Closing Remarks

Ms. Nagib

W. P. Andrew Lee, M.D., is an international leader in hand transplantation who joined UT Southwestern Medical Center as Executive Vice President for Academic Affairs and Provost, Dean, UT Southwestern Medical School, in February 2019. He holds the Atticus James Gill, M.D. Chair in Medical Science.

From 2010 to 2019, he served as the Milton T. Edgerton, M.D., Professor and Chairman of the Department of Plastic and Reconstructive Surgery at the Johns Hopkins University School of Medicine, after serving on the faculty at the University of Pittsburgh and Massachusetts General Hospital, Harvard Medical School. Dr. Lee established multidisciplinary programs for hand transplantation at Johns Hopkins and the University of Pittsburgh using an immunomodulatory protocol based upon investigations in his laboratory. He led the surgical team that performed the first bilateral hand transplant (2009) and the first trans-humeral transplant (2010) in the U.S. In 2018, a team under his leadership performed the world's first total penis and scrotum transplant on a wounded warrior.

Dr. Lee has authored over 230 original peer-reviewed publications and 40 textbook chapters on hand surgery and vascularized composite allograft subjects. He has also received nearly 100 awards and honors, including the inaugural Mentorship Award from the Plastic Surgery Research Council (2018) and the Distinguished Alumnus Award from Johns Hopkins (2015). In 2014, he was recognized by the American Association of Plastic Surgeons with the Research Achievement Award for Basic Research. That same year, he received the Andrew J. Weiland Medal for Outstanding Research from the American Society for Surgery of the Hand.

Dr. Lee has served in numerous national leadership positions, including as President of the American Association for Hand Surgery (2019-2020), Chair of the American Board of Plastic Surgery (2012-13), and President of the American Society for Surgery of the Hand (2011-12).

An honors graduate in physics from Harvard College, Dr. Lee earned his medical degree from Johns Hopkins, where he also completed his general surgery residency. He received plastic surgery training at Massachusetts General Hospital and completed an orthopedic hand fellowship at the Indiana Hand Center.

The Quarter Century Club was established in 1996 to honor employees with 25 or more years of service. Members of the Quarter Century Club have made major contributions to the success of this university through their hard work and dedication.

UT Southwestern is privileged to recognize them on this special day.
