<b>Student Publications and Presentations per Year <sup>(6)</sup></b>	1.12 publications / student (rolling average of most recent three years) 1.03 publications / student in 2009

*Footnotes:*

(1) Current positions of the those who graduated during the most recent 3 academic years were used.

(2) Program specific ratios not available prior to Fall 2008. Faculty participate in multiple programs.

(3) Non-tenure track faculty are excluded from average as publications are not required. 88% of tenure-track faculty reported.

(4) Includes all grants and contracts handled by the Office of Grants Management. Non-tenure track faculty without grants are excluded from the averages as they generally are not expected to compete for external grants.

(5) Includes only program-sponsored courses; excludes credit hours for research mentoring, journal clubs, works in progress meetings, Division of Basic Science Core Course and ethics courses.

(6) 85% of *current* students reported. Data not available from most graduated students.
