How to create a faculty account in SciVal

Go to http://www.experts.scival.com/utsouthwestern/

Click the link in the right “Manage your Funding Opportunities”
Click the link to “Login via University of Texas Southwestern Medical Center”. This will take you to the Shibboleth Login page for UT Southwestern

You may get a message that your log in failed. Continue by clicking the Register now link
Enter your email. This will validate that you are UT Southwestern Faculty. If you cannot proceed this may indicate that your SciVal profile is not been build yet and will be done in the next upgrade of faculty members.
Registration for New or First Time Users

To be able to login to the funding module, we need to confirm that you are registered within our system. In order to do so, please enter your institutional email address.

If this email is found in our system, we will start the process by sending an email with a link to proceed with registering.

If you do not have an email address recognized by our system, you will need to speak to your administrator.

The email will come from the address: expertfunding-utsouthwestern-public@elsevier.com.
