

11TH ANNUAL DALLAS COSMETIC SURGERY SYMPOSIUM • March 4-5, 2008

Tuesday, March 4

Ritz-Carlton

7:00 am **Registration & Continental Breakfast**

Module I – Face

Problem Solving in Facelift Surgery – New Concepts

Moderator – *Stuzin*

7:30 am Anatomic Considerations of Facial Aging – *Stuzin*

7:50 am Role of Facial Fat Compartments in Facial Aging – Facelift Implications – *Pessa*

8:10 am Role of Fat Augmentation in Facial Rejuvenation – *Byrd*

8:30 am Discussion/Q & A – *Rohrich/Faculty*

8:45 am Refinements in Face-Lifting – *Guyuron*

9:05 am The High SMAS Facelift – Refinements – *Barton*

9:25 am The Composite Facelift – Lessons Learned – *Hamra*

9:45 am Discussion/Q & A – *Barton*

10:00 am **Break / Exhibits**

10:30 am Male Facelift – Is It Really Different? – *Byrd*

10:50 am The Component Facelift – Role of Analysis in Facial Shaping – *Rohrich*

11:10 am Video – Extended SMAS Facelift – *Stuzin*

11:40 am Panel/Q&A – Facelift Controversies

Moderator: *Barton*

Panelists: *Stuzin, Pessa, Byrd, Guyuron, Hamra, Rohrich*

12:15 pm **Lunch / Exhibits**

Module II – Neck / Eyelid

Changing Concepts in Neck, Brow and Blepharoplasty

Moderator – *Rohrich*

1:15 pm Point vs. Counterpoint – Neck Rejuvenation

- Neck Contouring Finesse and Challenges – *Barton*

- Neck Contouring with Submandibular Resection – *Guyuron*

1:45 pm Discussion – *Stuzin*

2:00 pm Panel/Q&A – Problem Case

Analysis-Facelifts

Moderator: *Rohrich*

Panelists: *Guyuron, Stuzin, Hamra, Byrd*

3:00 pm **Break / Exhibits**

Moderator – *Rohrich*

3:30 pm Point vs. Counterpoint

– Skin-Muscle Flap vs. Orbicularis Preservation

- Why the Skin Muscle Flap is the Best – *Barton*

- Why You Should Always Preserve the Orbicularis Muscle – *Fagien*

4:15 pm Video – Orbital-Malar Ligament

Release/Orbicularis Preservation – *Rohrich*

4:40 pm Blepharoplasty Complication Management

– *Fagien*

5:00 pm Perioperative Hypertension Management in the Facelift Patient – *Trussler*

5:20 pm Aesthetic Surgery and Migraine Headaches – *Guyuron*

5:40 pm Panel/Q&A – Blepharoplasty Controversies

Moderator: *Stuzin*

Panelists: *Barton, Fagien, Rohrich, Trussler, Guyuron*

6:00 pm **Break**

Live Demonstrations – Moderators: *Stuzin/Rohrich*

Soft Tissue Fillers:

Radiesse / Juvederm / Perlane / Restylane / Artefill / Botox

6:30 pm Injectors: *Rohrich/Fagien*

Botox for Migraines: *Janis*

8:00 pm **Adjourn**

Wednesday, March 5

7:00 am **Continental Breakfast**

Module III – Breast

Controversies in Breast Shaping/Augmentation

Moderator – *Kenkel*

7:30 am Breast Augmentation – Saline vs. Silicone Point vs. Counterpoint

- Why Silicone is Better – *Hammond*

- Why Saline is Better – *Rohrich*

8:00 am Discussion – *Hammond*

8:10 am Video – Breast Augmentation Refinements – *Adams*

8:40 am 10 Common Breast Augmentation Problems and Preventions – *Tebbetts*

9:00 am Video Technique – Breast Augmentation/Mastopexy – *Hammond*

9:30 am Why I Do Not Do a Breast Augmentation/Mastopexy – *Tebbetts*

9:50 am Panel/Q & A

Moderator: *Kenkel*

Panelists: *Tebbetts, Rohrich, Hammond, Adams*

10:15 am **Break**

10:45 am Video – Augmentation Processes That Have Redefined the Patient Experience and Outcomes – *Tebbetts*

11:15 am Panel/Q&A – Breast Augmentation Controversies Including Autologous Fat Augmentation: Future Considerations

Moderator: *Rohrich*

Panelists: *Hammond, Tebbetts, Adams, Kenkel*

12:00 pm **Lunch / Exhibits**

Module IV – Body Contouring / Abdominoplasty

Moderator – *Kenkel*

1:00 pm Safety Considerations in Body Contouring – *Kenkel*

1:20 pm Video – The Hidden Medial Armlift – *Rohrich*

1:50 pm Refinements in Managing the Massive Weight Loss Patient – *Kenkel*

2:10 pm Q&A – *Adams*

2:30 pm **Break**

3:00 pm Abdominoplasty Refinements – *Trussler*

3:20 pm Drain Free Abdominoplasty – *Pollock*

3:40 pm Mesotherapy / Non-Surgical Fat Removal – Myth or Fact – *Kenkel*

4:00 pm Non-Ablation Skin Tightening Procedures – RF or Light Based Therapy – Does This Really Work? – *Kenkel*

4:20 pm Panel/Q&A – Body Contouring Controversies

Moderator: *Kenkel*

Panelists: *Rohrich, Trussler, Pollock*

4:45 pm **Shuttle to UT Southwestern and box dinner**

Anatomy Lab Participants Only – UT Southwestern Campus

Evening Cadaver Laboratory Session

– *Pessa, Trussler, Rohrich, Faculty*

6:15 pm Facelift / Endoscopy / Necklift / Eyelids

9:00 pm **Adjourn**

9:15 pm **Shuttle to Ritz-Carlton**
