Sample Name	Amt (pmol)	Vol (μ L)	Est. Mwt (if known)	Solution Composition	Detergents

Special handling: Temperature: _____
Biological Hazard: _____
Radioactivity: _____

Storage: RT ____ 4°C ____ -20°C ____

Please indicate the desired analysis:

I. MALDI-TOF Analysis

___ Peptide mass map (for protein ID or PTM)
___ Protein digestion from gel

___ Intact protein mass determination

___ Pure or synthetic peptide mass determination

II. ESI-MS Analysis

___ Intact protein mass determination

___ PTM analysis
Details: _____

___ Peptide sequencing by MS/MS

Special Instructions (if any) _____

PCTC Use Only
