

Professional Outcomes: Organic Chemistry

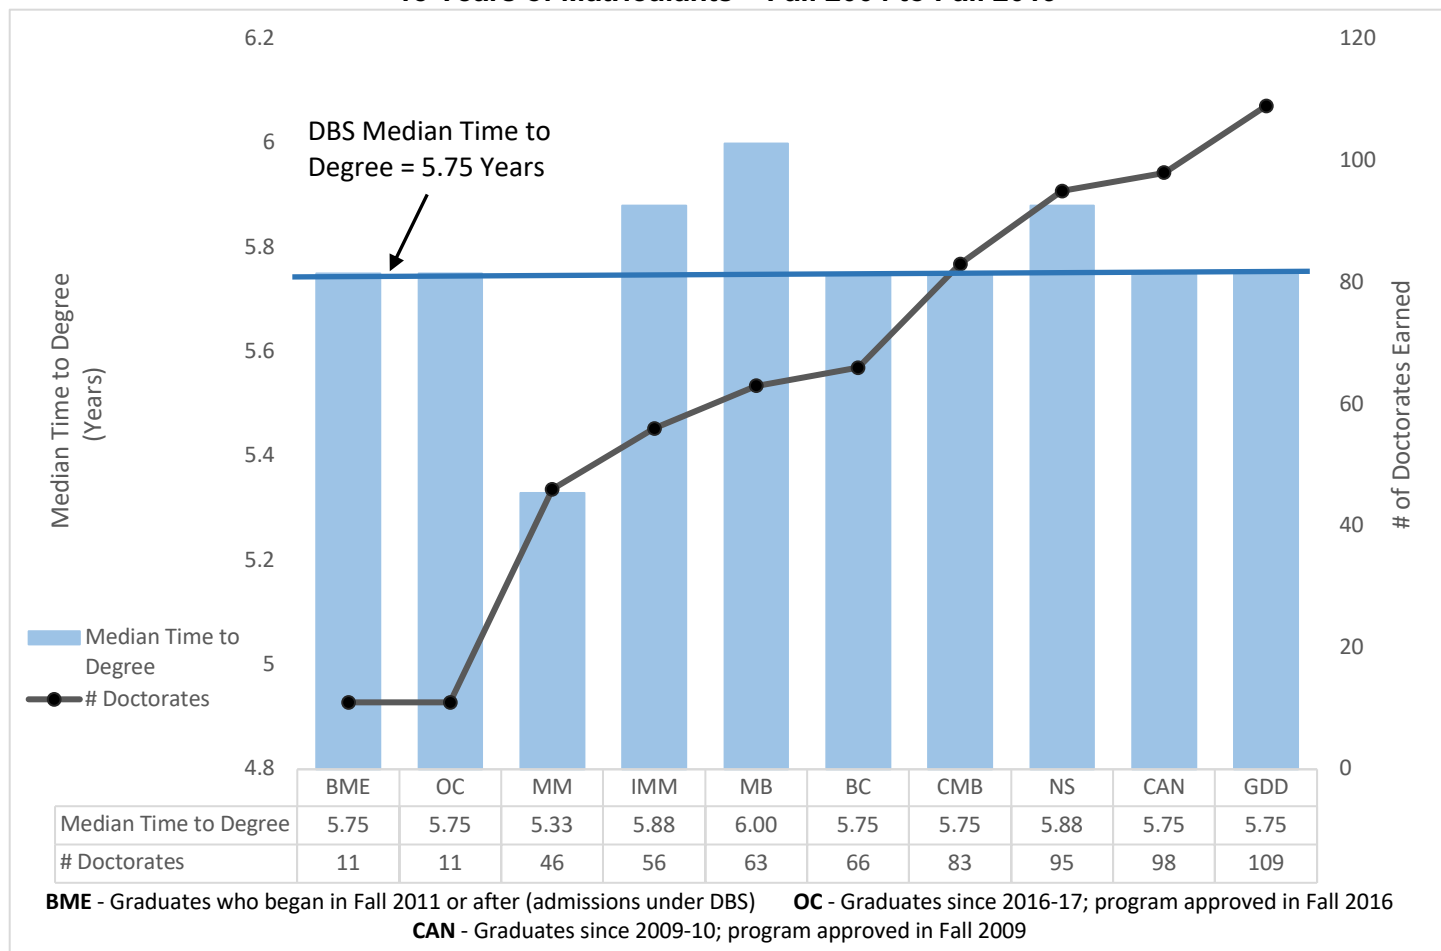

**Employers of Graduates:**

Boston University  
Ceutical Laboratories  
Constellation  
Pharmaceuticals

Harvard  
Incyte Corporation  
MIT  
OncoNano Medicine, Inc.

Peregrine Pharmaceuticals  
UT Southwestern

**Division of Basic Science  
Doctorates Earned and Time to Degree  
15 Years of Matriculants – Fall 2004 to Fall 2019**

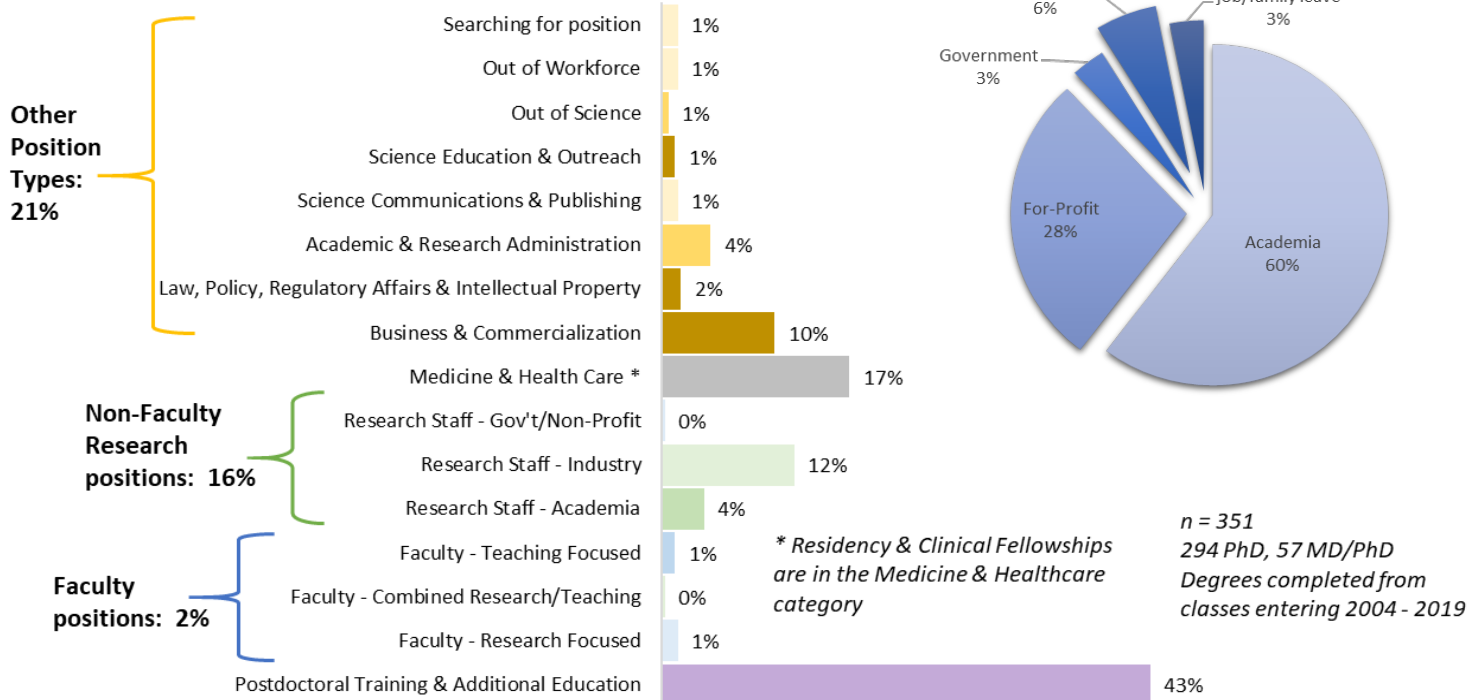

**Graduate Program Abbreviations:**

BC	Biological Chemistry
BME	Biomedical Engineering
CAN	Cancer Biology
CMB	Cell & Molecular Biology
GDD	Genetics, Development & Disease
IMM	Immunology
MB	Molecular Biophysics
MM	Molecular Microbiology
NS	Neuroscience
OC	Organic Chemistry

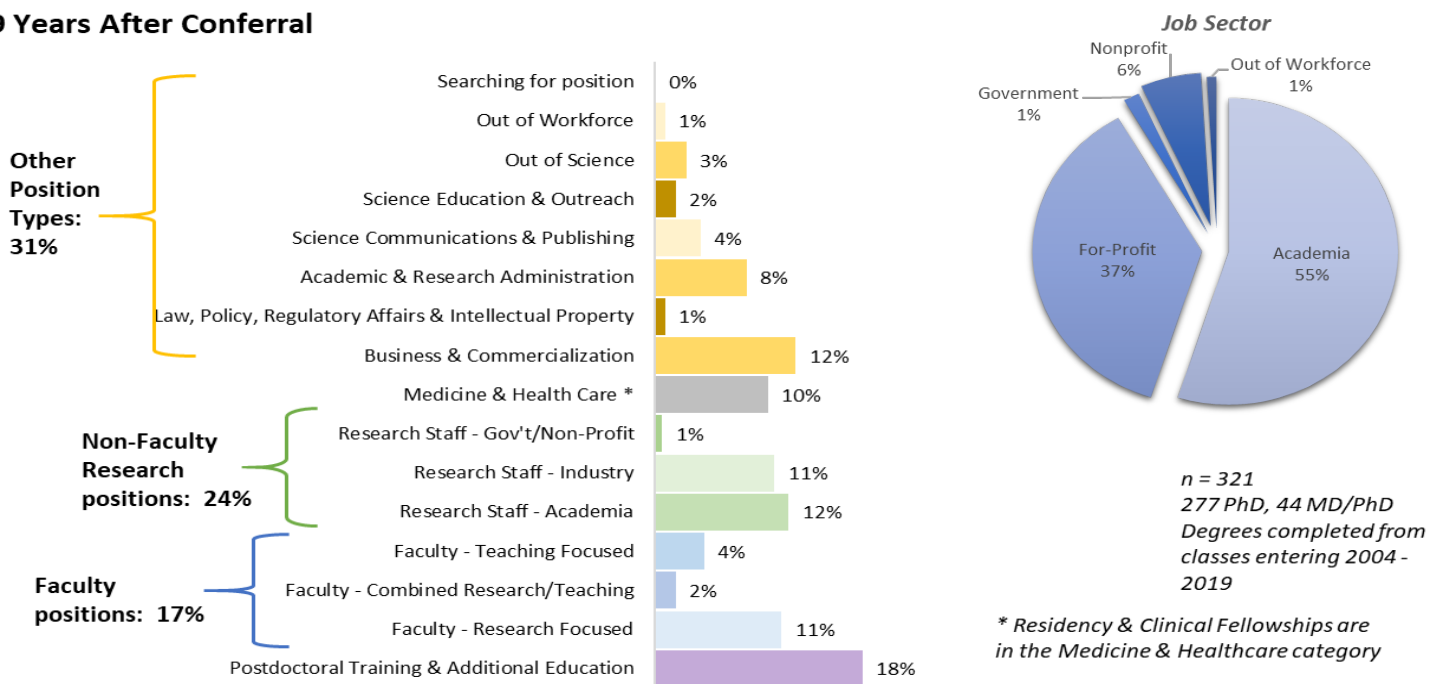

# Doctorates in Time to Degree chart excludes graduates from phased-out program

Division of Basic Science: Current Position Job Types and Sectors by Cohort

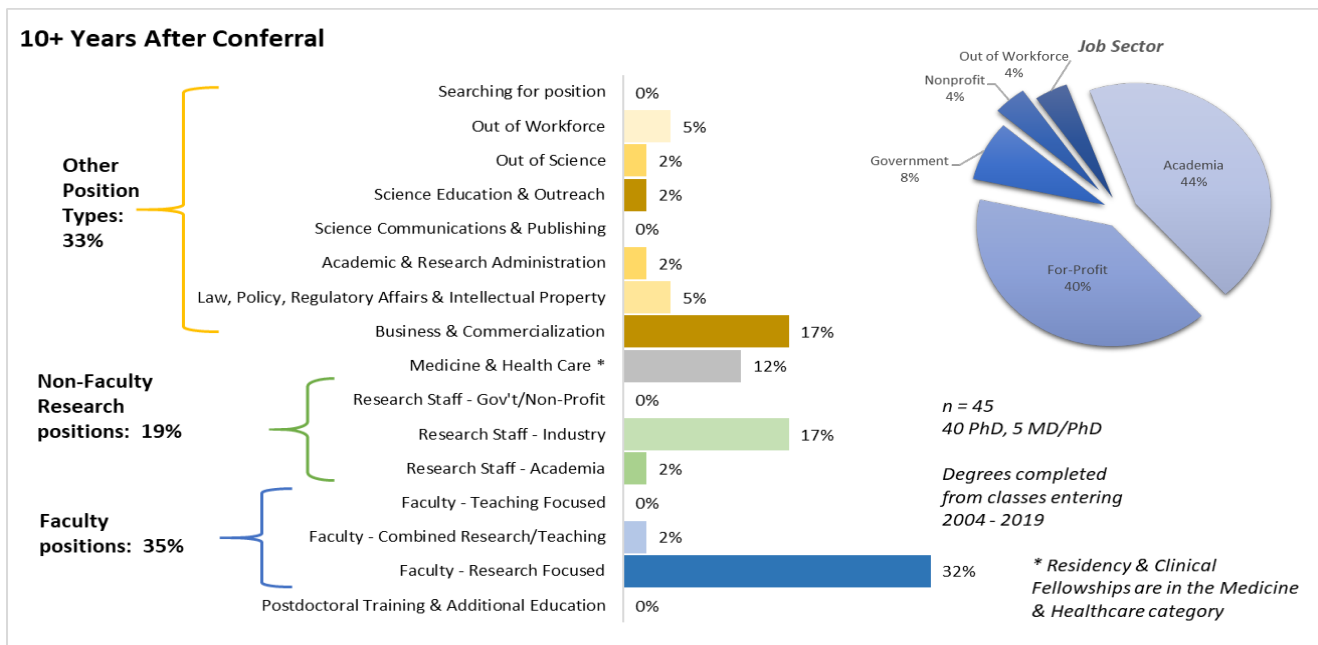

0 - 4 Years After Degree Conferral

5 - 9 Years After Conferral

Division of Basic Science: Current Position Job Types and Sectors by Cohort

Underrepresented Minority Graduates: 0 - 10+ Years After Degree Conferral
