

OUR DIVISION INVITES YOU TO

CELEBRATE PRIDE MONTH

VIRTUALLY OR IN-PERSON

ORIGINS OF PRIDE MONTH

LGBTQ+ Pride Month is currently celebrated each year in the month of June to honor the 1969 Stonewall Uprising in Manhattan. The Stonewall Uprising was a tipping point for the Gay Liberation Movement in the United States. This commemorative month also recognizes the impact that lesbian, gay, bisexual and transgender individuals have had on history locally, nationally, and internationally.

Today, LGBTQ+ Pride Month celebrations include pride parades, picnics, parties, workshops, symposia, concerts, and events attracting millions of participants around the world.

The Office of Institutional Equity & Access' Division of Diversity & Inclusion invites you to take this opportunity to learn, appreciate, and celebrate Pride Month through a range of virtual or in-person events happening in our local DFW community and nationally.

THE FLAG

The six color Gilbert Baker flag was introduced in 1978 as a symbol of unity for the LGBTQ and allied communities. LGBTQ symbols and iconography have been evolving and changing in response to the evolution of the LGBTQ community.

The **More Color, More Pride (MCMP)** flag was created in Philadelphia in 2017. Recently, the Human Rights Campaign acknowledged adoption of the MCMP Flag by many organizations and communities both across the country and internationally to represent the intentional inclusion of people of color more broadly.
