## Appeals

Appeal parking citations electronically via the [Parking Portal](#).

Appeals for citations older than 30 days will not be considered. Appellants have the right to appear in person before an appeals committee. It is the appellant's responsibility to request to be scheduled for the next committee meeting by emailing [parkingservices@utsouthwestern.edu](mailto:parkingservices@utsouthwestern.edu). If you fail to schedule or appear your appeal will be read without you.

The Parking Citation Appeals Committee meets monthly to review submitted appeal forms and rule on cases. The appeals committee reviews an appeal by considering facts such as the type of violation, previous tickets, area signage, existing parking permit, and the appellants. The committee then chooses one of four options:

- Reduce the citation to a warning and waive the fine amount.
- Uphold the citation but reduce the fine amount.
- Uphold the citation and keep fine amount as written.
- Void the citation.

Keep your explanation as short as possible while still providing pertinent information. Consult [Policy FSS-257 Campus Parking](#) to ensure your appeal is well-founded and that you are familiar with the violation for which your vehicle was cited. Results are emailed directly to the appellant.

Common reasons for **unsuccessful** appeals:

- Lack of knowledge of the rules or regulations
- Disagreement with Parking policy or fees
- Unavailability of legal parking space
- Failure to purchase any permit or the appropriate permit
- Inclement weather
- Late arrival for class, meeting, appointment, or work
- First parking violation on campus
- Non-receipt of citation
- Other vehicles were also parked improperly
- Only parked illegally for a short period of time
- Stated failure of enforcement staff to ticket previously for similar offense
- Inability to pay the amount of the fine
- No other place to park
- "I admit I was illegally parked, but I was only gone a few minutes"

- "I knew it was a no-parking zone, but cars park there all the time and never get ticketed"
- "I was using my personal car for University business"
- "I didn't know I couldn't park there"
- "I was ill and had to use the restroom"
