Bone Health 2012

Target Audience

This symposium is designed for family physicians, internists, geriatricians, endocrinologists, gynecologists, rheumatologists, orthopedic surgeons, nephrologists, and other health care providers who are interested in the care of patients with osteoporosis and bone-related diseases. Students and trainees are encouraged to attend.

Purpose and Content

The aim of this symposium is to provide the latest knowledge and discuss controversies related to the pathogenesis and management of primary osteoporosis and drug-induced osteoporosis as well as covering current topics on mineral disorders in special populations such as patients with chronic kidney disease or kidney stones. The format of this symposium will be a series of lectures presented by experts in the field on a variety of topics followed by panel discussions where the audience can directly interact with the speakers.

Educational Objectives

Upon completion of this activity, participants should be able to link the educational objectives to Core Competencies and be able to:

- Understand the pathogenesis and evaluation of osteoporosis
- Distinguish and identify the optimal medical treatment for osteoporosis and understand the limitations related to each treatment option
- Discuss the latest information in the surgical treatment of atypical femoral bone fracture and kyphoplasty/ vertebroplasty
- Discuss bone disease in special populations such as severe osteoporosis, drug-induced osteoporosis, male osteoporosis, chronic kidney disease, and kidney stone formers.

Accreditation

The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

Physicians: The University of Texas Southwestern Medical Center designates this live activity for a maximum of **7.25 AMA PRA Category 1 Credit(s)[™]**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Physical Therapist: Waiting on approval from the Texas Physical Therapy Association for CCU's.

Nurses: Nursing contact hours have been applied for through the Texas Nurses Association, an accredited approver of Continuing Nurses Credentialing Center's Commission on Accreditation.

Conflict of Interest

It is UT Southwestern's policy that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speaker's presentation(s). Each speaker has completed and signed a conflict of interest statement. The faculty members' relationships will be disclosed in the course syllabus.

Registration

The registration fee entitles the participant admission to the conference, all course materials, continental breakfast, lunch and refreshment breaks during the meeting.

Enrollment is confirmed upon receipt of registration fee. We are unable to process any registration without payment. Please register early. **We can not guarantee course materials on site to anyone registering later than March 23, 2012.**

Refund Policy

A \$50 handling fee will be deducted from cancellation refunds. Refund requests must be received by mail or fax prior to March 23, 2012. **No refunds will be made thereafter.**

Discussion of Off-Label Use

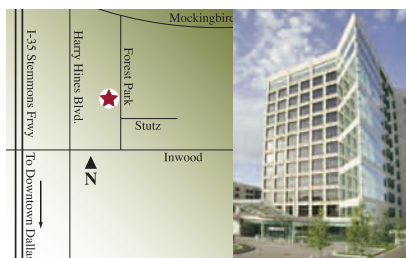

Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be "off-label" use discussed in the presentations. Speakers have been requested to inform the audience when off-label use is discussed.

Cancellation Policy

The Office of Continuing Medical Education reserves the right to limit registration and cancel courses, no less than one week prior to the course, should circumstances make this necessary.

Location

UT Southwestern Medical Center
T. Boone Pickens
Biomedical Building
Dallas, TX 75390

Agenda Saturday, March 31, 2012

7:30 am **Registration and Breakfast**

7:55 am Introduction

Session I – Overview and Medical Management of Osteoporosis

8:00 am Osteoporosis – Pathogenesis and Evaluation

- *Khashayar Sakhaee, MD*

8:25 am Calcium and Vitamin D - *Naim Maalouf, MD*

8:50 am Bisphosphonate Treatment in 2012 - *Craig Rubin, MD*

9:15 am Hormone Replacement Therapy - *Ellen Wilson, MD*

9:40 am Panel Discussion

10:00 am **Break**

Session II – Bone Disease in Special Populations

10:15 am Kidney Stone and Bone Disease - *Orson Moe, MD*

10:40 am Mineral and Bone Disorders in Chronic Kidney Disease

- *Michael Emmett, MD*

11:05 am Drug-induced Osteoporosis - *Bridget Sinnott, MD*

11:30 am Male Osteoporosis - *Ugis Gruntmanis, MD*

11:55 am Panel Discussion

12:15 pm **Lunch**

Session III – Management of Patients with Osteoporotic Fractures

1:15 pm Medical Management of Severe Osteoporosis

- *Bridget Sinnott, MD*

1:40 pm Orthopaedic Management of Atypical Bone Fractures

- *Joseph Borrelli, MD*

2:05 pm Kyphoplasty and Vertebroplasty - *David Chason, MD*

2:30 pm Future Treatments on the Horizon - *Naim Maalouf, MD*

2:55 pm Panel Discussion

3:10 pm Case Discussions and Questions

3:45 pm **Adjourn**

Parking

Parking is available in the parking garage entered from 6001 Forest Park, located adjacent to the T. Boone Pickens Biomedical Building. The garage entrance is to the right of the front building entrance. The garage elevators will take you to the third floor. Signs will be posted to assist you.
