Colorectal Surgery Clinical Research Post-doctoral Fellow

A postdoctoral training position is available in the laboratory of Javier Salgado-Pogacnik, MD and Fadwa Ali, MD, in the department of surgery, section of colorectal surgery at UT Southwestern Medical Center to study clinical outcomes in colorectal surgery patients. Our laboratory has several exciting projects related to benign and oncologic aspects of colorectal surgical diseases.

Candidates must hold a recent Ph.D. and/or M.D. degree. Experience in electronic database manipulation and interrogation and basic statistics leading to publication in peer-reviewed journals is recommended.

Information on our postdoctoral training program, benefits, and a virtual tour can be found at http://www.utsouthwestern.edu/postdocs.

Interested individuals should send a CV, statement of interests, and a list of three references to:

Fadwa Ali, MD
