

Important Notice Regarding Advantage Rent-A-Car

December 19, 2008

Advantage Rent-A-Car has recently filed for Chapter 11 bankruptcy protection. Currently, Advantage has closed all of their Texas locations except for locations at Austin-Bergstrom and Houston Intercontinental Airports.

State travelers should utilize the other contract rental car vendors, Avis and Enterprise, for reservations that can not be fulfilled by Advantage. We understand that Advantage may attempt to refer state travelers to Hertz, who is **not** a state contract vendor.
