Waiver of Health Insurance Coverage

CERTIFICATION OF HEALTH INSURANCE COVERAGE OUTSIDE UT SOUTHWESTERN

I have elected to waive my health insurance coverage. My signature below certifies I have current group health insurance with an outside provider that is comparable in coverage to the UT plan I am waiving. I am aware I must provide proof of active outside group health insurance* before my request will be processed.

Last Name (Please Print)

Name (Please Print)

Employee ID # or Benefit ID Number

Work Phone

Name of Health Insurance Plan/Provider

Effective Date of Health Insurance Coverage

***Acceptable proof of outside health coverage includes:**

- (1) Letter from employer indicating names of individuals covered on medical plan, confirmation that coverage is presently active, along with a valid copy of the health plan card showing coverage levels and plan type; or
- (2) Most recent payroll check stub showing health insurance deduction along with a valid copy of the health plan card reflecting names of covered individuals, coverage levels and plan type. If you are not the primary insured, you must also provide supporting documentation verifying your relationship (i.e., copy of marriage license, copy of birth certificate).

A copy of an insurance card without effective date and current coverage verification is not acceptable proof of active group health insurance coverage.

APPLYING PREMIUM SHARING TO OPTIONAL COVERAGE

When waiving health insurance coverage, I understand I am entitled to utilize \$283.48 (if full-time, 40 hours per week) or \$141.74 (if part-time, less than 40 hours per week) in premium sharing toward the following optional coverage for Employee and Dependent(s):

- ◆ UT Select Dental, UT Select Dental Plus, and DeltaCare USA Dental HMO
- ◆ Superior Vision, Superior Vision Plus
- ◆ Regular Accidental Death and Dismemberment - Dearborn National

NOTE: The premium deduction associated with the faculty life and accidental death and dismemberment coverage through The Standard Insurance Company are post-tax. Premium sharing dollars are pre-tax dollars and therefore may not be applied to the faculty supplemental plans.
