 Out-Of-Network Provider</td>
<td>No</td>
<td>Yes</td>
</tr>
</tbody>
</table>

You have the convenience of going to the Parkland Central Pharmacy, a COPC pharmacy or a retail pharmacy in the MedImpact network. To fill 90-day supply prescriptions for medications taken on an ongoing basis, you may use the Parkland mail-order service for prescriptions written by a Tier 1 provider at a Parkland facility. For prescriptions written by a Tier 1 provider not at a Parkland facility or a Tier 2 provider, you may use the MedImpact Direct mail-order service. You must obtain all specialty medications through Parkland's pharmacies or the MedImpact ChoiceSpecialty Network. Specialty drugs are generally injectable, infused, oral or inhaled drugs that require close supervision and monitoring. See the chart at the top of page 12 for more information.

### AMOUNT PEHP MEMBERS PAY FOR PRESCRIPTION DRUGS

<table>
<thead>

<td>$190 copay</td>
</tr>
</tbody>
</table>

* Requires a prescription written by a Parkland provider at a Parkland facility. The Parkland mail-order service is intended for 90-day supply prescriptions only. To obtain a 30-day supply of medication, you will need to go to a Parkland or retail pharmacy. For 90-day supply prescriptions written by other providers, use Med Direct Mail Order service.

### YOUR MAIL-ORDER SERVICE

With mail order, you can receive up to a 90-day supply of your medicine. The first time you fill a prescription through the mail-order service, it’s a good idea to ask your provider for two prescriptions — one that you can fill immediately and one that you can fill through the mail-order service.

For prescriptions written by a Parkland provider at a Parkland facility, use the Parkland mail-order service to fill prescriptions that you are taking on an ongoing basis. You may submit your prescriptions and refill requests through the online refill page on the Parkland Intranet under Pharmacy Employee Online Refills or by fax at 214.590.2879.

For more information about the Parkland mail-order service (for prescriptions written by Tier 1 providers at Parkland facilities), call 214.590.1400.
WHAT IS A PREFERRED DRUG LIST?

A preferred drug list, also called a formulary, is a list of medications designated for coverage (both from a therapeutic and an economic standpoint) through your PEHP benefits. The list includes medications proven to be safe, effective and affordable for certain diseases and conditions.

MEDICARE AND PRESCRIPTION DRUG COVERAGE

If you or your dependents have Medicare or will become eligible for Medicare in the next 12 months, a federal law provides prescription drug coverage through Medicare Part D. For details, please see the Creditable Coverage Notice on page 35 of this brochure.

MEDICAL/PHARMACY ID CARD – ALL IN ONE!

If you enroll in the PEHP, you will receive one ID card that gives you medical and pharmacy contact information all in one place.

SPECIALTY DRUG BENEFIT

</tbody>
</table>

* Each specialty drug tier reflects a specialty drug type. These tiers are different from the tiers in the PEHP that describe where you receive medical services.

GENERIC VS. BRAND-NAME DRUGS

The pharmacy program divides medications into three categories:

Generic – These drugs contain the same active ingredients and are subject to the same standards as brand-name drugs with respect to quality, strength and purity. Using a generic drug offers the lowest cost option, regardless of where you fill your prescription. To save money, ask your doctor to prescribe a generic, when it is available. Generics can cost 25% to 75% less than brand-name drugs yet are equally as effective.

Preferred Brand-Name – This category includes brand-name drugs with no generic equivalent that are included on the preferred drug list, which is a formulary.

Non-Preferred Brand-Name – This category includes brand-name drugs that have generic equivalents, or another brand-name option on the preferred drug list. You will pay more money to fill a prescription from this list. You and your doctor may decide that a medication in this category is best for you.

</tr>
</tbody>
</table>

Both plans cover preventive, basic, major and orthodontia (limited to dependent children under age 26 for the PPO).

**Dental Health Maintenance Organization (DHMO)** provides services only through the DHMO network of dentists. For visits to your general or specialty dentist in the DHMO network, you pay a copay from the benefits schedule. The plan covers one cleaning every 6 months at no cost. You may receive an extra cleaning during each 6-month period for the following copays:

- For adults, pay $45.
- For children, pay $35.

There are no deductibles, no waiting period, no plan maximums and no claims to file. If you require dental services not provided by your DHMO network general dentist, you will be referred to a DHMO network specialty dentist.

**Preferred Provider Organization (PPO)** gives you the freedom to see any dentist but receive a greater benefit if you use a PPO network provider. With this plan, you pay a $50 deductible per person (maximum $150 per family) before the plan begins covering basic and major services. The plan pays a percentage of reasonable and customary charges, depending on the type of service you receive. You can receive up to $2,000 in benefits per participant each calendar year. Preventive services (including routine X-rays and cleanings every 6 months) are covered at 100%. The cost of preventive services does not count toward the annual maximum amount that the plan will cover. This chart provides an overview of how the PPO pays benefits.

**HOW THE PPO PAYS BENEFITS**

<tr>
<td>Claims and payment procedures</td>
<td>For DHMO providers &lt;ul&gt;&lt;li&gt;You file no claims&lt;/li&gt;&lt;li&gt;You pay a copay from the benefits schedule when services are performed. The schedule is on the Parkland Intranet.&lt;/li&gt;&lt;/ul&gt;</td>
<td>For PPO network providers &lt;ul&gt;&lt;li&gt;Your dentist files claims&lt;/li&gt;&lt;li&gt;You pay discounted rates&lt;/li&gt;&lt;/ul&gt; For non-network providers &lt;ul&gt;&lt;li&gt;You are responsible for filing claims&lt;/li&gt;&lt;li&gt;You pay full amount of services when performed and receive reimbursement from plan&lt;/li&gt;&lt;/ul&gt;</td>
</tr>
</tbody>
</table>
For vision benefits, you can start participating on the first of the month after your date of hire (or on the first if your date of hire is the first). The vision plan provides benefits for routine eye care, including comprehensive eye exams, frames and lenses, and contact lenses. When you want vision care, you may choose to see a:

**Network provider.** This provider will contact the network on your behalf for authorization of benefits. There are no claims to file. You pay the copay or allowance for the exam and materials. The plan pays the balance for covered benefits.

**Non-network provider.** Before receiving services, you must obtain an authorization number from the vision care provider. After receiving services, you pay all charges at the time of your appointment. Then, submit your original itemized receipt along with your authorization number to the vision care provider for reimbursement as shown in the chart.

**VISION BENEFITS PAID BASED ON PROVIDER**

<table>
<thead>
<tr>

Life Insurance

Parkland offers two types of life insurance coverage — Basic and Supplemental.

**BASIC LIFE INSURANCE**

After 6 months of service, Parkland pays the full cost to provide you with Basic Life Insurance. Minimum benefit is $20,000; maximum benefit is $1 million.

**Full-Time Employees** – Benefit is equal to 1½ times annual salary.

**Part-Time-with-Benefits Employees** – Benefit is equal to ½ times your annual salary.

**SUPPLEMENTAL LIFE INSURANCE**

If you want additional life insurance, Parkland offers Supplemental Life Insurance after 30 days of service. You pay the full cost on an after-tax basis. You may choose the following coverage amounts for yourself and eligible dependents:

**For You**
- Up to 5½ times annual salary (up to a combined maximum of $2 million for Basic and Supplemental).

**For Your Spouse/Domestic Partner**
- Up to the lesser of $100,000 or 100% of your coverage.

**For Your Dependent Children**
- $5,000, $10,000, $15,000 or $20,000 per child.

As a new hire, evidence of insurability is required on coverage amounts over three times salary for you and more than $50,000 for your spouse/domestic partner. Unless otherwise announced during open enrollment, you will need to provide evidence of insurability in order to increase your coverage after your initial enrollment. If needed, an evidence of insurability form will be mailed to your home.

A copy of the certificate of coverage is posted on the Parkland Intranet at http://intranet.pmh.org under Employee Communications/Benefits/Summary Plan Descriptions/Life Insurance. Print a copy of this certificate and keep it with your important family records.

Eligibility guidelines and coverage provisions for Supplemental Life Insurance are outlined in the Summary Plan Description. Rate information and a Summary Plan Description are available online at MyParkland.

* Note: your coverage amount reduces to 65% at age 65 and to 50% at age 70.

### 2017 SUPPLEMENTAL LIFE INSURANCE RATES

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

**IF YOU LEAVE PARKLAND**

If you leave Parkland, you may continue your coverage under an individual policy with the same benefits and provisions as under your group policy. Payment of premiums will change from payroll deduction to having your premiums billed directly to you.
If you want additional protection above and beyond the life insurance coverage, you can buy accidental death & dismemberment (AD&D) insurance. You pay the full cost of this benefit with after-tax payroll deductions. Available to full-time and part-time-with-benefits employees after 30 days of service, this coverage pays a benefit if you die or are injured in an accident. You can buy two levels of coverage:

- Employee only
- Employee plus family coverage

Either plan will cover you from $10,000 to $500,000 (in $10,000 increments). If you choose to cover your family, the amount of coverage on your spouse/domestic partner or children will be a percentage of your coverage as shown in the chart below:

<table>
<thead>
<tr>

**Please Note:** The amount of the benefit depends upon the extent of your injury. If you die in an accident, the full coverage amount is payable. The chart above shows what the plan pays for various injuries. For more details on this benefit, go to the Parkland Intranet (http://intranet.pmh.org).

* You may buy voluntary AD&D coverage from $10,000 to $500,000 (in $10,000 increments). Your coverage amount cannot be larger than 10 times your base pay. Starting with $100,000 of coverage, the above chart provides a sampling of rates for various amounts. Rates for every coverage amount are available on the Parkland Intranet and MyParkland.

** Employee and Family rates apply to employee, spouse/same gender domestic partner and children (up to age 25).
Disability Benefits

The Parkland disability plans offer income protection and security for you and your family if an extended illness or injury keeps you from working. Parkland provides the Core Disability Plan that will pay 50% of your biweekly earnings after you are unable to work for 42 consecutive days due to a covered illness or injury. You may:

**Increase your disability benefit to 60% of pay by electing the Buy-Up Plan.**

**Decrease your waiting period to 14 days by electing the Buy-Down Plan.**

With these upgrades, you pay the difference in cost between the Core Plan benefit and waiting period, and the additional benefit amount and shorter waiting period. Earnings for purposes of the disability plans are your base rate of pay, excluding overtime, bonuses or other compensation.

The plan document for the Parkland disability plans lists applicable exclusions to the plans. To ensure eligibility for benefits under these plans, please review the Parkland disability plan document located on the Parkland Benefits intranet site.

HOW TO ENROLL

Log on to MyParkland to determine your cost for the additional 10% benefit in the Buy-Up Plan or the shorter waiting period in the Buy-Down Plan. You may enroll online at MyParkland in one or both of the upgrade plans.
The Paid Time Off (PTO) program provides eligible employees with paid time off that can be used for vacations, holidays, illnesses (both their own and their families) and other personal business.

You receive PTO according to the hours you work each biweekly pay period as time is earned. You start earning PTO hours on your first day of employment. Accrued PTO will not be available until the beginning of the first full pay period after you complete 90 days of continuous employment.

You earn PTO for every hour you work using an hourly accrual rate based on your years of seniority and employment status. For every hour you work up to a maximum of 80 hours per pay period, you accrue PTO as shown in the charts below. The charts show the maximum number of hours you may earn for each biweekly pay period and annually.

You may earn up to 1½ times your annual maximum accrual of PTO. Once you earn the maximum accrual, you will not earn more PTO until you use some of your accrued time. Accrued PTO is paid out at termination only.

### SELLING PAID TIME OFF

You are eligible to sell up to 40 hours of PTO during annual open enrollment. Parkland will pay 100% of your hourly base pay rate for each hour that you sell. In accordance with federal law, you will sell PTO in the year prior to its accrual.

### VOLUNTARY PAID TIME OFF DONATION PROGRAM

Parkland allows you to donate eligible Paid Time Off (PTO) hours to a PTO donation bank for fellow Parkland employees who are in need of additional PTO time due to an extended absence related to a serious medical condition. The donation program is available if the employee or a family member is suffering from an extended and continuing illness and, as a result, misses work. Employees can avoid the hardship of lost income by using leave hours donated by others.

**To donate time,** go to [PTO Donation](#) in [MyParkland](#) on the [PeopleSoft](#) system. You may donate time if you have at least 120 PTO hours remaining after your donation. Your donated time will be deposited into a central PTO bank.

**To request to receive donated time,** submit a [Request for Donated PTO form](#) to the HR Data Management department. The form is located on the Parkland Intranet under [Human Resources/HR Data Management/Request for Donated PTO](#).

For more information, review the Human Resource Procedure Manual 2000-700.

### PARKLAND HOLIDAYS

Parkland observes the following holidays:

- New Year’s Day
- Martin Luther King Day
- Memorial Day
- July 4th
- Labor Day
- Thanksgiving
- The day after Thanksgiving
- Christmas Day

### TO REQUEST TIME OFF

You must request scheduled time off (vacation, personal time, jury duty, compensatory, bereavement and military) through PeopleSoft (MyParkland), available at any time from any computer. The PeopleSoft system will notify your leader that a request has been submitted. Your manager will then review the request online and approve or deny your request. At all times, you and your manager may review the status of your request by logging on to MyParkland.
Flexible Spending Accounts

With flexible spending accounts (FSAs), you can set aside before-tax dollars through payroll deductions to cover certain types of health care and dependent care expenses. There are two types of flexible spending accounts:

Health Care Spending Account. Reimburses you for eligible medical, dental, vision and hearing expenses not paid by another health care plan. To request reimbursement of an eligible health care expense, you will use the plan’s FSA debit card at the time of purchase, or submit your receipt and claim form to the FSA administrator. See page 23 for details.

Dependent Care Spending Account. Reimburses you for eligible dependent care expenses (such as child or adult day care) incurred while you and your spouse work. Your eligible expenses must be for dependents who:

• Are under age 13, or of any age if he or she is physically or mentally incapable of self-care,
• Can be claimed on your federal income tax return and
• Reside in your home for at least eight hours a day.

To request reimbursement of an eligible dependent care expense, you will submit your receipt and claim form to the vendor. See page 23 for details.

GENERAL INFORMATION ABOUT BOTH ACCOUNTS

Federal income tax rules and plan provisions govern how the flexible spending accounts work. Here are some things to remember.

• Your annual elections will cover the time period from January 1 through March 15 of the following year as shown in the chart below.

<table>
<thead>
<tr>
<th>FLEXIBLE SPENDING ACCOUNT</th>
<th>INCUR EXPENSE BY</th>
<th>REQUEST REIMBURSEMENT BY</th>
</tr>
</thead>
<tbody>

</tr>
<tr>
<td>2017 Dependent Care Spending Account</td>
<td>March 15, 2018</td>
<td>March 31, 2018</td>
</tr>
</tbody>
</table>

• Once you elect to participate, you may not change your election or stop participation during the time period unless you have a change in status as defined by the plan. You must enroll online through MyParkland within 30 days of the event. A list of life status changes is shown on page 4 of this brochure.

TAX DEDUCTIONS VS. THE ACCOUNTS

It’s up to you to determine whether taking tax deductions on your federal income tax return is more beneficial than using the flexible spending accounts. Some points to consider:

Only health care expenses that exceed 7.5% of your adjusted gross income can be deducted from your income taxes, according to the IRS.

For work-related dependent care expenses, take a look at the tax credit vs. the spending account. The tax credit amount is determined by applying a percentage to your total dependent care expenses. Based on current tax structure, generally the tax credit is more beneficial than a dependent care spending account if your family income is under $24,000.
### OVERVIEW OF HOW THE FLEXIBLE SPENDING ACCOUNTS WORK

<table>
<thead>
<tr>

</tr>
</tbody>
</table>
| Examples of expenses that can be reimbursed* | • Copays, deductibles and coinsurance for medical, dental, pharmacy and vision plans  
• Over-the-counter medications (with a prescription) used to treat an illness or injury such as aspirins, antacids, allergy and sinus medicines, pain relievers and cold medicines  
• Weight loss programs prescribed by your doctor to treat a specific medical condition  
• Stop smoking programs prescribed by your doctor to improve your health  
• While you and your spouse are working:  
  • Nursery school, day care centers, day camp and baby-sitting  
  • Before-school or after-school care for children under age 13  
  • Back-up care for children under age 13  
  • Nurse or caregiver for an elderly relative who qualifies as a dependent |
| Example of expenses that cannot be reimbursed* | • Health insurance premiums paid with before-tax dollars  
• Cosmetic surgery and procedures, unless there is a related disease or injury  
• Over-the-counter medications without a prescription or those that benefit your health but do not actually treat an illness or injury such as vitamins, other nutritional aids or drugs to help you stop smoking  
• Weight loss program or health club dues to maintain your general health  
• Baby-sitting (if you or your spouse are not working)  
• Overnight camp, unless day care fees are broken out from camp fees |
| Maximum reimbursement               | Up to the full amount of your annual contribution, less any amounts previously paid | Up to the amount of money available in your account at the time that you request reimbursement |

* A list of eligible and ineligible expenses is posted on the FSA administrator’s website. You may also refer to IRS Publication 502, Medical and Dental Expenses, or IRS Publication 503, Child and Dependent Care Expenses, for additional information. These publications are available at www.irs.gov.

### THE TAX-FREE ADVANTAGE OF FLEXIBLE SPENDING ACCOUNTS

Looking for savings? Consider participating in a flexible spending account. You never pay taxes on the money contributed to these accounts. You set aside this money before taxes are deducted to pay for eligible health care or dependent care expenses that you would otherwise pay on an after-tax basis. In order to take advantage of these tax savings, you must follow IRS rules and regulations.

### THE DEPENDENT CARE SUBSIDY: HOW IT WORKS

Parkland offers a special incentive to encourage you to contribute to the dependent care FSA.

The total maximum contribution that can be made on your behalf each year is $5,000 per household. Of this total maximum contribution:

- The maximum you can contribute is $4,000.
- The maximum Parkland can contribute is $1,000.

Parkland’s contribution is equal to 25% of the amount that you contribute. The chart on the next page gives examples of how the incentive works with different contribution amounts from Parkland and you.
THE DEPENDENT CARE SUBSIDY BY THE NUMBERS

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

* The total maximum contribution per year is $5,000 ($4,000 from you and $1,000 from Parkland).

EXAMPLE: HOW A HEALTH CARE SPENDING ACCOUNT SAVES MONEY

John and Julie both earn $40,000 a year. Let’s assume that they both pay 15% in federal income taxes and are single with no dependents. Each pays $2,000 a year out-of-pocket for medical expenses.
- Julie decides to pay these expenses from her Health Care Spending Account.
- John decides not to participate in the account and will pay medical expenses with after-tax dollars.

Take a look at their spendable income after paying these expenses.

<table>
<thead>
<tr>
<th></th>
<th>JULIE (with account)</th>

<td>-2,000</td>
</tr>
<tr>
<td>REMAINING ANNUAL SPENDING INCOME</td>
<td>$31,749</td>
<td>$31,420</td>
</tr>
</tbody>
</table>

Tax Savings: Julie has $329 more than John in spendable income at the end of the year after paying her medical expenses through reimbursements from her Health Care Spending Account.

HOW MUCH SHOULD I CONTRIBUTE TO THE HEALTH CARE SPENDING ACCOUNT?

1. Medical deductibles and copays
2. Medical coinsurance
3. Prescription drug copays
4. Over-the-counter medications used to treat an illness or injury
5. Dental deductibles
6. Dental coinsurance
7. Vision care (including eye exams, glasses and contact lenses not paid by any vision or medical plan)
8. Hearing exams and aids
9. Other health care expenses

ANNUAL TOTAL $
REIMBURSEMENT OF OVER-THE-COUNTER DRUGS FROM A HEALTH CARE SPENDING ACCOUNT

Due to federal health care reform, some over-the-counter (OTC) medications do not qualify for reimbursement from your Health Care Spending Account unless you have a prescription.

**Prescription Required:** You cannot use your health care debit card for these purchases. Here are some examples of over-the-counter drugs and medicines that will require a prescription:

- Acne medicine, allergy medicine, cough/cold/flu medicines, eye drops, indigestion medicine, laxatives, nasal sprays/drops, ointment for cuts, burns and rashes, and pain relievers.

If you do not have a prescription for an over-the-counter drug requiring a prescription, this purchase will be considered ineligible and will not be reimbursed. If you use a health care debit card to pay for these items, the transaction will be denied at the point-of-sale. You will need to submit a claim along with supporting receipt and prescription to PayFlex to be reimbursed for these expenses.

**No prescription required:** You can purchase over-the-counter items not requiring a prescription with your health care debit card. Here are some examples of over-the-counter items that will not require a prescription.

- Band aids, birth control, braces and supports, contact lens solution and supplies, elastic bandages and wraps, first aid supplies and reading glasses.

For a complete list of items that are eligible for reimbursement or accepted by the FSA debit card, please contact the FSA administrator.

HOW TO GET REIMBURSED FROM A FLEXIBLE SPENDING ACCOUNT (FSA)

For eligible dependent care expenses, you submit your receipts and/or claim form with the dependent care provider’s certification to the FSA administrator to obtain reimbursement. For eligible health care expenses, you have two ways to request reimbursement based on where you make your purchase – through the plan’s FSA debit card and an FSA reimbursement form.

1. **Use the plan’s FSA debit card** to pay for qualified health care expenses only from places like your doctors’ offices, dental offices, hospitals, health care clinics and pharmacies (like Walgreens, CVS or the Parkland pharmacies). You will not have to substantiate your purchases at many stores (such as Walmart, Target, CVS, etc.) and may not have to supply receipts. However, it’s a good idea to save your receipts just in case! You will have the option of ordering a card from the FSA administrator for your spouse or dependent child online or on the phone.

   **Note:** You may not use your health care debit card to buy over-the-counter drugs and medicines that require a prescription for reimbursement.

2. **Incur and pay the eligible expense; file an FSA reimbursement form.** For the Health Care Spending Account, you must file a claim with any other existing health plan coverage before you submit a reimbursement claim. Then, complete the FSA reimbursement form, available on Parkland’s Intranet (http://intranet.pmh.org) and the FSA administrator’s website, and attach any required documentation. You may choose to be reimbursed by check or direct deposit. To receive your reimbursement faster through direct deposit, log on to the FSA administrator’s website and submit your banking information.

   - **For the Dependent Care Spending Account,** you must include the provider’s Social Security number or tax identification number so that the reimbursed amount can be reported to the IRS.
   - **For the Health Care Spending Account,** attach copies of itemized bills or an Explanation of Benefits (EOB). For over-the-counter (OTC) medications used to treat an illness or injury, you must submit a prescription from a licensed physician and a receipt showing what medication you purchased, the date of purchase and the amount paid.

You can save yourself a stamp and reduce handling costs by faxing your claim form (for reimbursement) or substantiation form (to document a purchase) to the number shown on the form. Reimbursement checks are prepared daily.

QUESTIONS?

For more information, you can contact the FSA administrator at the toll-free number or website shown on the Benefit Resources list in the new hire welcome brochure and on the Parkland Intranet.

Through the website, you can view your account balances, upload claim forms and other documents such as receipts, and manage your FSA debit card.
Retirement Benefits
As an employee of Parkland, you may plan and save for the future through different retirement benefit plans based upon your employment classification.

<table>
<thead>
<tr>
<th>RETIREMENT BENEFITS PLAN</th>

<tr>
<td>Supplemental Retirement Plan</td>
<td>Yes</td>
<td>Yes</td>
</tr>
</tbody>
</table>

Retirement Income Plan (For Full-Time Employees)
This Pension Plan, which is intended as a replacement for Social Security, offers a monthly vested benefit at retirement. You are automatically enrolled on your hire date. You and Parkland share in the cost. Instead of paying into Social Security, you contribute 5.5% of regular pay to the plan. Parkland contributes the additional amounts required to provide your vested benefit. The benefit formula is typically based on your years of service and average monthly earnings during the highest five out of the last 10 calendar years you work at Parkland as a full-time employee.

AN EXAMPLE: 40-YEAR-OLD EMPLOYEE WHO WORKS 25 YEARS AT PARKLAND
To see how the Parkland Retirement Income Plan compares to Social Security, we estimated monthly benefits for a full-time employee who begins a career with Parkland at age 40 in the year 2015 and works full-time for 25 years at Parkland, retiring at age 65. The chart shows the value of benefits in today’s dollars.

Part-Time Mandatory Contributions (For Part-Time Employees)
On the first day of employment, part-time employees automatically start contributing 7.5% of total pay on a before-tax basis as part-time mandatory contributions. You make these mandatory contributions instead of contributing to Social Security. This amount is automatically contributed to your part-time mandatory contributions account within the Supplemental Retirement Plan (explained on page 25).

Parkland does not match your part-time mandatory contributions. For part-time-with-benefits employees, Parkland will match up to 6% of contributions to the Supplemental Retirement Plan saved above the mandatory 7.5% contribution (based on 40 hours a pay period).

For mandatory contributions and other contributions to the Supplemental Retirement Plan, pay is based on 40 hours a pay period and includes your before-tax contributions to the Supplemental Retirement Plan. You may choose to contribute additional amounts to the Supplemental Retirement Plan, subject to IRS limits described in the next section.
Supplemental Retirement Plan
(For Full-Time and Part-Time Employees)

By participating in the Supplemental Retirement Plan, you can:

• Save on a before-tax basis and lower your current taxable income. Pay no taxes on this money or the earnings until you withdraw your account.
• Contribute on a Roth after-tax or after-tax basis for additional retirement savings.
• Receive Parkland matching contributions after one year of service (not available to part-time employees without benefits).
• Take advantage of a variety of investment choices.

YOUR BEFORE-TAX, ROTH AFTER-TAX AND AFTER-TAX CONTRIBUTIONS

Save from 1% to 75% of your pay on a combined before-tax, Roth after-tax or after-tax basis through payroll deductions. Before-tax and Roth after-tax contributions are subject to applicable IRS limits. These limits are double those in most traditional savings plans because the Supplemental Retirement Plan includes before-tax 403(b) and 457 contributions, which are available only to governmental entities. Pay does not include bonuses, overtime pay, severance pay and differential.

• Before-Tax Contributions are deducted from your paycheck before federal income taxes are withheld. The 403(b) and 457 contributions make up your before-tax contributions to the Supplemental Retirement Plan. These accounts are tracked separately because there are some differences between them.
• Roth After-Tax Contributions are deducted from your pay after federal income taxes are withheld. Investment earnings on the Roth after-tax contributions are never taxed, not even upon distribution, as long as you withdraw this money as a qualified distribution after:
  • You reach age 59½ and
  • Your first Roth after-tax contribution has been in the plan for at least five years.
• After-Tax contributions are deducted from your paycheck after taxes are withheld.
• Catch-Up Contributions are additional before-tax and Roth after-tax savings opportunities if you are age 50 or older by the end of a calendar year.

The chart below shows the maximum amount you can save on a before-tax and Roth after-tax basis in Parkland’s Supplemental Retirement Plan and compares these amounts with the savings limits of most other savings plans. These limits are not plan-specific. If you contributed to another employer’s plan on a before-tax or Roth after-tax basis during the year, consider those contributions when deciding how much to contribute to the Parkland plan.

<table>
<thead>
<tr>

<td>Under Age 50</td>
<td>Age 50 and Over</td>
</tr>
<tr>
<td>2016</td>
<td>$18,000</td>
<td>$24,000</td>
</tr>
</tbody>
</table>

* Your contributions may be before-tax, Roth after-tax or a combination of the two. These limits include contributions made to another employer’s plan during the year.

To determine how much you want to save, review the Retirement Benefits Program newsletter on the Parkland Intranet. Then, log on to the plan’s website or call the telephone hotline to elect your contribution savings percentage or a specific dollar amount.
HOW TO MAXIMIZE YOUR ANNUAL CONTRIBUTIONS

Once you decide how much you want to contribute, your before-tax and Roth after-tax contributions are allocated first to your 403(b) account. If you reach the IRS maximum for the 403(b) account, additional before-tax and Roth after-tax contributions will automatically convert to 457 contributions. When you reach the combined before-tax and/or Roth after-tax limit for 403(b) and 457 contributions, your contributions will automatically convert to 403(b) after-tax contributions in order to continue contributing to the plan and to receive the applicable match. If you want your contributions to stop rather than converting to 403(b) after-tax contributions, call the telephone hotline and let a representative know that you do not want to start making 403(b) after-tax contributions. Unless you make a new election before the first pay period of the new year, your before-tax and/or Roth after-tax 403(b) elections will continue for the following calendar year.

PARKLAND MATCHING CONTRIBUTIONS
(For Full-Time and Part-Time-With-Benefits Employees)

After one year of service, Parkland matches your contributions $1 for $1, up to 6% of your pay. Parkland matches a combination of your before-tax, Roth after-tax or after-tax contributions, up to 6% of pay.

ROLLOVER CONTRIBUTIONS

If you have a balance in a qualified plan such as a 401(k) or another 403(b) with a previous employer, you can roll over that money immediately and take advantage of the loan and withdrawal options offered by the plan. You can also roll over deductible Individual Retirement Accounts (IRAs).

VESTING OF PARKLAND MATCHING CONTRIBUTIONS

You own (meaning you are 100% vested in) your contributions (before-tax, Roth after-tax, after-tax, rollover and part-time mandatory contributions) immediately. You gradually become vested in the Parkland matching contributions each year as shown in the vesting chart below.

Regardless of your service, you become 100% vested in the matching contributions and associated earnings upon total or permanent disability, death while employed or retirement on or after your normal retirement date (age 65).
LOANS
Using the plan’s website or the telephone hotline, you may request a loan. You may have only one outstanding loan at a time. The interest rate is prime plus 1%. Your loan will be taken from your before-tax 403(b), Roth after-tax and rollover accounts with your Roth after-tax account being accessed last. You may not take a loan from your before-tax 457, after-tax and part-time mandatory contributions. You may borrow:

- A minimum of $1,000 and
- Up to the lesser of one-half of your account balance or $50,000, reduced by your highest outstanding loan balance during the last 12 months.

If you leave Parkland and do not repay the loan within the required time period, you will have to pay taxes on the outstanding loan balance.

IN-SERVICE WITHDRAWALS
From the plan’s website or the telephone hotline, you may request a withdrawal from your Supplemental Retirement Plan accounts while you are still employed at Parkland. Part-time mandatory contributions are not eligible for in-service withdrawal. You may:

- Withdraw from your after-tax or rollover accounts at any time.
- Request a full or partial withdrawal of your account balance after age 59½ if you are 100% vested in the Parkland match.
- Apply for a financial hardship withdrawal from all or part of your before-tax 403(b) and Roth after-tax 403(b) contributions made to the plan and the vested portion of Parkland’s matching contributions.
- Apply for an unforeseeable emergency withdrawal from your before-tax 457 and Roth after-tax 457 contributions if you or your dependents incur a severe financial hardship. An unforeseeable emergency must cause a hardship that cannot be relieved through reimbursement or compensation by insurance, liquidation of your assets (unless such liquidation would cause you severe financial hardship), or discontinuation of all before-tax 457 contributions to the Supplemental Retirement Plan. Payment of college expenses and purchase of a home do not qualify as an unforeseeable emergency.

If you do not roll over a withdrawal to an IRA or to another eligible retirement plan, the taxable portion of the withdrawal becomes ordinary income to you for the year in which you receive the distribution. In-service withdrawals that are not financial hardship withdrawals are subject to 20% mandatory withholding. If you have not reached age 59½, the withdrawal may also be subject to an additional 10% nondeductible early distribution penalty tax. Withdrawals from your before-tax 457 contributions account are generally not subject to the additional 10% early distribution penalty tax. However, special rules apply to Roth after-tax monies. Consult your professional tax adviser for details.

QUARTERLY STATEMENTS ARE ONLINE
You will receive your Supplemental Retirement Plan statements online about 3 weeks after the end of each quarter. To receive an email reminder when your electronic statement is available, enter your email address in the Personal Profile section of the vendor’s website. You may print your online statement at any time. You may also change from electronic to paper statements via the U.S. mail at any time. To do so, go to eCommunications in the bottom right corner of the website’s At-A-Glance page. You can make this change in the Personal Profile section, too.

WHEN YOU LEAVE PARKLAND
When you stop working at Parkland, you may leave your money in the Supplemental Retirement Plan or you may request a lump-sum payment of your account. To request your lump-sum payment, please contact the plan administrator at the phone number or website shown on the Benefit Resources list in the new hire welcome brochure and on the Parkland Intranet. Starting at age 70½, you must start taking minimum distributions from your account.

You may log on to the retirement administrator’s website or contact the Benefits Service Center up to 180 days prior to your retirement to set up distribution of your monthly benefit from the Retirement Income Plan.
EVERYONE LOVES A DISCOUNT
Parkland’s Employee Discount Program features products and services you use every day. A customized website makes it easy for you to save money! Details are available from the discount program vendor — including discounts from cell phone vendors — shown on the Benefit Resources list in the new hire welcome brochure and on the Parkland Intranet.

Legal Protection Program
Unresolved legal matters can cause stress, hardship or financial challenges in your life. The Parkland legal program can help. For $8.31 per pay period, you may participate. This cost is significantly lower than the national average. To learn more about the legal program, research legal topics and more, contact the administrator of our legal program. Contact information is shown on the Benefit Resources list in the new hire welcome brochure and on the Parkland Intranet. You may enroll at MyParkland.

Pet Insurance Program
Pets need protection, too. The pet insurance program provides health care coverage for your dog, cat, bird, hamster or other exotic pet. As a Parkland employee, you’ll receive a 5% group discount on your policy. Owners of multiple pets are entitled to receive additional discounts. This coverage offers you peace of mind because your pets are protected if they are injured or become ill. Easy to use, this program reimburses you for eligible veterinary expenses related to surgeries, hospitalization, X-rays, prescription medications and more. Best of all, you’re free to visit any veterinarian, anywhere in the world.

For more information or to enroll, call the administrator of our pet insurance program. Contact information is shown on the Benefit Resources list in the new hire welcome brochure and on the Parkland Intranet.

Tuition Reimbursement
After 6 months of service, full-time and part-time with benefits employees may receive reimbursement of tuition for a grade of C or higher according to this schedule:

- Up to $4,500 per calendar year for a doctoral degree (PhD).*
- Up to $4,500 per calendar year for a master’s degree.*
- Up to $3,500 per calendar year for a bachelor’s degree.*
- Up to $2,000 per calendar year for an associate’s degree.*

* Reimbursement amounts for part-time-with-benefits employees will be 50% of the above reimbursement maximums.

To receive your reimbursement, enroll online no later than 31 days after the classsemester ends.
Employee Assistance Program (EAP)

Sometimes it’s a tough world out there! To help you deal with personal problems that affect your relationships at home and at work, Parkland sponsors an Employee Assistance Program (EAP) as part of its benefits program.

A confidential program, the EAP offers you and your family members a set number of counseling sessions per problem. Services through the EAP are provided at no cost to you, unless you are referred to an outside provider. These referrals will be made based on your health care benefits and your individual needs.

Available around the clock, EAP experienced counselors can help you address issues related to:

<table>
<thead>
<tr>
<th>Family problems</th>
<th>Depression</th>
<th>Divorce</th>
</tr>
</thead>
<tbody>
<tr>
<td>Interpersonal communication</td>
<td>Unresolved grief</td>
<td>Problems of adolescence</td>
</tr>
<tr>
<td>Single Parenting</td>
<td>Parent/child conflict</td>
<td>Career change</td>
</tr>
<tr>
<td>Alcohol or drug problems</td>
<td>Marital problems</td>
<td>Legal matters</td>
</tr>
<tr>
<td>Dual careers</td>
<td>Job “burnout”</td>
<td>Financial pressures</td>
</tr>
<tr>
<td>Life transition</td>
<td>Sexual problems</td>
<td>Relationships</td>
</tr>
<tr>
<td>Anxiety/stress</td>
<td>Work-related problems</td>
<td>Physical abuse</td>
</tr>
<tr>
<td>Aging parents</td>
<td>Personal concerns</td>
<td>Eating disorders</td>
</tr>
</tbody>
</table>

The EAP is there to help … 24 hours a day, 7 days a week. All it takes is a phone call from you. See the Benefit Resources list in the new hire welcome brochure and on the Parkland Intranet for the name of the EAP provider and the number to call if you want to seek assistance from an EAP counselor.

Part-Time-Without-Benefits Employees

As a part-time-without-benefits employee, you may participate in Parkland’s flexible spending accounts, the Supplemental Retirement Plan (excluding the Parkland match), the legal protection program and the pet insurance program. Eligible health-care costs incurred may be reimbursed through the Health Care Spending Account described starting on page 20 of this brochure. You enroll in Parkland’s spending accounts through MyParkland.
2017 Privacy Reminder Notice

We are required by law to keep your health information private. The Notice of Privacy Practices explains how we use health information about you. It also lets you know when we can share that information with others. It tells you about your rights to your health information and how you can use those rights. If you would like a copy of the Parkland Employee Health Plan Notice of Privacy Practices, please call 469.419.3000 (ext. 73000) or email us at ParklandBenefitsAdministration@phhs.org. You can also write us at:

Dallas, Texas 75235

Women’s Health and Cancer Rights Act of 1998

As a result of the Women’s Health and Cancer Rights Act of 1998, if you have breast reconstruction in connection with a mastectomy, coverage will be available as follows:

- Reconstruction of the breast on which the mastectomy was performed,
- Surgery and reconstruction of the other breast to produce a symmetrical appearance,
- Prostheses (e.g., breast implant) and
- Treatment for physical complications of the mastectomy, including lymphedema.

Benefit payment is subject to the deductible and benefits under the plan.
Medicaid and the Children’s Health Insurance Program (CHIP) Offer Free Or Low-Cost Health Coverage

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your State may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below or on the following page, you can contact your State Medicaid or CHIP office to find out if premium assistance is available. If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW (543-7669) or www.insurekidsnow.gov to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must permit you to enroll in your employer plan if you are not already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, you can contact the Department of Labor electronically at www.askebsa.dol.gov or by calling toll-free 1-866-444-EBSA (3272).

If you live in one of the following States, you may be eligible for assistance paying your employer health plan premiums. The following list of States is current as of July 31, 2016. Contact your State for further information on eligibility.

---
PART A: GENERAL INFORMATION

When key parts of the health care law took effect in 2014, Americans gained a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open Enrollment for health insurance coverage through the Marketplace begins in October 2015 for coverage starting as early as January 1, 2017.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

¹ An employer-sponsored health plan meets the “minimum value standard” if the plan’s share of the total allowed benefit costs covered by the plan is no less than 60% of such costs. Form Approved OMB No. 1210 – 0149 (expires 11-30-2017)

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your Summary Plan Description or contact the Parkland Benefits department at 469.419.3000 (ext. 73000) or ParklandBenefitsAdministration.org.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.
PART B: INFORMATION ABOUT HEALTH COVERAGE OFFERED BY YOUR EMPLOYER

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name  
Dallas County Hospital District

4. Employer Identification Number (EIN)

5. Employer address  
5201 Harry Hines Blvd

6. Employer phone number  
469.419.3000 (ext. 73000)

7. City  
Dallas

8. State

9. ZIP code  
75235

10. Who can we contact about employee health coverage at this job?  
Parkland Benefits Department

11. Phone number (if different from above)  
Same as above

12. Email address  
ParklandBenefitsAdministration@phhs.org

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
  - [ ] All employees.
  - [ ] Some employees. Eligible employees are:
    - [ ] Full time employees
    - [ ] Part time with benefits

- With respect to dependents:
  - [ ] We do offer coverage. Eligible dependents are:
    - [ ] Your lawful spouse as recognized by Texas Law: Domestic Partner
    - [ ] Any child of yours who is: 1) less than 26 yrs old, 2) legally adopted, 3) children for whom you are the legal guardian, and 4) grandchildren for whom you have legal custody
  - [ ] We do not offer coverage.

- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here’s the employer information you’ll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

The information below corresponds to the Marketplace Employer Coverage Tool. Completing this section is optional for employers, but will help ensure employees understand their coverage choices.

13. Is the employee currently eligible for coverage offered by this employer, or will the employee be eligible in the next 3 months?  
[ ] Yes (Continue)

13a. If the employee is not eligible today, including as a result of a waiting or probationary period, when is the employee eligible for coverage?  
____________________ (mm/dd/yyyy) (Continue)

[ ] No (STOP and return this form to employee)

14. Does the employer offer a health plan that meets the minimum value standard*?  
[ ] Yes (Go to question 15)  
[ ] No (STOP and return this form to employee)

15. For the lowest-cost plan that meets the minimum value standard* offered only to the employee (don’t include family plans): If the employer has wellness programs, provide the premium that the employee would pay if he/she received the maximum discount for any tobacco cessation programs, and didn’t receive any other discounts based on wellness programs.

a. How much would the employee have to pay in premiums for this plan? $ ______________________________

b. How often?  
[ ] Weekly  
[ ] Every 2 weeks  
[ ] Twice a month  
[ ] Monthly  
[ ] Quarterly  
[ ] Yearly

If the plan year will end soon and you know that the health plans offered will change, go to question 16. If you don’t know, STOP and return form to employee.

16. What change will the employer make for the new plan year?  
[ ] Employer won’t offer health coverage

[ ] Employer will start offering health coverage to employees or change the premium for the lowest-cost plan available only to the employee that meets the minimum value standard.* (Premium should reflect the discount for wellness programs. See question 15.)

a. How much would the employee have to pay in premiums for this plan? $ ______________________________

b. How often?  
[ ] Weekly  
[ ] Every 2 weeks  
[ ] Twice a month  
[ ] Monthly  
[ ] Quarterly  
[ ] Yearly

Date of change (mm/dd/yyyy): ____________________

* An employer-sponsored health plan meets the "minimum value standard" if the plan’s share of the total allowed benefit costs covered by the plan is no less than 60% of such costs (Section 36B(c)(2)(C)(ii) of the Internal Revenue Code of 1986)
Medicare Notice

CREDIBLE COVERAGE NOTICE FROM THE PARKLAND EMPLOYEE HEALTH PLAN ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the Parkland Employee Health Plan (PEHP) and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Parkland Health & Hospital System has determined that the prescription drug coverage offered by the Parkland Employee Health & Hospital System is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage pays and is, therefore, considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When can you join a Medicare drug plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from Oct. 15 through Dec. 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two-month Special Enrollment Period (SEP) to join a Medicare drug plan.

What happens to your current coverage if you decide to join a Medicare drug plan?

If you decide to join a Medicare drug plan, your current Parkland Employee Health Plan coverage will not be affected. If you do decide to join a Medicare drug plan and drop your current Parkland Employee Health Plan coverage, be aware that you and your dependents may not be able to get this coverage back.

When will you pay a higher premium (penalty) to join a Medicare drug plan?

You should also know that if you drop or lose your current coverage with the Parkland Employee Health Plan and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
FOR MORE INFORMATION ABOUT THIS NOTICE OR YOUR CURRENT PRESCRIPTION DRUG COVERAGE

For more information, contact Corey Jackson, Senior Vice President & Associate Chief Talent Officer, at 469.419.3000 (ext. 73000).

Note: You will receive this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the Parkland Employee Health Plan changes. You also may request a copy of this notice at any time.

FOR MORE INFORMATION ABOUT YOUR OPTIONS UNDER MEDICARE PRESCRIPTION DRUG COVERAGE

More detailed information about Medicare plans that offer prescription drug coverage is in the Medicare & You handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans.

For more information about Medicare prescription drug coverage:

• Visit www.medicare.gov.
• Call your State Health Insurance Assistance Program (see the inside back cover of the Medicare & You handbook for their telephone number) for personalized help.
• Call 1.800.MEDICARE (1.800.633.4227). TTY users should call 1.877.486.2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. Information about this extra help is available from the Social Security Administration (SSA) online at www.socialsecurity.gov or via the phone at 1.800.772.1213 (TTY 1.800.325.0778).

Remember
Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty).
