Systems Based Practice:

Attendance at quality improvement committee

Chart audits

Faculty evaluation of resident- every rotation

Lectures on vocational rehabilitation, billing and coding

ROCA – Resident Observation and Competency Assessment

Identification of Assessment tools used by Institution/Location:

VAMC	TSRH	BUMC	PHHS	UTSW
SCD		SCD	SCD	SCD
FER	FER	FER	FER	FER
ROCA	ROCA	ROCA	ROCA	ROCA
MSE	MSE	MSE	MSE	MSE
PDR			PDR	PDR
FSR	FSR	FSR	FSR	FSR
JC				JC
				GR
RAD				RAD
SA		SA	SA	SA
CA		CA		CA
VOC				VOC
QI/QA		QI/QA	DVD	QI/QA

Legend:

SCD = structured case discussion

FER = Faculty evaluation of resident each rotation (online through E-Value)

FSR = Faculty supervisor review of written history and physical exams, progress notes

PDR = Program Director review of written materials

ROCA = Resident Observation and Competency Assessment

MSE = Multi Source Evaluations (patients, therapy staff, nursing) (online through E-Value)

JC = Journal Club

GR = Grand Rounds Lecture (Dept. PM&R)

QI/QA = Quality Improvement Committee or related activity

RAD = review of radiologic imaging

CA = Chart Audit

SA = scholarly activity (see definition on line at URL link above)

VOC = Vocational rehabilitation lecture; billing and coding talk

DVD = Research Ethics DVD viewing

VAMC = North Texas VA Health Care System

TSRH = Texas Scottish Rite Hospital

BUMC = Baylor University Medical Center/ Our Children's House

PHHS = Parkland Health and Hospital Systems

UTSW = UT Southwestern Hospitals and Clinics
