Announcements and Introductions - Don C. Rockey, MD

Session 1: 
“Eosaphagus” - Stuart Spechler, MD

8:00 am 
Update on Eosinophilic Esophagitis - Stuart Spechler, MD

8:40 am 
Endoscopic Therapy of Barrett’s - Amlabh Chak, MD

Session 2: 
“Hot Topics in Gastroenterology 2012” - William Sanatarigelos, MD

9:00 am 
It is Safe to Continue Clopidogrel During Colonoscopy - Linda Feagins, MD

9:20 am 
Clostridia difficile in 2012: William Sanatarigelos, MD

9:40 am 
Break

10:00 am 
Nurse-Assisted Propofol Administration During Endoscopic Procedures - Lawrence Schiller, MD

10:20 am 
Interactions & Side Effects of PPI Therapy (Clopidogrel, Omeprazol) - Lawrence Schiller, MD

10:40 am 
Approach to Screening for Hereditary Colon Cancer - Samir Gupta, MD

Session 3: 
“Liver” - Don C. Rockey, MD

11:20 am Hepatitis C Update - William Lee, MD

12:00 pm Lunch

Session 3: 
“Liver-Update from AASLD” - Don C. Rockey, MD

1:00 pm Complications of Cirrhosis - Amit Singal, MD

1:20 pm Liver Transplantation - Lafanre Grant, MD

1:40 pm Hepatitis B - Saleh Alqahtani, MD

Session 4: 
“Inflammatory Bowel Disease” - Prabhakar Swaroop, MD

2:00 pm Newer Biologic Agents: When to Use Them and How to Monitor Them - Prabhakar Swaroop, MD

2:20 pm Special Issues in IBD - TBD

Session 5: 
“Therapeutic Endoscopy” - Prabhakar Swaroop, MD, MPH

2:40 pm Video Case Presentations
Panel Discussion - Deepak Agrawal, MD, MPH; Jayaprapath Sreenarasimhaiah, MD and Amlabh Chak, MD

4:00 pm Adjourn
The course is designed for gastroenterologists, GI surgeons, internists and family practice physicians with an interest in gastroenterology and hepatology.

Purpose and Content
The purpose of this course is to provide an update in various current issues of gastroenterology, hepatology and inflammatory bowel disease. The program includes didactic lectures, case presentations and question and answer sessions with the course faculty.

Educational Objectives
Upon completion of this course, participants should be able to:
- Explain new and current treatment strategies for erosive esophagitis (Medical Knowledge and Patient Care)
- Review the concept of agitation and protect the stomach (Medical Knowledge, Patient Care and Practice-Based Learning)
- Discuss the safety of fibrinogen during colonoscopic polypectomy (Medical Knowledge and Practice-Based Learning)
- Assess clinical aspects of Clostridium difficile infection in 2012 (Medical Knowledge and Practice-Based Learning)
- Express the safety and feasibility of nurse-assisted prophylaxis administration during endoscopic procedures (Medical Knowledge, Patient Care and Practice-Based Learning)
- Review the interactions and side effects of PPI therapy (Medical Knowledge)
- Analyze the screening guidelines for hereditary colon cancer (Medical Knowledge)
- Describe the new and current treatments for Hepatitis C (Medical Knowledge and Practice-Based Learning)
- Examine the recent developments in Hepatology presented at AASLD (Medical Knowledge)
- Discuss current medical management of patients with chronic liver disease and liver transplantation (Medical Knowledge, Patient Care and Practice-Based Learning)
- Discuss current management of Hepatitis B (Medical Knowledge and Practice-Based Learning)
- Illustrate the neobiotic agents available for IBD, and to understand some of the most popular clinical aspects of caring for the IBD patients such as vaccination guidelines, cervical cancer screening, and drug use during pregnancy and breast feeding (Medical Knowledge, Patient Care and Practice-Based Learning)
- Report on current and new modalities for interventional endoscopy in diseases of the gallbladder, liver and pancreas (Medical Knowledge, Patient Care and Practice-Based Learning)

Accreditation
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation
The University of Texas Southwestern Medical Center designates this educational activity for a maximum of 7.5 AMA PRA Category 1 Credit™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

Conflict of Interest
It is UTSW’s policy that participants in CME activities should be made aware of any affiliation or conflict of interest that may affect the speaker’s presentation. Each speaker has completed and signed a conflict of interest statement. The faculty members’ relationships will be disclosed in the course syllabus.

Discussion of Off-Label Use
Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be “off label” use discussed in the presentations. Speakers have been requested to inform the audience when off-label use is being discussed.

Registration
The registration fee entitles the participant admission to the conference, all course material, continental breakfast, lunch and refreshment breaks during the meeting. Enrollment is confirmed upon receipt of registration fee. We are unable to process a registration without payment. Please register early. We cannot guarantee course materials on site to those registering later than February 3, 2012.

Refund Policy
A $50 handling fee will be deducted from cancellation refunds. Refund requests must be received by mail or fax prior to February 3, 2012. No refunds will be made thereafter.

Cancellation Policy
The Office of Continuing Medical Education reserves the right to limit registration and cancel courses less than one week prior to the course, should circumstances make this necessary.
