20th Annual

Paul C. Peters Urology Symposium

Target Audience

The symposium is designed for urologists and urologic healthcare professionals who wish to enhance their knowledge of the current diagnostic and therapeutic modalities in urology.

Purpose and Content

This symposium will review current recommendations, issues, and controversies in the management of urologic conditions, with an emphasis on topics relevant to the general urologist. Breakout sessions will focus on the management and therapeutic modalities of selected disease processes. Additionally, management of practical cases in urology will be reviewed, with audience participation.

Educational Objectives

Upon completion of this symposium, the participants should be able to link the educational objectives to Core Competencies (Medical Knowledge and Patient Care) and be able to:

- Discuss management of advanced prostate cancer
- Discuss management of early stage kidney cancer
- Review applications of MRI to management of urologic cancers
- Discuss management of balanitis xerotica obliterans and penile curvature disorders
- Describe medical and surgical approaches to management of vaginal mesh and sling complications
- Review the concepts involved in cancer survivorship
- Identify the latest development in care of patients with benign prostatic disease
- Review the latest developments and treatment strategies for the overactive bladder
- Identify the need for more hospital transparency in data reporting to allow better consumer choice regarding their health needs

Accreditation

The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

The University of Texas Southwestern Medical Center designates this live activity for a maximum of **17.50 AMA PRA Category 1 Credit(s)TM** and **1 hour of medical ethics**. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The University of Texas Southwestern Medical Center designates the presentation titled "How Patients Choose Us: Medicine's New Era of Transparency and Quality" for 1 hour in medical ethics and/or professional responsibility.

UT Southwestern University Hospitals is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This activity provides 17.50 contact hours.

Conflict of Interest

All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity.

Discussion of Off-Label Use

This course is meant to educate physicians with what is currently in use and what may be available in the future. There may be "off-label" use discussed in the activity. Speakers have been requested to inform the audience when off-label use is discussed.

Registration

The registration fee entitles the participant admission to the conference, all course materials, continental breakfast, lunch and refreshment breaks during the meeting.

Enrollment is confirmed upon receipt of registration fee. Registration cannot be processed without payment. Please register early. **Course materials are not guaranteed for registrations received after January 17, 2014.**

Refund Policy

A \$50 handling fee will be deducted from cancellation refunds. Refund requests must be received by email or fax prior to January 17, 2014. **No refunds will be made thereafter.**

Cancellation Policy

The Office of Continuing Medical Education reserves the right to limit registration and cancel courses, no less than one week prior to the course, should circumstances deem necessary.

The Hall of State
3939 Grand Avenue
Dallas, TX 75210

Its original name was the State of Texas Building. Eventually designed by Donald Barthelme, the building is a premier example of Cret's Modernism. That is a reference to noted designer Paul Cret, who was the design consultant for the project. The design blends classicism and Art Deco – with a few Texas motifs (cacti, oil wells) tossed in for good measure. Crafted from Texas limestone, The Hall of State was, at a cost of \$1.2 million, the most expensive building per square foot built in Texas at the time. The signature element of the building's exterior is the 11-foot-tall statue of a Tejas Indian poised above the main entrance. Artist Allie Tennant made the statue of bronze and covered it with gold leaf. Meanwhile, the bronze doors feature designs that represent Texas industries and activities – a cowboy's lariat, cotton bolls and wheat sheaves, among others. 59 Texans are honored in the frieze around the top of the building.
