

Reminder: Leaders in Clinical Excellence nominations

July 8, 2026

To the UT Southwestern Community:

Last month, we announced the opening of nominations for the [2026 Leaders in Clinical Excellence Awards](#), which honor physicians across our Health System who elevate the standard of care and exemplify the values of UT Southwestern.

As the **July 13 deadline** approaches, we encourage you to [submit a nomination](#). We rely on your insight to identify clinical faculty colleagues whose contributions have a meaningful impact on patients, families, and the community we serve.

Please review the award categories and eligibility criteria on the [Clinical Faculty Awards website](#), where nominations may be submitted. Seven award categories are available for consideration, including the Patricia and William L. Watson Jr., M.D. Award for Excellence in Clinical Medicine, our highest honor in clinical care.

Nominations will be accepted through Monday, July 13, and will be reviewed by the Faculty Awards Committee.

We look forward to recognizing this year's honorees at the awards ceremony on **Nov. 4**.
