AIRROSTI

(800) 404-6050 | AIRROSTI.COM

UT Benefits

Airrosti provides highly effective, personalized care for acute and chronic joint/muscle pain. In-clinic and Remote Recovery options are available.

Airrosti and Airrosti Remote Recovery are both in-network benefits for all UT Systems' employees, spouses and dependents on the BCBS health plan.

ACCURATE DIAGNOSIS

Thorough assessment and orthopedic testing to help provide an accurate diagnosis, along with injury education.

PERSONALIZED RECOVERY PLAN

Customized recovery program with Provider guided treatment to restore function, increase mobility, and reduce pain.

EFFECTIVE INJURY RECOVERY

Personalized, active rehab and at-home exercises designed to help speed recovery and prevent future injuries.

Comprehensive, 1-on-1 Clincal Care. In-Clinic or Virtual.
