

Parking registration for FY27 opens Sept. 1

All employees who use UT Southwestern parking spaces must have their vehicles registered annually. If you already have a permit paid via payroll deduction, it will automatically renew, and no action is required on your part.

Permits that are not currently set up through payroll deduction must be renewed. To make certain you have active parking beginning **Sept. 1**, visit the [Parking Portal](#) or one of the [offices on campus](#).

Please note there will be a 2% price increase in fees for fiscal year 2027, but full-time employees making less than \$50,000 a year (based on their salary as of Sept. 1) are eligible for a 15% discount.

For more information, visit the [parking registration webpage](#), contact the team via [email](#), or call 214-648-9600.

UT SOUTHWESTERN EMPLOYEE ADVISORY COUNCIL

Time to vote for EAC FY27 representatives

The nominations are in, and now it's time to cast your vote for colleagues who will represent your district on the Employee Advisory Council (EAC).

The EAC is a peer-nominated group that helps enhance communication, promote engagement, and build community. Council members serve five different districts across UTSW to embody the full spectrum of employee voices and partner with UTSW President **Daniel K. Podolsky, M.D.**, to provide perspective on topics important to the campus.

To learn more, visit the [EAC SharePoint site](#). You can vote through Aug. 21.

Four thousand weeks: Dr. Salahuddin Kazi *Unscripted*

What does it mean to make the most of a life? In the latest episode of *UTSW Unscripted*, **Salahuddin Kazi, M.D.**, reflects on a remarkable journey that began in Karachi, Pakistan, and led to a career dedicated to medicine, education, and service. Dr. Kazi is a Professor in the Division of Rheumatic Diseases, Vice Chair of Education, and Director of the Internal Medicine Residency Program.

From embracing uncertainty and learning from mistakes to seeing science as a shared language that bridges cultures, Dr. Kazi traces the experiences that shaped him as a physician, educator, and leader.

Along the way, he learned that humility matters, self-compassion is essential, and 4,000 weeks is far less time than it seems.

Experience adaptive sports in action

From adaptive sled hockey and disc golf to wheelchair basketball and soccer, the Adaptive Sports Expo on Sept. 19 offers a hands-on look at the many ways athletes of all abilities compete, play, and stay active.

The showcase will feature adaptive sports and recreation opportunities for individuals with impairments and disabilities. Attendees can try activities firsthand, connect with local organizations, and explore resources that support an active lifestyle. For a glimpse of the action, check out [photos from last year's expo](#).

Mark your calendars for **Saturday, Sept. 19, from 10 a.m. to 3 p.m.**, at the Maverick Activities Center on the UT Arlington campus. Free and open to people of all ages and ability levels, the event welcomes families, friends, and community members.

This program is hosted by the Dallas-Fort Worth Adaptive Sports Coalition in partnership with UT Southwestern's Department of Physical Medicine & Rehabilitation (PM&R) within the Peter O'Donnell Jr. Brain Institute.

Questions? Email adaptivesports@utsouthwestern.edu.
