

The Hamon Center for Regenerative Science & Medicine Awards

The Hamon Center for Regenerative Science and Medicine (CRSM) is currently accepting nominations **by faculty members** for **CRSM Trainee Fellowships**, for the 2015-2016 Academic Year.

- **Description:** We anticipate awarding up to four \$25,000 fellowships to support graduate student or postdoc costs during the 2015-2016 academic year (e.g., stipend, tuition, health insurance).
- **Purpose:** To support trainees whose research projects are aligned, broadly, with the mission and interests of the CRSM: (1) tissue formation and disease, (2) tissue repair and (3) regeneration. While preference may be given to those applicants from CRSM member labs, any applicant whose project focuses on regenerative medicine is strongly encouraged to apply. Applications are limited to one per laboratory and both foreign and domestic trainees will be considered. Trainees receiving awards will be expected to attend CRSM seminars and present their work at the end of the year in a Graduate student/ Post-doc WIPs co-sponsored by CRSM and Children's Research Institute (CRI).
- **Questions?:** Please direct questions about these fellowships to Dr. Rhonda Bassel-Duby (Rhonda.Bassel-Duby@utsouthwestern.edu).

◆ Application Procedure :

Send the following as a single pdf file.

- 1) Application cover page (see next page).
- 2) Trainee's CV (2 pages max).
- 3) A brief description of the trainee's research project: - Maximum of one single-spaced page with 1 inch margins - 12 point Times New Roman or 11 point Arial - Suggestion: format like the specific aims page of an NIH grant application.

Email the pdf file to CRSM@utsouthwestern.edu by application deadline: September 30th 11:59pm CST.

Include in the subject line: CRSM FELLOWSHIP APPLICATION

Awards will be announced October 21st prior to the start of the scheduled CRSM & CRI seminar.
