CME Information

Who Should Attend

This course is designed for **psychiatrists, psychologists, nurses, LPCs, social workers, residents, fellows, students, and other mental health professionals and members of the community** interested in learning about current models of public mental health care.

Purpose and Content

This course will increase participants' knowledge of the various current models of public mental health care, how these systems are designed, models of integrated care, and the costs and benefits of creating an open access system for mental health care.

Conflict of Interest

All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients along with that of their spouses or significant other. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity.

Discussion of Off-Label Use

This course is meant to educate practitioners with what is currently in use and what may be available in the future. There may be "off-label" use discussed in the activity. Speakers have been requested to inform the audience when off-label use is being discussed.

Cancellation Policy

The Office of Continuing Medical Education reserves the right to limit registration and cancel course, no less than one week prior to the course, should circumstances make this necessary.

Additional Information

For additional information, please call The Office of Continuing Medical Education, 214-648-3138, 1-800-688-8678, or e-mail cmeregistrations@utsouthwestern.edu

Program Accessibility

We accommodate people with disabilities. Please call 214-648-3138 for more information, or mark the space indicated on the registration form. To ensure accommodation, please register as soon as possible.

The University of Texas Southwestern Medical Center is committed to providing programs and activities to all persons regardless of race, color, national origin, religion, sex, age, veteran status, or disability.
