UT Southwestern Wellstone Muscular Dystrophy Center
Duchenne Muscular Dystrophy Clinical Symposium

Friday August 26, 2016
William T and Gay F Solomon Education Center Auditorium
Clements University Hospital
Dallas, Texas

9:00   Continental breakfast
9:30   Welcome and description of program
       Eric N. Olson, PhD
       Pradeep P. A. Mammen, MD
       Susan T. Iannaccone, MD
       Rhonda Bassel-Duby, PhD

9:45   Key Note Address
       Gene editing: An innovative therapy for DMD
       Eric N. Olson, PhD

10:15  Disease in a Dish: Precision Medicine and
       Permanent Gene Correction by Myoediting
       Jay W. Schneider, MD, PhD

10:45  Coffee break

11:15  Clinical trials and DMD
       Jerry Mendell, MD

11:45  DMD associated cardiomyopathy
       Pradeep P. A. Mammen, MD

12:15  Lunch

1:30   Pulmonary management of DMD/BMD
       Peter N. Schochet, MD

2:00   Lifestyle recommendations
       Christopher Flores, RD, LD

2:15   Exercise and muscle pain
       Leslie Nelson, PT, MPT, OCS

2:45   Coffee break

3:00   Panel discussion
       Rhonda Bassel-Duby, PhD
       Christopher Flores, RD, LD
       Susan T. Iannaccone, MD
       Pradeep P. A. Mammen, MD
       Jerry Mendell, MD
       Leslie Nelson, PT, MPT, OCS
       Eric N. Olson, PhD
       Jay W. Schneider, MD, PhD
       Peter N. Schochet, MD

4:00   Adjourn
Symposium Directors:
Eric N. Olson, PhD
Co-Director: UT Southwestern Senator Paul D. Wellstone Muscular Dystrophy Cooperative Research Center
Director: Hamon Center for Regenerative Science and Medicine
Professor and Chair of Molecular Biology, UT Southwestern Medical Center

Pradeep P.A. Mammen, MD
Co-Director: UT Southwestern Senator Paul D. Wellstone Muscular Dystrophy Cooperative Research Center
Medical Director: Neuromuscular Cardiomyopathy Clinic
Director: Translational Research for the Advanced Heart Failure and Transplant Cardiology Program
Associate Professor of Internal Medicine, UT Southwestern Medical Center

Susan T. Iannaccone, MD
Associate Director: UT Southwestern Senator Paul D. Wellstone Muscular Dystrophy Cooperative Research Center
Medical Director: MDA Clinic at Children’s Medical Center Dallas
Professor of Pediatrics and Neurology and Neurotherapeutics, UT Southwestern Medical Center

Guest Faculty:
Jerry R. Mendell, MD
Director: Center for Gene Therapy
Director: Neuromuscular Disorders
Professor of Neurology, Pathology, and Pediatrics
Dwight Peters and Juvanta Juvanta Chair in Pediatric Research
Research Institute at Nationwide Children’s Hospital Ohio State University

UT Southwestern Faculty:
Rhonda Bassel-Duby, PhD
Associate Director: Hamon Center for Regenerative Science and Medicine
Professor of Molecular Biology, UT Southwestern Medical Center

Christopher Flores, RD, LD
Clinical Dietitian
Clinical Nutrition
MDA Clinic at Children’s Medical Center Dallas

Leslie Nelson, PT, MPT, OCS
Assistant Professor of Physical Therapy, UT Southwestern School of Health Professions
Neuromuscular PT & Clinical Evaluator, MDA Clinic at Children’s Medical Center Dallas

Joy W. Schneider, MD, PhD
Associate Director: Hamon Center for Regenerative Science and Medicine
Associate Professor of Medicine UT Southwestern Medical Center

Peter N. Schachet, MD
Clinical Assistant Professor of Pediatric Respiratory Medicine
UT Southwestern Medical Center & Children’s Medical Center Dallas
