Call for Abstracts
55th Annual Medical Student Research Forum

Completed abstracts must be submitted by midnight on November 1st, 2016 to Amanda.Arista@utsouthwestern.edu or dropped off at S1.101. A signature from the mentor must be obtained to apply for the Forum.

The text must fit in an area ~4.5 X 6.5 inches (the area outlined below). The font must be 10 point Arial. Title, mentor, and collaborators do not need to be included in the box. You can include small tables for data display within the box.

If you are submitting a PDF version of the abstract with the mentor’s digital signature, please ensure the text can be copied from the box below. If you are submitting a paper copy or a scan of the original, please ALSO submit an electronic version (Word doc) to Amanda to complete your application.

Submitting Student Name:

Mentor:
Ex: Rene L. Galindo, MD, PhD

Mentor’s Dept:
Ex: Dept of Pathology

Title of Abstract:

Collaborators & Degrees:
(will be contacted):
Ex: Holli Holbert, MD

Research Category
Choose only one:
1) Clinical Research
2) Basic Research/Disease Models
3) Research Design and Methods

By signing below, I certify this abstract is based on original research. I also grant permission to have this abstract published in the 55th Medical Student Research Forum Booklet and, should this application lead to a poster presentation, I allow the subsequent poster to be uploaded to the UTSW Library Repository for permanent record.
