Closing Remarks

Ms. Nagib

The Quarter Century Club was established in 1996 to honor employees with 25 or more years of service. Members of the Quarter Century Club have made major contributions to the success of this university through their hard work and dedication.

UT Southwestern is privileged to recognize them on this special day.

Susan Hernandez, D.N.P., M.B.A., RN

Associate Vice President and Health System Chief Nurse Executive

Dr. Susan Hernandez currently serves as the Health System Chief Nurse Executive for UT Southwestern Medical Center, where she oversees over 5,000 full-time equivalents (FTEs), including the nursing practice for approximately 3,600 nurses throughout the University Hospital and 70 ambulatory clinics.

Dr. Hernandez joined UT Southwestern in June 2014 as Chief Nursing Officer for University Hospitals before assuming her current role as Health System Chief Nurse Executive in 2016. At UT Southwestern, she has led the transition of nursing from St. Paul University Hospital to William P. Clements Jr. University Hospital, and has expanded nursing programs to enhance the quality of care across all disciplines.

Under Dr. Hernandez's leadership, UT Southwestern achieved a second Magnet® designation in 2021; the first designation was awarded in 2016. Magnet® principles align seamlessly with her leadership style. She is passionate about the well-being of not only our patients but also our staff, and she advocates for the voice of the nurse through all levels of the organization.

Dr. Hernandez earned a bachelor's in nursing from Jacksonville University, a master's in business administration from the University of Phoenix, and a doctorate in nursing practice from Vanderbilt University. She is committed to developing future leaders and guiding them to a career path of authentic leadership. Dr. Hernandez serves as President for the North Texas Organization for Nursing Leadership (NTONL) and as President-elect for Dallas-Fort Worth Great 100 Nurses.
