Audience
This course is designed for Primary Care Physicians, Internists, A.P.N.'s, P.A.'s, R.N.'s, E.M.T's, and Allied Health Professionals with an interest in stroke.

Purpose & Content
This symposium will review state of the art practice in the acute management of stroke while identifying some current new topics that will compliment the practice, ie, telestroke, advanced stroke treatments, familiarity with coagulation agents and reversal, the role of new guidelines for stroke ready hospitals in the stroke systems of care, population demographics, nursing specialization in stroke and future challenges.

Objectives
– Discuss the updates on the latest guidelines within stroke systems of care
– Reflect on stroke incidence in Texas compared to regional trends
– Describe strategies to decrease door to needle time in the ED
– Examine the updates on the latest advances in interventional and surgical care of the stroke patient
– Describe complicated cases by multi-disciplinary physician experts in advanced stroke care
– Analyze expert review of reversing coagulation in emergent care
– Identify telestroke as a tool to advancing your hospitals stroke care
– Report the updates for first responders on pre-hospital stroke care
– Review neuroanatomy for the nurse or EMS Providers

Accreditation
UT Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Sponsored by:
UT Southwestern Department of Neurology and Neurotherapeutics and the Office of Continuing Medical Education

Challenges of Stroke Systems of Care
November 2, 2013

7:00-7:20 am Registration and Breakfast

7:20-7:30 am Introduction
Mark Goldberg, M.D.

7:30-8:25 am Stroke Systems of Care and the Stroke Ready Hospital
Mark Alberts, M.D.

8:25-9:20 am Changes in Stroke Demographics in Texas, a CDC perspective
Mary George M.D., M.S.R.H., F.A.C.S., F.A.H.A.

9:20-9:30 am Break

9:30-10:25 am Update on Neurointerventional and Neurosurgical Procedures for Acute Stroke
Baby Welch, M.D.

11:20-12:00 pm Lunch

12:00-3:00 pm Breakouts: Auditorium

12:00-1:00 pm A Dynamic Review of Neuroanatomy for the Stroke Nurse
Daiwai Olson, PhD, RN

1:00-2:00 pm Putting it all together: A CSRN Exam Review
Laura Risse, MS, RN, SCRN; Amanda Dirickson, MS, APRN, ANP-C, SCRN

2:00-3:00 pm Challenges in the Field: Implementing the 2013 Acute Ischemic Stroke Guidelines Pre-Hospital
Amanda Dirickson, MS, APRN, ANP-C, SCRN

3:00-4:00 pm Challenges in the ED: Go FAST!
Andria Ford, M.D.

10:25-11:20 am Challenges of Stroke Systems of Care
Babu Welch, M.D.; Mark Goldberg, M.D.; Ravindra Sarode, M.D.

11:20-12:00 pm Lunch

12:00-3:00 pm Breakouts: Multipurpose Room

12:00-1:00 pm Reversal of the Novel Anticoagulants in the Emergent Setting
Ravindra Sarode, M.D.

1:00-2:00 pm Case Consultations
Baby Welch, M.D.; Mark Goldberg, M.D.; Roberta Novakovic, M.D.

2:00-3:00 pm Telestroke: How Technology is Changing Stroke Care
Julian Yang, M.D.

3:00 pm Adjourn

Registration
The registration fee entitles the participants to admission to the conference, all course materials, continental breakfast, refreshments at the break, and lunch during the meeting. Enrollment is confirmed upon receipt of registration fee. We are unable to process any registration without payment. Please register early. We cannot guarantee course materials on-site to anyone registering later than October 28, 2013.

Location
UT Southwestern Medical Center
T. Boone Pickens Biomedical Building Auditorium
6001 Forest Park Road
Dallas, TX 75390

Additional Information
For additional information, please call the Office of Continuing Medical Education at 214-648-3138, or 800-648-8678, or email cme.registrations@utsouthwestern.edu.

To obtain information on other UT Southwestern programs, you can access the Office of Continuing Medical Education’s home page at utsouthwestern.edu/cme.

For a free email subscription to the Office of Continuing Medical Education’s monthly calendar, send your name, medical specialty, and current email address to: cme@calendar.utsouthwestern.edu.

Program Accessibility
We accommodate people with disabilities. Please call 214-648-3138 for more information, or mark the space indicated on the registration form. To ensure accommodation, please register as soon as possible. The University of Texas Southwestern Medical Center is committed to providing programs and activities to all persons regardless of race, color, national origin, religion, sex, age, veteran status, or disability.

UT Southwestern is an equal opportunity institution.
Discussion of Off-Label Use

Speakers have been requested to inform the audience when there may be "off-label" use discussed in the presentations.

Because this course is meant to educate providers with what is currently in use and what may be available in the future, it is UT Southwestern's policy that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speaker's presentation. Each speaker has completed and signed a conflict of interest statement. The faculty members' relationships will be disclosed in the course syllabus.

Additional Information

For additional information, please call the Office of Continuing Medical Education at 214-648-3138, or 800-648-8476, or email cmeregistrations@utsouthwestern.edu.

To obtain information on other UT Southwestern programs, you can access the Office of Continuing Medical Education's home page at utsouthwestern.edu/cme.
