

UT Southwestern Research & Health Careers Conference

(former Pre-Med Conference)

Sponsored by UT Southwestern
Office of Student Diversity and Inclusion

Saturday, September 22, 2018

8:00am - 3:00pm

Conference will cover an array of topics including:

- Ph.D. – How can I use a Ph.D.?
- Researcher / Scientist – How can I make an impact in science and medicine?
- M.D. – How can I manage admissions to interviews to transitioning to medical school?
- Physician Assistant and Physical Therapist – What do they do? Is this for me?
- Prosthetics-Orthotics • Rehabilitation Counseling • Radiation Therapy • Clinical Nutrition –
What are the career options for me in these fields?

Meet the Deans, Faculty and Students from all three of UT Southwestern's Schools:

Medical School
Graduate School of Biomedical Sciences
School of Health Professions
