Target Audience
Primary care providers, nurse practitioners, physician assistants, and specialists in Internal Medicine and Family Practice seeking updates in practical knowledge relating to patient care.

Educational Objectives
Upon completion of this symposium, the participants should be able to link the educational objectives to Core Competencies (Medical Knowledge and Patient Care) and be able to:

• Integrate new guidelines on hypertension into clinical practice
• Utilize noninvasive screening for colorectal cancer in appropriate patients
• Identify patients who should be on neprilysin inhibitors for CHF
• Discuss therapy for CTX coronary disease with their patients
• Implement vaccination for HPV in appropriate patient groups

Accreditation
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Texas Southwestern Medical Center designates this live activity for a maximum of 18 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Conflicts of Interest
All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity.

Discussion of Off-Label Use
This course is meant to educate physicians with what is currently in use and what may be available in the future. There may be “off-label” use discussed in the activity. Speakers have been requested to inform the audience when off-label use is discussed.

Registration
The registration fee entitles the participant admission to the conference, all course materials, continental breakfast, lunch and refreshment breaks during the meeting.

Enrollment is confirmed upon receipt of registration fee/form. We are unable to process any registration without payment. Please register early. We cannot guarantee course materials on site to anyone registering later than May 7, 2015.

Refund Policy
A $50 handling fee will be deducted from cancellation refunds. Refund requests must be received by mail or fax prior to May 7, 2015. No refunds will be made thereafter.

Cancellation Policy
The Office of Continuing Medical Education reserves the right to limit registration and cancel courses, no less than one week prior to the course, should circumstances deem this necessary.

Target Audience
Primary care providers, nurse practitioners, physician assistants, and specialists in Internal Medicine and Family Practice seeking updates in practical knowledge relating to patient care.

Purpose and Content
The Update in Internal Medicine is a program emphasizing topics requested by our referring physicians, controversies arising from journal clubs, and posed by our trainees. The program highlights diagnostic and therapeutic solutions based on the most recent clinical science. The goal of the program is to provide state-of-the-art practical advice on issues identified as frequent items for consultation and second opinions, as well as new advances in applying molecular techniques in translational medicine.
