

A Randomized Phase III Study of Sublobar Resection (SR) versus Stereotactic Ablative Radiotherapy (SABR) in High Risk Patients with Stage I Non-Small Cell Lung Cancer (NSCLC)

“Stablemates Trial”

Three more sites activated

Congratulations to University of Kentucky, University of Louisville, and University of Maryland, our most recently activated sites.

The University of Kentucky effort is led by Ronald C. McGarry M.D., Ph.D., Clinical Associate Professor and Vice Chairman Department of Radiation Medicine. Dr. McGarry is a former member of the group at Indiana that first developed SBRT for lung cancer.

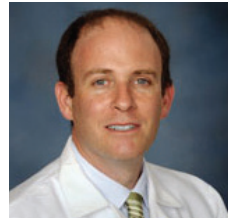

The University of Louisville PI is Neal Dunlap M.D., an Instructor in Radiation Oncology and specialist in lung and head and neck cancers.

Ronald McGarry

Neal Dunlap

Steven Feigenberg

Steven Feigenberg, M.D., Professor of Radiation Oncology, is the PI at University of Maryland where he currently serves as Director of Clinical Research and Director of the Stereotactic Body Radiotherapy Program.

Subsite update

Active:

- CHUM-Notre Dame Hospital
- Henry Ford Health System
- Lifespan Oncology Clinical Research
- Memorial Health University
- Ohio State University
- Penrose Cancer Center
- University of Kentucky
- University of Louisville Physicians
- University of Maryland
- UT Southwestern Medical Center
- West Clinic / University of Tennessee

Completed contracts and IRB approval:

- Anne Arundel Medical Center
- Intermountain Medical Center
- Ochsner Medical Center
- Ottawa
- Penn State (Mount Nittany Medical Center)
- Swedish Cancer Institute

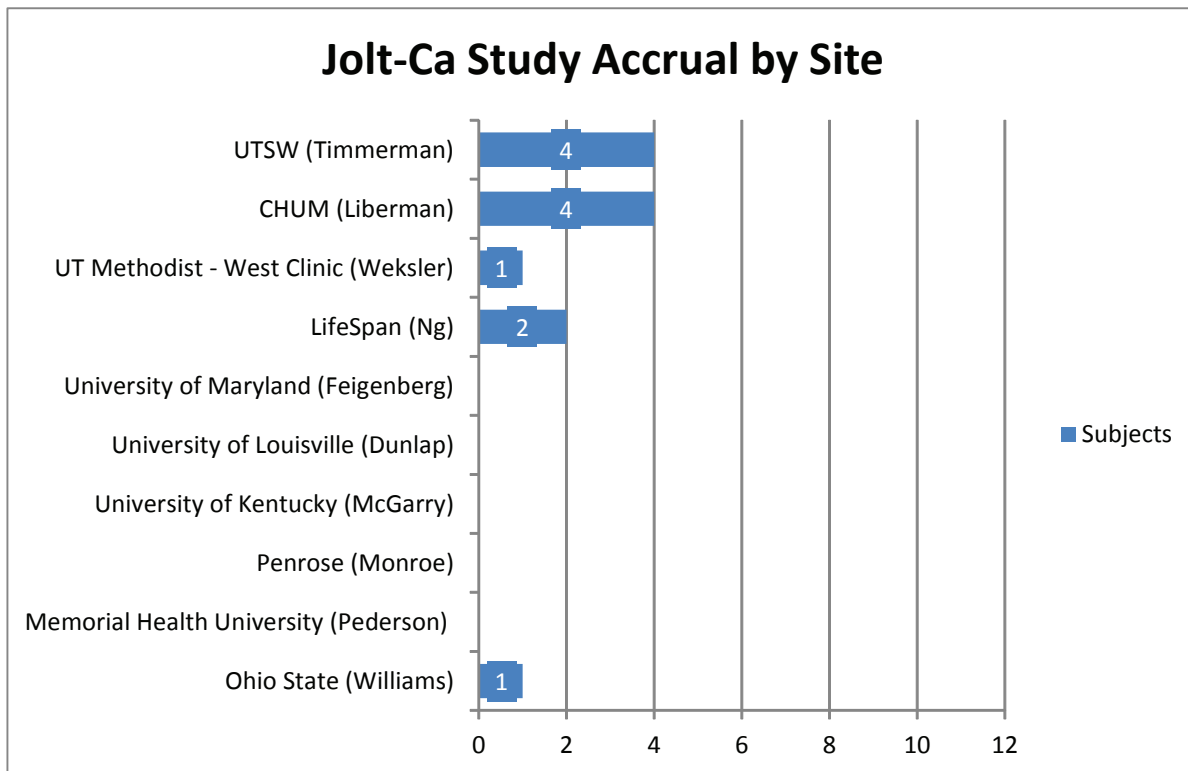

Completed contracts:

- Boston University
- Mayo Clinic Rochester
- Metro Minnesota
- Providence Health and Services
- Rutgers Cancer Institute of NJ
- University of Colorado

Save the Date: July 15

There will be a Jolt-Ca luncheon at the upcoming NRG meeting in Dallas for those that responded affirmatively to the electronic survey that was sent out. Dr. Robert Timmerman, study co-PI, will be presenting updates about the study and hosting a discussion from noon-1pm on July 15th at the Sheraton. If you have not responded and would like to attend, please contact Lynn Baker at Lynn.Baker@utsouthwestern.edu by June 24.

Remember that before the study is submitted for IRB review, changes to the informed consent document must be reviewed and approved by the UTSW regulatory coordinator. Please send the edited consent form to either Lynn Baker at Lynn.Baker@utsouthwestern.edu or Rossana Berrios at Rossana.Berrios@utsouthwestern.edu. Although the review may be done more quickly, please allow one business week for turnaround.
