Register on-line at utsouthwestern.edu/paulcpetersurologysymposium
The symposium is designed for urologists and urologic allied health professionals who wish to enhance their knowledge of the current diagnostic and therapeutic modalities in urology.

**Purpose and Content**
The symposium will include recommended sessions and topics in the management of urologic conditions, with an emphasis on topics relevant to the practicing urologist. Didactic sessions will focus on the management and therapeutic modalities of selected disease processes. Live surgical cases will be televised and modeled to emphasize important aspects of patient selection and surgical technique. Additionally, management of other urologic conditions in urology will be reviewed, with audience participation.

**Educational Objectives**
Upon completion of this symposium, the participants should be able to link the educational objectives to Core Competencies (Medical Knowledge and Patient Care) and be able to:
- Identify and diagnose patients with pelvic floor disorders through exam, imaging, and undetermined where appropriate.
- Diagnose and surgically treat urologic trauma to maintain homeostasis and restore/repair urinary drainage. Identify complex patients that require referral to a subspecialty.
- Identify patients with kidney stones who should undergo metabolic evaluation, recognize the components of a metabolic evaluation, and interpret the results, and initiate prevention and/or therapy.
- Evaluate patients with urothelial junction obstruction and recognize what patients should undergo endoscopic, minimally invasive, or open surgical repair.
- Recall and integrate emerging biomarkers and genomic tests in the risk stratification and treatment of patients with prostate cancer.
- Discuss management of patients with localized and advanced prostate, renal cell, and renal cancers.
- Review recent updates to AUA clinical guidelines.
- Apply latest advances in testosterone replacement therapy and maintenance of bone health in men with and without prostate cancer.
- Integrate latest guidelines on management of pelvic reflux and cryptorchidism.

**Accreditation**
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit Designation**
The University of Texas Southwestern Medical Center designates this live activity for a maximum of 17.50 AMA PRA Category 1 Credit(s)™ and 17.50 MOC Part III Credit(s). This activity is also approved by the American Board of Internal Medicine (ABIM) as a QI/CME requirement for Maintenance of Certification (MOC).

**Conflict of Interest**
All persons in the position to control the content of an educational activity are required to disclose any relevant financial relationships with commercial interests in any amount occurring within the past 12 months with any entity producing, marketing, selling, or distributing health care goods or services consumed by patients. A primary mechanism to review identified conflicts of interest is a content review that is prior to the activity.

**Discussion of Off-Label Use**
This course is intended to educate physicians with what is currently in use and what may be available in the future. There may be no "off-label" use discussed in this activity. Seeker attendees have been requested to inform the audience when an off-label use is discussed.

**Registration**
The registration fee entitles the participant admission to the conference, all courses, meals, continental breakfast, lunch, and refreshment breaks during the meeting. Enrollments are confirmed upon receipt of registration fee. Registration cannot be processed without payment. Please register early. Course materials are not guaranteed for registrations received after January 10, 2015.

**Refund Policy**
A $50 handling fee will be deducted from cancellation refunds. Refund requests must be received by email 10 days prior to January 10, 2015. No refunds will be made thereafter.

**Cancellation Policy**
The Office of Continuing Medical Education reserves the right to limit registrations and cancel courses due to unforeseen circumstances. Please check the registration web site carefully after January 1, 2015.

**Symposium Location**
UT Southwestern Medical Center
T. Boone Pickens Biomedical Auditing Building
6001 Forest Park Road
Dallas, TX

**Accommodations**
Crowne Plaza Market Center
7505 N. Stemmons Freeway
Dallas, TX
214-860-4631

**Conference**
Designed to meet the needs of corporate and leisure travelers, this elegant high-rise hotel is one of the area’s best.

A special rate of $79 plus applicable state and local taxes has been secured for the meeting. Attendees have reservations directly with the hotel or through The Central Reservation Office, at 1-877-227-6963 on an individual basis, identifying themselves as members of "UT Southwestern MEDICAL CENTER AT DALLAS: 21st Annual Paul C. Peters Urology Symposium.”

Dallas World Aquarium
1891 N. Griffin St.
Dallas, TX 75202
www.dwaaq.com

The Dallas World Aquarium is a for-profit aquarium and zoological facility located in the West End Historic District of downtown Dallas, Texas. DLAA offers conservation and education by housing many animals that are threatened or endangered as part of a cooperative breeding program with other zoos around the world. It has been an accredited member of the Association of Zoos and Aquariums since 1997, and is a member of the World Association of Zoos and Aquariums.

**Additional Information**
For additional information, please call The Office of Continuing Medical Education, 214-648-3138, 1-800-688-8678, or email cme@utsouthwestern.edu.

To obtain information on other UT Southwestern programs, visit the Office of Continuing Medical Education’s website at utcme.utsouthwestern.edu.

For a free email subscription of The Office of Continuing Medical Education’s monthly calendar, send your name, medical specialty, and current email address to: cme@utsouthwestern.edu.

**Program Accessibility**
We accommodate the special need of hearing-impaired patients. Please call 214-648-3138 for more information, or mark the space indicated on the registration form. To ensure accommodation, please register as soon as possible.

The University of Texas Southwestern Medical Center is committed to providing programs and activities to all persons free of race, color, national origin, religion, sex, age, veteran status, or disability.

Target Audience
The symposium is designed for urologists and urologic allied health professionals who wish to enhance their knowledge of the current diagnostic and therapeutic modalities in urology.

Purpose and Content
This symposium is supported by educational recommendations, issues, and controversies in the management of urologic conditions, with an emphasis on topics relevant to the practice of urology. Didactic sessions will focus on the management and therapeutic modalities of selected disease processes. Live surgical cases will be televised and modeled to emphasize important aspects of patient selection and surgical technique. Additional management of practical cases in urology will be reviewed, with audience participation.

Educational Objectives
Upon completion of this activity, the participants should be able to link the educational objectives to Core Competencies (Medical Knowledge and Patient Care) and be able to:
- Identify and diagnose patients with pelvic floor disorders through exam, imaging, and urodynamic studies.
- Diagnose and surgically treat urologic trauma to maintain homeostasis and restore/preserve urinary drainage. Identify complex patients that require referral to a subspecialist.
- Identify patients with kidney stones who should undergo metabolic evaluation, recognize the components of a metabolic evaluation, interpret the results, and institute prevention and/or therapy.
- Evaluate patients with urostomy and obstruction and recognize what patients should undergo endoscopic, minimally invasive, or open surgical repair.
- Recall and integrate emerging biomarkers and genomic testing in the risk stratification and treatment of patients with prostate cancer.
- Discuss management of patients with localized and advanced unfalsified, prostate, and renal cancers.
- Review recent updates to AUA clinical guidelines.
- Apply latest advances in testosterone replacement therapy and management of bone loss in men with and without prostate cancer.
- Integrate latest guidelines on management of pelvic reflux and cryptorchidism.

Accreditation
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation
The University of Texas Southwestern Medical Center designates this live activity for a maximum of 17.5 AMA PRA Category 1 Credit™ and 1 hour of educational activity credit. This activity is in compliant with the requirements of the Texas UPLA and the American Urological Association (AUA) for 24 hours in medical ethics and/or professional responsibility.

UT Southwestern University Hospitals is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

This activity provides 15.00 contact hours.

Conflict of Interest
All persons in the position to control the content of an educational activity are required to disclose to the audience any relevant financial relationships with any commercial interests that may exist with the extent of their participation in the activity. The University of Texas Southwestern Medical Center designates the presentation listed below entitled "Challenging Urology Cases" for 1 hour in medical ethics and/or professional responsibility.

UT Southwestern University Hospitals is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

This activity provides 17.50 contact hours.

Discussion of Off-Label Use
The course is meant to educate physicians with what is currently in use and what may be available in the future. The term "off-label" use is discussed in the activity. Speakers have been requested by the audience to report any use of investigational drugs, biologics, devices, and medical devices or other products not approved by the FDA. Physicians should be aware of these products and the potential risks associated with their use.

Program Accessibility
We accommodate our audio-visual slides. Please call 214-648-3383 for more information or mark the space indicated on the registration form. To ensure accessibility, please register as soon as possible.

Registration
The registration fee entitles the participant admission to the conference, all course materials, continental breakfast, lunch, and refreshment breaks during the meeting.

Enrollment is confirmed upon receipt of registration fee. Registration cannot be processed without payment. Please register early. Course materials are not guaranteed for registrations received after January 10, 2015.

Content Review That is Prior to the Activity. Speakers have been requested to inform the audience when an entity producing, marketing, re-sells, or distributes drugs, medical devices, or biologics has a financial relationship with the speaker. The symposium will review current recommendations, issues, and controversies in the management of urologic conditions, with an emphasis on topics relevant to the practice of urology. Didactic sessions will focus on the management and therapeutic modalities of selected disease processes. Live surgical cases will be televised and modeled to emphasize important aspects of patient selection and surgical technique. Additional management of practical cases in urology will be reviewed, with audience participation.

It has been an accredited member of the Association of Zoos and Endangered Species since 1962. It is also a recognized Site of the National Wildlife Refuge System. The Dallas World Aquarium is a for-profit aquarium and zoo located in the West End Historic District of downtown Dallas, Texas. UPA is dedicated to conservation and education by having many animals that are threatened or endangered as part of a cooperative breeding program with other zoos around the world. It has been an accredited member of the Association of Zoos and Aquariums since 1997, and it is a member of the World Association of Zoos and Aquariums.

Additional Information
For additional information, please call The Office of Continuing Medical Education, 214-648-3138, 1-800-689-8978, or email cmeinfo@uth.tmc.edu.

To obtain information on other UT Southwestern programs, visit the Office of Continuing Medical Education’s website at www.cme.uth.tmc.edu.

For a free email subscription of The Office of Continuing Medical Education’s monthly calendar, send your name, medical specialty, and current email address to cmecalendar@utsouthwestern.edu.

Refund Policy
A $30 handling fee will be deducted from cancellation refunds. Refund requests must be received by email at least 30 days prior to January 10, 2015. No refunds will be made thereafter.

Cancellation Policy
The Office of Continuing Medical Education reserves the right to limit registrations and cancel courses if insufficient enrollment occurs. A 1 week prior to the course, the program coordinator reserves the right to cancel the program or to make appropriate changes in the program due to unforeseen circumstances.
