REQUIREMENTS AND DESCRIPTION OF DUTIES (INCLUDE EDUCATION, EXPERIENCE AND ANY SPECIAL PREREQUISITES)

Qualified applicants with a Master's or Ph.D. in Medical Physics or equivalent field. Prefer 2 years experience in diagnostic radiological physics. Candidate should have or be obtaining certification in diagnostic radiological physics by either the ABR or the ABMP and should have or in the process of becoming a licensed medical physicist in the state of Texas. The Division of Medical Physics provides services to UT Southwestern and its affiliated hospitals and clinics: Parkland, Zale-Lipsky University, Children's Medical Center, and the Aston Ambulatory Care Center. Duties include: responsibility for an MR quality assurance program, oversight of equipment service and repair, assist physicians and technologists to optimize clinical protocols, help researchers set up and optimize research protocols, coordinating resources required for research, administrative duties, tracking of staff and services as it pertains to facility, and the financial aspects of research projects. This faculty member will also provide diagnostic medical physics services for radiographic, CT and US modalities.

DOCUMENTS TO BE SUBMITTED BY APPLICANTS: COVER LETTER (3) LETTER(S) OF REFERENCE CV
