Nutritional Counseling		\$86	\$66	
Analysis of Diet Records		\$21	\$16	
Metabolic Meal		\$26	\$11	

Industry = Industry/commercial funding

Non-Industry = PI initiated, departmental funding, grant support

Locations:

Main: James W. Aston Ambulatory Care Center- UT Southwestern
5303 Harry Hines Blvd. U9.300 and U7 Procedure Unit Dallas, TX, 75390
214-648-8759

Zale Lipshy Pavilion-William P. Clements Jr. University
5151 Harry Hines Blvd. Dallas, TX 75235

Paul M. Bass Administrative and Clinical Center
CRU Bass Covid Unit (Special Pathogens)
6363 Forest Park Rd. Dallas, TX 75235

The Aston Clinical Research Core and Clinical Research Unit (CRU) are made possible and supported by UT Southwestern Medical Center. Services are available to investigators who have UTSW IRB-approved protocols and signed Letters of Agreement with the Clinical Research Unit.

A fee schedule is provided for development of research budgets. Please allow for annual increases in fees. The current version is effective for **September 1, 2022, and August 31, 2023**. Fees may vary for complex or unusual protocols. Visit charges for NIH funded studies may be subsidized by Office of Clinical Research. This subsidy is subject to review and approval by the OCR.

To request a Letter of Agreement, submit a *UTSW Performance Site* review form in Velos with the relevant CRU fields completed.

Before requesting services, please confirm:

- 1) CRU and/or Zale Lipshy Pavilion-William P. Clements Jr. University are listed in Velos and eIRB as performance sites.
- 2) A signed Letter of Agreement is documented in Velos.
- 3) All necessary protocol training and documents have been provided to CRU and/or Zale staff.
- 4) The PI and appropriate study team members have active iLab accounts and an attached valid chart of account (CoA).
