Cardiovascular Biology Postdoctoral Scholar Position

A postdoctoral training position is available in the laboratory of Dr. Dian Cao, in the Department of Internal Medicine/Cardiology Division at UT Southwestern Medical Center to study cardiovascular biology. Our laboratory has several exciting projects related to immune response as the critical cause for heart diseases and the novel target for cardiac protection and regeneration.

Candidates must hold a Ph.D. and/or M.D. degree. Experience in molecular biology, cell biology, and immunology leading to publication in peer-reviewed journals is recommended but not an absolute requirement.

Information on our postdoctoral training program, benefits, and a virtual tour can be found at http://www.utsouthwestern.edu/postdocs.

Interested individuals should send a CV, statement of interests, and a list of three references to:

Dian Cao, M.D., Ph.D.
Associate Professor
Staff Cardiologist
UT Southwestern Medical Center
5323 Harry Hines Blvd.
VANTHCS
