

A Randomized Phase III Study of Sublobar Resection (SR) versus Stereotactic Ablative Radiotherapy (SABR) in High Risk Patients with Stage I Non-Small Cell Lung Cancer (NSCLC)

“Stablemates Trial”

Sponsor contracts finalized for Stablemates

Funding for the Joint Lung Cancer Trialist’s Coalition has been secured with the finalization of contracts with vendor sponsors.

Robert Timmerman

“This is a major step forward and has led very rapidly to additional sub-sites being brought on board,” said co-PI Robert Timmerman, M.D., of UT Southwestern Medical Center.

“We gratefully acknowledge the financial support of the leading medical equipment manufacturers in the field, which will enable us to conduct this groundbreaking clinical trial.”

Subsite update

At the start of the new year there are seven partner institutions with signed contracts and another seven with IRB approval.

Completed contracts and IRB approval:

- Anne Arundel Medical Center
- Henry Ford Health System

- Lifespan Oncology Clinical Research
- Ochsner Medical Center
- Ohio State University
- Swedish Cancer Institute

IRB approved:

- CHUM-Notre Dame Hospital

Completed contract:

- University of Louisville Physicians

Stablemates now has smartphone guide

Those who carry their smartphones in the clinic now have an easy way to access the primary eligibility criteria for the Stablemates trial along with other pertinent information. A downloadable pdf, formatted to fit standard smartphone screens, is now available on the trial website.

Please go to www.joltca.org and click on the “Trial” tab to download the smartphone guide!
