

Log in Instructions for QI Modules in Ethos

[Link to access the online course in UT Southwestern Ethos](#)

Start by creating an account in the UT Southwestern Ethos System

Select Register/Take the Course

To view the modules in the Gallery

1. From the **Quality Improvement Methodologies Title** listing, select **Quality Improvement Gallery**.
2. When the **Quality Improvement Gallery** page opens, click the **Take Course** button.
3. The **Course Home** page will appear with instructions.
4. Click **Start Course** button (or **Resume course** button), then select the **Launch** button to enter the gallery.
5. If a new window does not open automatically, select the **Launch Course** button to open the Gallery in a separate window.
6. In the new window, select the **3D Immersive Version** or **Accessibility-Friendly Version** button to start the Gallery.
7. Navigate through the Gallery using your mouse or the Tab key on your keyboard to locate your topic.
8. Watch **all videos** in full to access post-test.
9. When finished, close the Gallery viewing window

How to Proceed to the Post-Test

1. From the **Quality Improvement Methodologies Title** listing, click the name of the post-test you need (e.g., Team Science).
2. The course page will appear, click the **Take course** button.
3. The Post-Test Course Page will open.
4. Click the **Start course** button.
5. Click the **Start Quiz** button.
6. Answer **all** questions.
7. When finished, click **Finish**.
8. The question results page will appear, review your post-test score.
9. Continue and click the **Next** button for CME credit.
10. The Certificate page will appear, click **Review**.
11. The Course Complete page will appear.
12. Click **Return to Parent Home**.
