Diabetes Management Conference

Educational Objectives

Upon completion of this symposium, the participants should be able to:
- List the risks and benefits associated with use of statin therapy with patients who have diabetes
- Discuss the benefits of exercise and make specific recommendations to patients with diabetes to create a safe and sound exercise program
- Discuss the risks and benefits associated with use of statin therapy with patients who have diabetes
- Utilize cognitive behavioral therapy techniques to motivate patients in adopting self-care behaviors for diabetes.

Accreditation

The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. This activity is designed for physicians, pharmacists, nurses, dietitians, social workers and diabetes educators.

Registration

The registration fee entitles the participant to admission to the conference, all course materials, continental breakfast, lunch and refreshment breaks during the meetings. Enrollment is confirmed upon receipt of registration fee. We are unable to process any registration without payment. Please register early. We cannot guarantee course materials on site to anyone registering later than October 26, 2013.

Refund Policy

A handling fee of $25 will be deducted from cancellation refunds. Refund requests must be received by mail or fax prior to October 26, 2013. No refunds will be made thereafter.

Location

Comfort Inn
4215 Midway Road
Addison, TX 75001

Who Should Attend

Purpose

Educational Objectives

This course is designed for physicians, pharmacists, nurses, dietitians, social workers and other health professionals who care for patients with diabetes or hypertension.

The course includes sessions on:
- The pathophysiology of chronic kidney disease (CKD) and preventative measures for patients with diabetes
- Best practices in foot care to reduce risks of amputation and improve quality of life
- Identification of link between inflammation, nutrition, and chronic disease
- Discussing exercise and making specific recommendations to patients with diabetes to create a safe and healthy exercise program
- Discussing the risks and benefits associated with use of statins with patients who have diabetes
- Utilizing behavioral techniques to motivate patients in adopting self-care behaviors for diabetes

The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACME) to provide continuing medical education for physicians.

The University of Texas Southwestern Medical Center designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Upon completion of this symposium, the participants should be able to:
- Discuss the risks and benefits associated with use of statin therapy with patients who have diabetes
- Discuss the benefits of exercise and make specific recommendations to patients with diabetes to create a safe and active exercise program
- Discuss the risks and benefits associated with use of statin therapy with patients who have diabetes
- Utilize cognitive behavioral therapy techniques to motivate patients in adopting self-care behaviors for diabetes

Accreditation

The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. The activity is eligible for ACPE credit, for program details go to our website at www.utsouthwestern.edu/diabetesmanagementsymposium

November 19–21, 2013, all participants seeking ACPE credit will be required to provide their NABP e-Profile ID # and date of birth (in MM.D.D format) for issuance of CPE Statements of Credit. For all details visit: www.nabp.net/program/cpe-monitor/cpe-monitor-services-and-support.html

Parking Health & Hospital System, Department of Nursing Education is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. This activity provides 7.5 hours for Registered Nurses who complete the entire program.

Application for the approval of 7.0 hours of Clinical Professional Education Activity has been submitted to the Commission on Dietetic Registration (CDR).

Parkland Health & Hospital System is an approved provider (Provider # 5160) of social work continuing education by the Texas Social Work Licensing Board. This offering is approved for 7.0 CEUs.

Conflict of Interest

It is UT Southwestern’s policy that participants in CME activities should be made aware of any affiliations or financial interests that may affect the speaker’s presentation(s). Each speaker has completed and signed a conflict of interest statement. The faculty members’ relationships will be disclosed in the course syllabus.

Discussion of Off-Label Use

Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be “off-label” use discussed in the presentations. Speakers have been informed to the audience when off-label use is being discussed.

Registration

The registration fee entitles the participant to admission to the conference, all course materials, continental breakfast, lunch and refreshment breaks during the meetings. Upon registration is confirmed upon receipt of registration fee. We are unable to process any registration without payment. Please register early. We cannot guarantee course material on site to anyone registering later than October 26, 2013.

Refund Policy

A handling fee of $25 will be deducted from cancellation refunds. Refund requests must be received by mail or fax prior to October 26, 2013. No refunds will be made thereafter.
