Overview: This activity provides an opportunity to review and present what is relevant to primary care and up to date information that is applicable to day-to-day practice. In this discussion we will:

1. Participants will gain understanding of the multiple types of pain, as well as how the "meaning" of pain is influenced by context and culture for each patient
2. Participants will be guided through interpretation of selected art pieces to explore how chronic pain sufferers express their pain experiences.
3. Participants will explore unique features of how children express pain, and utility of patient-generated art in understanding pain experience

UT Southwestern Family Medicine Grand Rounds provide an updated scientific knowledge foundation which will enhance diagnosis and treatment in the care of our patients.

Accreditation and Credit Designation Statement: The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Texas Southwestern Medical Center designates this live activity for 1.0 *AMA PRA Category 1 Credit(s)*[™] and up to 1.00 prescribed credit(s) by the AAFP. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
