Target Audience
Primary care providers, nurse practitioners, physician assistants and specialists in Internal Medicine and Family Practice seeking updates in practical knowledge relating to patient care.

Purpose and Content
The Update in Internal Medicine is a program emphasizing topics requested by our referring physicians, controversies arising from journal clubs, and posed by our trainees. The program highlights diagnostic and therapeutic solutions based on the most recent clinical science. The goals is to provide state-of-the-art practical advice on issues identified as frequent items for consultation and second opinions, as well as new advances in applying molecular techniques in translational medicine.

Educational Objectives
Upon completion of this symposium, the participants should be able to link the educational objectives to Core Competencies (Medical Knowledge and Patient Care) and be able to:

- Utilize routine testing of electrolytes to understand subclinical acid base disturbances
- Review primary care aspects of chronic kidney disease
- Integrate new guidelines in management of hemodialysis
- Utilize the current ACCP guidelines for management and diagnosis of pulmonary embolism
- Discuss the ethical principles of end-of-life care
- Utilize evidence-based guidelines for fluid management
- Translate into direct patient care the basis of treating low testosterone states
- Implement current strategies for hypercoagulable states
- Understand advances in medical informatics, health information exchange and technological areas of research that will improve patient care.

Educational Interest
Physicians and healthcare professionals interested in the newest advances in medical informatics or other technological areas of research that will improve patient care.

Accreditation
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Texas Southwestern Medical Center designates this live activity for a maximum of 15.50 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Conflict of Interest
All persons in a position to control the content of an educational activity are required to disclose all relevant financial relationships with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients along with that of their spouses or significant other. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity.

Discussion of Off-Label Use
This course is meant to educate physicians with what is currently in use and what may be available in the future. There may be “off-label” use discussed in the activity. Speakers have been requested to inform the audience when off-label use is discussed.

Registration
The registration fee entitles the participant to admission to the conference, all course materials, continental breakfast, lunch and refreshment breaks during the meeting.

Refund Policy
A $50 handling fee will be deducted from cancellation refunds. No refunds will be made thereafter.

Aronofsky Lecture
The lecture honors Julie A. Aronofsky, Ph.D., a longtime Dallas educator and information. The series is dedicated to the discussion of current medical informatics developments and their application to treatment moderation. The purpose is to provide speakers who are leading scholars and practitioners in the field. The presentation is intended to give physicians and other health care professionals exposure to advanced technologies being applied to the care of patients.

Target Audience
Physicians and healthcare professionals interested in the newest advances in medical informatics or other technological areas of research that will improve patient care.

Purpose and Content
The purpose of this lecture is to educate physicians and healthcare professionals in the newest advances in medical informatics, health information exchange and technological areas of research that will improve patient care.

Accreditation
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Continuing Education Information
The University of Texas Southwestern Medical Center designates this live activity for a maximum of 15.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Conflict of Interest
All persons in the position to control the content of an educational activity are required to disclose all relevant financial relationships in any amounts occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients along with that of their spouses or significant other. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity.

Discussion of Off-Label Use
This course is meant to educate physicians with what is currently in use and what may be available in the future. There may be “off-label” use discussed in the activity. Speakers have been requested to inform the audience when off-label use is discussed.

Registration
The registration fee entitles the participant admission to the conference, all course materials, continental breakfast, lunch and roundtable breaks during the meeting. Enrollment is confirmed upon receipt of registration form/tax. We are unable to process any registration without payment. Please register early. We cannot guarantee course materials on site if you register late. No refunds will be made after April 14, 2014.

Refund Policy
A $50 handling fee will be deducted from cancellation refunds. Refund requests must be received by mail or fax prior to April 14, 2014. No refunds will be made thereafter.

The University of Texas Southwestern Medical Center is committed to providing information, or mark the space indicated on the registration form. To ensure accommodation, we accommodate people with disabilities. Please call 214-648-3188 for more information, or mark the space indicated on the registration form. To ensure accommodation, please register as soon as possible.

The University of Texas Southwestern Medical Center is committed to providing programs and activities to all persons regardless of race, color, national origin, religion, sex, age, or veteran status, or disability.
Friday, April 25, 2014

8:00 am  Reflux and Dyspepsia - Rozina Mithani, M.D.
9:20 am  Fatty Liver - Jeffrey Browning, M.D.
10:00 am  Multiple Myeloma - Larry Anderson, M.D., Ph.D.
11:25 am  Gout - Salahuddin (Dino) Kazi , M.D.
12:00 noon  Lunch
2:05 pm  Screening for Coronary Artery Disease - Amit Khera, M.D.
3:40 pm  Initiating Treatment for Diabetes Mellitus - Ildiko Lingvay, M.D.
5:40 pm  Rhematology - Moderator: Gourab Gupta, M.D.
5:20 pm  Infectious Diseases - Moderator: Mark Swaminathan, M.D., Ph.D.
6:00 pm Update in Vascular Medicine - Andrew Rohatgi, M.D.
7:30 pm  Parklink Lockup - Daniel S. Lewis, M.D.
8:00 pm  Panel Discussion of Unresolved Questions

Saturday, April 26, 2014

9:00 am  Update in Cardiology - Moderator: Steven Hoffmann, M.D.
10:05 am  Update in Pulmonary Medicine - Mark Swaminathan, M.D.
12:00 noon  Lunch
2:00 pm  Update in Infectious Diseases - Moderator: Salahuddin (Dino) Kazi, M.D.
3:30 pm  Update in Endocrinology - Moderator: Elizabeth King, M.D.
5:00 pm  Update in Gastroenterology - Moderator: Rozina Mithani, M.D.
6:00 pm  Update in Rheumatology - Moderator: Gourab Gupta, M.D.
Update in Internal Medicine

Thursday-Saturday
April 24-26, 2014

UT Southwestern Medical Center
T. Boone Pickens Biomedical
Building Auditorium
6001 Forest Park Road
Dallas, Texas 75390

COURSE DIRECTOR
Jonathan C. Weissler, M.D.
Chief of Medicine, UT Southwestern University Hospitals
Professor and Vice Chairman, Department of Internal Medicine

Register online at utsouthwestern.edu/internalmedicineupdate

Target Audience
Primary care providers, nurse practitioners, physician assistants and specialists in Internal Medicine and Family Practice seeking updates in practical knowledge relating to patient care.

Purpose and Content
The Update in Internal Medicine is a program emphasizing topics requested by referring physicians, controversies arising from journal clubs, and posed to our trainees. This program highlights diagnostic and therapeutic solutions based on the most recent clinical science. The goals is to provide state-of-the-art practical advice on issues identified as frequent items for consultation and second opinions, as well as new advances in applying molecular techniques in translational medicine.

Educational Objectives
Upon completion of this symposium, the participants should be able to link the educational objectives to Core Competencies (Medical Knowledge and Patient Care) and be able to:

- Utilize routine testing of electrolytes to understand subclinical acid base disturbances
- Review primary care aspects of chronic kidney disease
- Integrate new guidelines in management of thyroidal disorders
- Utilize the current ACCP guidelines for management and diagnosis of pulmonary embolism
- Discuss the ethical principles of end-of-life care
- Utilize evidence-based guidelines for fluid management
- Translate into direct patient care the basis of treating low testosterone states
- Implement current strategies for hypercoagulable states

Aronofsky Lecture
The lecture honors Julius S. Aronofsky, Ph.D., a longtime Dallas educator and informatician. The series is dedicated to the discussion of current medical informatics developments and their application to treatment modalities. The purpose is to provide speakers who are leading scholars and practitioners in the field. The presentation is intended to give physicians and other healthcare professionals exposure to advanced technologies being applied to the care of patients.

Purpose and Content
The purpose of this lecture is to educate physicians and healthcare professionals in the newest advances in medical informatics or other technological areas of research that will improve patient care.

Target Audience
Physicians and healthcare professionals interested in the newest advances in medical informatics or other technological areas of research that will improve patient care.

Accreditation
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACME) to provide continuing medical education for physicians. The University of Texas Southwestern Medical Center designates this live activity for a maximum of 15.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Education Information
The University of Texas Southwestern Medical Center designates the presentations titled "Ethical Issues at End of Life" and the "Aronofsky Lecture" for 1 hour in medical ethics and/or professional responsibility.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Conflict of Interest
All persons in the position to control the content of an educational activity are required to disclose any relevant financial relationships in any amounts occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients along with that of their spouses or significant other. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity.

Discussion of Off-Label Use
This course is meant to educate physicians with what is currently in use and what may be available in the future. There may be "off-label" use discussed in the activity. Speakers have been requested to inform the audience when off-label use is discussed.

Registration
The registration fee entitles the participant admission to the conference, all course materials, continental breakfast, lunch and refreshment breaks during the meeting.

Refund Policy
A $50 handling fee will be deducted from cancellation refunds. Refund requests must be received in full no later than April 14, 2014. No refunds will be made thereafter.
