## **UT Southwestern Medical Center at Dallas Breast Cancer Translational Research Program Leader (07-047)**

The UT Southwestern Medical Center invites applications and nominations for the Annette Simmons Distinguished Chair in Breast Cancer Research and leader of the Komen/UT Southwestern Breast Cancer Research Program. The UT Southwestern Simmons Comprehensive Cancer Center and the Department of Internal Medicine are seeking an M.D. or M.D., Ph.D. physician scientist to direct the scientific and clinical effort targeting the prevention and cure of breast cancer. The ideal candidate will be an independent investigator with a well established clinical or laboratory based research program. The program leader will be expected to provide strategic leadership and direction for a translational breast cancer research program that is at the fore-front of breast cancer research, treatment, and prevention. The Breast Cancer Research Program leader will have a faculty appointment in the Department of Internal Medicine's Division of Hematology Oncology at the Associate Professor or Professor level.

The UT Southwestern Simmons Comprehensive Cancer Center offers outstanding opportunities for collaboration with basic scientists and access to state of the art clinical facilities. There is an active multi-disciplinary clinical breast cancer program and a high risk breast center that includes a dedicated MR imaging facility. A competitive recruiting package is offered and includes new laboratory space as well as substantial endowment support.

UT Southwestern Medical Center is among the world's foremost medical research institutions whose faculty includes four active Nobel laureates and 16 members of the National Academy of Sciences. The Simmons Comprehensive Cancer Center membership includes 130 clinicians and scientists at UT Southwestern who are working together to translate the institution's outstanding science for the benefit of patients or future patients with cancer.

Academic rank will be at the Associate Professor or Professor level as determined by the qualifications of the candidate.

Review of applicants will begin immediately and continue until the position is filled. Candidates should email a letter describing their qualifications and interests along with the curriculum vitae and contact information with three professional references to: James K. V. Willson, M.D., Director, Simmons Comprehensive Cancer Center ([.willson@utsouthwestern.edu](mailto:.willson@utsouthwestern.edu)) or Joan M. Schiller, M.D. Deputy Cancer Center Director and Chief Hematology Oncology, ([.schiller@utsouthwestern.edu](mailto:.schiller@utsouthwestern.edu)) UT Southwestern Medical Center at Dallas, 5323 Harry Hines Boulevard, NB2.308, Dallas, TX 75390-8590.
