2022-2023

UT SYSTEM HEALTH BENEFIT OPTION

Southwestern Health Resources

PERSONALIZED SUPPORT AND SERVICES. SAVINGS ON DEDUCTIBLES AND PREMIUMS. ACCESS TO CARE.

An Option With Extra Advantages

UT CONNECT. It's a health benefit option for 2022-2023 coverage, available to UT System employees and non-Medicare-eligible retirees living or working in Dallas, Tarrant, Collin, Denton, Parker or Rockwall counties.

More.

UT CONNECT offers opportunities to save on copays, deductibles and premiums while providing for simple access to exceptional medical care.

CONNECTIONS DESIGNED TO MAKE HEALTHCARE WORK BETTER FOR YOU

Navigating healthcare can be tricky, no matter what type of medical coverage you have. With UT CONNECT, you'll have a service designed to take the guesswork out of getting the care you need, when you need it.

Healthcare Coverage That Goes Beyond the Basics

It covers the same benefits as UT SELECT, and it is administered by Blue Cross and Blue Shield of Texas. You'll also receive the extra advantages of Southwestern Health Resources, the network UT Southwestern Medical Center and Texas Health Resources created to improve the quality of healthcare. It's at the core of UT CONNECT. For you and your family, this means a medical benefit dedicated to making healthcare work for you and your family.

Increased Access to Care

UT CONNECT provides next-level service to members including more physicians in our network than last year. And members have access to 18 Texas Health urgent care facilities with a reduced copay.

Personalized Service

If you need help with going to a specialist, want to find ways to save even more on your out-of-pocket costs or anything else related to your healthcare coverage, you'll have someone dedicated to helping you find answers.

It's a service only available through UT CONNECT. You'll have experts working for you.

Quality.

This coverage gives you access to nationally recognized experts in medicine — doctors, caregivers and hospitals that are part of:

- **UT Southwestern Medical Center**
- **Texas Health Resources**

Keep money in your pocket with savings on dependent coverage, deductibles and copays to see doctors with UT CONNECT.

To participate in UT CONNECT, simply choose it as your medical benefit option. If you're already a member and don't change your healthcare benefits, your UT CONNECT coverage will continue for 2022-2023.

Doc Finder

To find doctors, urgent care centers, hospitals or other healthcare providers in the UT CONNECT network, call 1-888-399-8889 or go online to BCBSTX.COM/UTCONNECT.

Care Where and When You Need It

More than 10,000 doctors in North Texas are part of the UT CONNECT network. This includes:

- **Primary care physicians (PCPs)** to help with a range of healthcare needs.
- Some of the most **highly regarded specialists** in the United States, at the forefront of orthopedics, cardiology, neuroscience, cancer and other specialized care.
- For **pediatricians** you have many choices, including doctors your child may already be seeing.
- Also, you'll never need to contact your PCP before seeing a gynecologist or behavioral health specialist.

Top-Ranked Hospitals

You'll be connected to nationally recognized hospitals, including:

- **UT Southwestern Medical Center**, including Clements University Hospital and Zale Lipshy University Hospital.
- **Texas Health** locations, such as Texas Health Presbyterian Dallas, Texas Health Arlington Memorial, Texas Health Harris Methodist and many others.
- **Children's Health, Cook Children's** and all pediatric hospitals in North Texas.

Urgent and Emergency Care

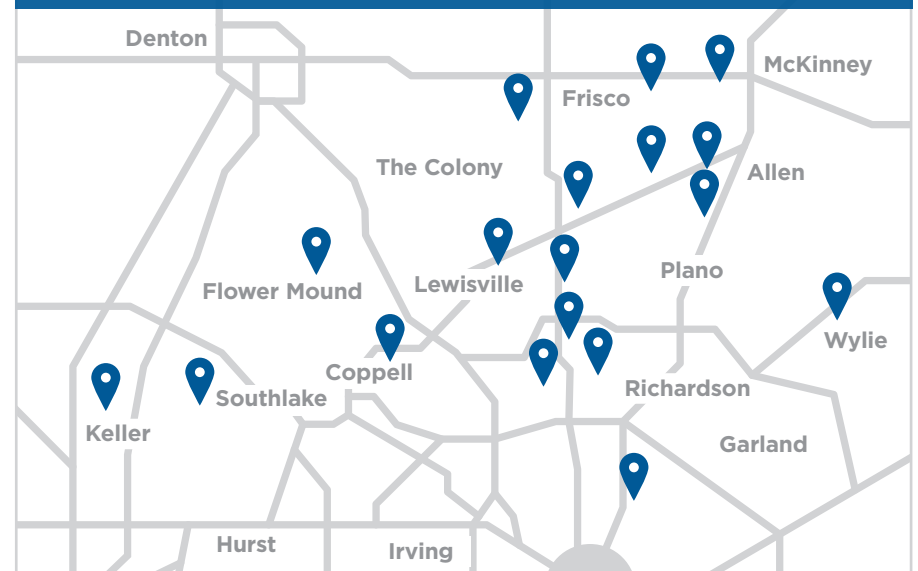

No worries about getting medical attention, even on weekends or when traveling — you're covered with UT CONNECT:

- **Urgent care providers** in-network, located in all 50 states, including 150+ urgent care centers in North Texas.
- **Emergency care** anywhere in the world.

Additional Benefits

- Members have access to the Ovia Health App providing maternity and family support through your entire parenthood journey.
- The Affordable Care Act out-of-pocket limit (combining medical and prescription drug costs) is increasing to \$8,700 per individual and \$17,400 per family. These limits on total out-of-pocket expenses provide an extra level of financial protection for you and your family.

Eighteen Texas Health Urgent Care Facilities in DFW

Simple. When you need it, you'll have access to outstanding medical care.

THE UNIVERSITY *of* TEXAS SYSTEM
THIRTEEN INSTITUTIONS. UNLIMITED POSSIBILITIES.

The UT CONNECT Network provides access to physicians, caregivers, outpatient facilities and hospitals in the network in North Texas, as well as urgent care centers throughout the United States.

When you're in North Texas, there's no coverage for out-of-network care, except for true emergencies and other special situations.
