Re: Academic Year 2022-2023 Children's House Staff Stipends

The Academic Year 2022-2023 Children's House Staff stipend levels are listed below. These amounts represent a 1.5% increase over the previously approved Academic Year 2021-2022 stipend levels, and also continue to represent a competitive rate above the 75th percentile in comparison to current national trainee stipend rates according to the most recently released Association of American Medical Colleges (AAMC) Stipends and Benefits Report.

Program Training Year	Stipend
1	\$66,024
2	\$68,638
3	\$71,456
4	\$74,335
5	\$77,310
6	\$80,431
7	\$83,216
8	\$85,296
