		7:00-8:00 AM - Every Third Thursday - 5th floor, Surgical Oncology Conference Room, VA Medical Center	
		12:00-1:00 PM - Every Friday - CSO.407	
Target Audience: UT Southwestern faculty, fellows, residents, medical students, community physicians, nurses, physician assistants.			
Purpose and Content: This series is designed to provide an ongoing forum of new developments in gastroenterology and hepatology. The course utilizes primarily a lecture format accompanied by slides and a question and answer period. Some sessions use a clinical case presentation, with discussion, followed by a slide presentation and a question and answer period.			
Educational Objectives: As a result of this series, participants should be able to: 1. discuss clinical, research, and scholarly reviews of major topics in gastroenterology and hepatology, 2. apply educational matter in core areas of gastroenterology and hepatology, 3. analyze reviews of important clinical problems in gastroenterology and hepatology, all with the emphasis on recent advances that stimulate interest in life-long learning so that the enhanced knowledge base can be translated into improved patient care and research.			
Accreditation Statement: The University of Texas Southwestern Medical Center at Dallas is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.			
Credit Designation: The University of Texas Southwestern Medical Center at Dallas designates this educational activity for a maximum of 2.5 AMA PRA Category 1 Credits™ . Physicians should only claim credit commensurate with the extent of their participation in the activity.			
Off Label Uses: Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be off-label [®] for unapproved uses discussed in the presentations. Speakers have been requested to inform the audience when off-label uses are discussed.			
Disclosure: It is UT Southwestern's policy that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speaker's presentations. Each speaker has completed and signed a conflict of interest statement. Faculty members' relationships will be disclosed in the program handout.			
Course Director: Don Rockey, M.D., Chief & Professor, Internal Medicine – Division of Digestive & Liver Diseases
