

Directions to E4.350:

The Department of Bioinformatics is located in the E building at **5323 Harry Hines Blvd., Dallas, Texas**. From the shuttle drop-off, cross the street to the Donald Seldin Plaza. Walk across the plaza to the right/southwest of the flagpoles, above the area marked “D” building (which is underground). At the right /southwest side of the E building, take an external stairwell down one level to a garden/koi pond area. Enter through the grey double doors and take the elevator to 4th floor. The Department of Bioinformatics entrance is the glass door at the end of the hallway.
