

## *Curriculum Vitae*

**Date Updated:** 11/6/2020

**Name:** Pranavi Veera Sreeramoju, MD, MPH, MBA, FSHEA, FIDSA

**Address:** 5323 Harry Hines Blvd  
Dallas, TX 75390-9113

**E-Mail:** Pranavi.Sreeramoju@UTSouthwestern.edu

### **Education**

Year(s)	Degree	Field of Study	Institution
2018-2020	Exec MBA	Health Care Organizational Leadership	Naveen Jindal School of Management, University of Texas Dallas, Dallas, TX
2003-2005	NA	Infectious Diseases (Fellowship)	University of Chicago/University of Illinois at Chicago, Chicago, IL
2001-2003	NA	Internal Medicine (Residency)	Kaiser Permanente Medical Center, Oakland, CA
2000-2001	NA	Internal Medicine (Residency)	Cook County Hospital, Chicago, IL
1999-2003	MPH	Epidemiology	Tulane University School of Public Health and Tropical Medicine, New Orleans, LA
1995-1998	MD	Internal Medicine (Residency)	Jawaharlal Institute, Puducherry, India
1989-1995	MBBS	Medicine (Medical School)	Jawaharlal Institute, Puducherry, India

### **Additional Education and Training**

Year(s)	Category	Program	Institution
2015	Leadership	Relational Coordination Workshop by Jodi Gittell, PhD and Anthony Suchman, MD	Relationship Centered Health Care, Rochester, NY
2015	Health Care Quality	Certification in Medical Quality	American College of Medical Quality, Elmhurst, IL
2014	Health Care Quality	Clinical Safety and Effectiveness Program	UT Southwestern Medical Center, Dallas, TX
2013	Leadership	Physician Leadership Development 2.0: Crucial Confrontations	UT Southwestern Medical Center, Dallas, TX
2012	Healthcare Epidemiology	Advanced Healthcare Epidemiology and Antimicrobial Stewardship	The Society for Healthcare Epidemiology of America/Centers for Disease Control

			and Prevention Training Course, Jacksonville, FL
2011	Leadership	Physician Leadership Development Program 1.0	University of Texas Southwestern Medical Center, Dallas, TX
2010	Leadership	Positive Deviance: The What. The How. Richard Pascale and Monique Sternin	Positive Deviance Initiative, Tufts University, Boston, MA
2010	Leadership	The Heart of Leadership Program	Executive Development Group, LLC, Livingston, NJ
2009	Healthcare Quality	Healthcare Delivery Improvement: Advanced Training Program taught by Brent James, MD	Intermountain Institute for Healthcare Delivery Improvement and Research, Salt Lake City, UT
2004	Healthcare Epidemiology	Healthcare Epidemiology and Antimicrobial Stewardship	Society for Healthcare Epidemiology of America/Centers for Disease Control and Prevention Training Course, Baltimore, MD

### Faculty Academic Appointments

Year(s)	Academic Title	Department	Academic Institution
2013-present	Associate Professor	Medicine – Infectious Diseases	UT Southwestern Medical Center, Dallas, TX
2008-2013	Assistant Professor	Medicine – Infectious Diseases	UT Southwestern Medical Center, Dallas, TX
2005-2008	Assistant Professor	Medicine – Infectious Diseases	University of Texas Health Science Center, San Antonio, TX

### Appointments at Hospitals and Health Systems

<u>Current</u>			
Year(s)	Position Title	Department/Division	Institution
2008-present	Staff Physician	Internal Medicine-Infectious Diseases	UT Southwestern Medical Center, Dallas, TX
2008-present	Staff Physician	Internal Medicine-Infectious Diseases	Parkland Health and Hospital System, Dallas, TX
<u>Past</u>			

Year(s)	Position Title	Department/Division	Institution
2018-2020	Medical Director, Clinical Finance	Health System Affairs	UT Southwestern Medical Center, Dallas, TX
2008-2019	Chief of Infection Prevention	Infection Prevention	Parkland Health and Hospital System, Dallas, TX
2005-2008	Staff Physician	Internal Medicine- Infectious Diseases	University Health System, San Antonio, TX, USA
2005-2008	Staff Physician	Internal Medicine- Infectious Diseases	South Texas Veterans' Healthcare System, San Antonio, TX
2005-2008	Medical Director	Infection Control	University Health System, San Antonio, TX, USA
2005-2008	Hospital Epidemiologist	Infection Control	South Texas Veterans' Healthcare System, San Antonio, TX

### **Current Licensure and Certification**

#### Licensure

2006 Texas

#### Board Certification

2005 - 2025 Infectious Diseases, American Board of Medical Subspecialties

### **Honors and Awards**

Year	Name of Honor/Award	Awarding Organization
2020	Academy of Performance Excellence Mentor	Office of Quality, Safety, and Outcomes Education, UT Southwestern Medical Center, Dallas, TX
2020	Scholar of High Distinction	Naveen Jindal School of Management, UT Dallas, Dallas, TX
2020	Beta Gamma Sigma Member	Beta Gamma Sigma, Association to Advance Collegiate Schools of Business International Honor Society
2018	Recognition for Contribution - Hurricane Shelter Disaster Response Team	Dallas County Health and Human Services
2017	Featured in Monthly Member Spotlight	Infectious Diseases Society of America
2017	Recognition for Contribution - Hurricane Shelter Disaster Response Team	Commissioners Court-Dallas County
2017	Team of the Month (Awarded to Infection Prevention Team)	Quality Board of Managers, Parkland Health and Hospital System, Dallas, TX

2016	Team of the Month (Awarded to Infection Prevention Team)	Quality Board of Managers, Parkland Health and Hospital System, Dallas, TX
2015	Fellow	The Society for Healthcare Epidemiology of America
2015	Fellow	Infectious Diseases Society of America
2015	Judene Bartley Award for Public Policy and Advocacy in Action	The Society for Healthcare Epidemiology of America & Association of Professionals in Infection Control and Epidemiology
2015	Top 50 leaders in Patient Safety	Becker's Hospital Review
2014	Featured on the cover page of Dallas Medical Journal as part of Women in Medicine series	Dallas County Medical Society, Dallas, TX
2011	Outstanding teacher of the year	Division of Medicine-Infectious Diseases, UT Southwestern Medical Center, Dallas, TX
2007	Outstanding junior faculty research award	Department of Medicine, University of Texas Health Science Center, San Antonio, TX

### **Committee Service**

Year(s)	Name of Committee	Institution/Organization
<b><u>National/International</u></b>		
2020-present	Quality Improvement Committee	Infectious Diseases Society of America
2017-2019	Active Bacterial Core Surveillance Steering Committee	Centers for Disease Control and Prevention
2017-2019	Public Health Committee	Infectious Diseases Society of America
2017-present	Committee on Infectious Diseases; Patient Safety Committee	National Quality Forum
2016-present	Public Policy and Advocacy Grassroots Network	Society for Healthcare Epidemiology of America
2015-2016	Education Committee	American College of Medical Quality
2013-2016	Public Policy and Government Affairs Committee	Society for Healthcare Epidemiology of America
<b><u>State/Regional</u></b>		
2016-2017	Board of Directors	Dallas County Medical Society, Dallas, TX
2014-2018	Council for Healthcare Quality	Texas Medical Association
2013-2015	Research Subcommittee (Chair)	Dallas Fort Worth Hospital Council Foundation, Dallas, TX

2012-2017	North Texas Healthcare Information and Quality Collaborative (Chair in 2017)	Dallas Fort Worth Hospital Council Foundation, Dallas, TX
2011-present	Infection Control and Antimicrobial Stewardship Committee	Dallas County Medical Society, Dallas, TX
<u>UT Southwestern Medical Center</u>		
2018-present	Utilization Review Committee	UT Southwestern Health System, Dallas, TX
2018-2020	Clinical Documentation Integrity Steering Committee	UT Southwestern Health System, Dallas, TX
2018-2019	Research Review Committee	Division of Infectious Diseases, UT Southwestern Medical Center, Dallas, TX
2016-2019	Executive Engagement Team	Parkland Health and Hospital System, Dallas, TX
2016-2019	Executive Quality and Patient Safety Committee	Parkland Health and Hospital System, Dallas, TX
2014-2015	Research Advisory Committee	Parkland Health and Hospital System, Dallas, TX
2009-2019	Infection Prevention and Control Committee (Chair)	Parkland Health and Hospital System, Dallas, TX
2009-present	Medicine Performance Improvement Council	Parkland Health and Hospital System, Dallas, TX
2008-2019	Parkland Chiefs of Services	Parkland Health and Hospital System, Dallas, TX
2008-2019	Antimicrobial Stewardship Committee	Parkland Health and Hospital System, Dallas, TX
2008-2019	Quality and Patient Safety Committee	Parkland Health and Hospital System, Dallas, TX

### **Professional Societies**

Dates	Society Name
2008-2009; 2011-present	Dallas County Medical Society; Texas Medical Association
2005-present	Texas Infectious Diseases Society
2005-2009; 2012-2015	Association for Professionals in Infection Control and Epidemiology
2005-present	Society for Healthcare Epidemiology in America (SHEA)
2003-present	Infectious Disease Society of America

### **Study Sections**

Year(s)	Title	Organization
---------	-------	--------------

2020	Scientific Reviewer, CK20-004: “Prevention Epicenters Program: Protecting Patients from infections, Antibiotic Resistance, and Other Adverse Events”	Centers for Disease Control and Prevention, Atlanta, GA
2016	Scientific Reviewer, Merit Review Panel/ Study Section, Improving Healthcare Systems 2015 Fall Cycle	Patient-Centered Outcomes Research Institute, Washington, DC
2015	Scientific Reviewer, Merit Review Panel/ Study Section, Improving Healthcare Systems 2015 Spring Cycle	Patient-Centered Outcomes Research Institute, Washington, DC

### **Editorial Activities**

Year(s)	Journal Name
<u>Ad Hoc Reviewer</u>	
2019-present	PLoS One
2008-present	Clinical Infectious Diseases
2008-present	American Journal of Infection Control
2008-present	Infection Control and Hospital Epidemiology

### **Other Editorial Activities**

Year(s)	Website/ Newsletter/ Magazine/ Other
2020	Lead Editor of Book: The Patient and Healthcare System: Perspectives on High-Quality Care. Editors: Sreeramoju P, Weber S, Snyder A, Kirk L, Reed W, and Hardy-Decuir B. Springer Nature Switzerland AG 2020. ISBN 978-3-030-46566-7 ISBN 978-3-030-46567-4 (eBook) <a href="https://doi.org/10.1007/978-3-030-46567-4">https://doi.org/10.1007/978-3-030-46567-4</a>
2020-present	Co-editor, LeadersLore, a monthly electronic newsletter for faculty leadership development, hosted on the intranet site of Department of Internal Medicine, UT Southwestern Medical Center, Dallas, TX
2016-present	Blog: The Healthcare Pracademic <a href="http://www.PranaviMD.com">www.PranaviMD.com</a>
1992	Editor, Montage, JIPMER (medical school) annual student magazine
1990-91	Editor, Oasis. Quarterly medical school student association newsletter

### **Grant Support**

<u>Present</u>	Centers for Disease Control and Prevention
----------------	--------------------------------------------

	Safe Healthcare, Epidemiology, and Prevention Research Development in the Acute Care Inpatient Quality Improvement Domain; Base Contract
	PI
	\$0, 9/30/2016 to 9/29/2021
<u>Past</u>	Johns Hopkins University
	HAI infection among surgical and ICU patients; implications for therapeutic interventions
	Site PI
	\$35,000, 9/01/13 to 8/31/16
	University of Texas System Patient Safety
	Patient Safety Research Grant # 137911
	Trial of Positive Deviance to Reduce Healthcare-Associated Infections among Hospital Inpatients
	Principal Investigator
	\$59,773, 07/01/ 2011 – 06/30/2012
	\$100,000, 07/01/2011 – 08/31/2014
	Department of Veterans' Affairs
	Veterans Integrated Service Network New Investigator Award
	Failure to Isolate Patients with Pulmonary Tuberculosis
	Site PI
	\$30,668, 08/23/2013 – 08/22/2015 (No-fault cancellation of funding by VA administration)
	Texas Department of State Health Services
	Infection Control and Prevention in UT System Health Centers: A Clinical Collaborative. Grant Number 10005456. Study PI – Jason Bowling, MD
	Site PI
	\$220,707, 11/01/2011 – 07/31/2012 (Total Budget)
	\$220,707, 11/01/2011 – 07/31/2012 (Total Budget)
	Department of Veterans' Affairs
	Veterans Integrated Service Network New Investigator Award
	Principal Investigator
	\$45,000, 08/01/2007 – 06/30/2008
	\$90,000, 08/01/2007 – 06/30/2009 (Part of grant returned due to relocation in 2008)
	University of Texas Health Science Center at San Antonio, TX

	Scholarship of Teaching Grant
	Principal Investigator
	\$5,655, 09/01/2007 – 06/30/2008

### **Clinical Trials Activities**

<u>Past</u>	F. Hoffmann-La Roche Ltd.
	A Randomized, Multicenter, Single Blinded, Parallel Study of the Safety of 100 mg and 200 mg Oseltamivir Administered Intravenously for the Treatment of Influenza in Patients Aged 13 years and Older. Study PI: Regina Dutkowsky, MD; Site PI: Mamta Jain, MD
	Sub-investigator
	12/01/2010 – 11/30/2012
	National Institutes of Health
	Population Genetics Analysis of West Nile Disease. Study PI: Mark Loeb, MD, MSc.; Site PI: Jan Patterson, MD
	Site Co-PI for Texas and Colorado
	06/01/2007 – 06/30/2008
	Tibotec Therapeutics
	GRACE Trial, An open-label, multi-center trial to compare the efficacy, safety, and tolerability of Prezista/r by Gender and Race, when administered in combination with an individually optimized background regimen over a 48 week treatment period. Study PI: Judith Currier, MD, MSc; Site PI: Delia Bullock, MD
	Sub-investigator
	08/01/2007 – 06/30/2008

### **Teaching Activities and Trainees**

Year(s)	Activity/ Trainee
<u>Medical and graduate school didactic and small group teaching</u>	
2013-2016	Infection Control Lecture: Medical Microbiology – Clinical Reasoning Module for MS2
2011-2018	Overview of Healthcare-Associated Infections – Topics in Infectious Diseases Course, UT School of Public Health – 1 lecture/ year
2006-2008	Introduction to the Clinical Sciences, Infectious Disease Module for MS2
2006-2008	Dental Microbiology 5013
2006-2008	INTD 4101 Bioterrorism
2005-2008	INTD 3030 Clinical Foundations Course MS3

<u>Medical student trainees</u>	
2015-2017	Bayless Drum, MS1 in MD Distinction in Quality and Safety. Mentor for research and dissertation. Products – one peer-reviewed publication and dissertation
2015-2018	Louis Bian, MS1 in MD Distinction in Global Health. Mentor for global health project and dissertation. Patient Experience under India's Revised National Tuberculosis Control Programme in Pondicherry. Available at <a href="https://utswmed-ir.tdl.org/handle/2152.5/5315">https://utswmed-ir.tdl.org/handle/2152.5/5315</a> Accessed 12-23-2019
2015	Christopher Chan, MS1 in MD Distinction in Quality and Safety. Products – one quality improvement project presented at IHI National Forum 2015, Orlando, FL.
2013-2017	Robert Connally, MS1 in MD MPH program. Mentor for research and dissertation. Clinician engagement to achieve reduction of healthcare-associated infections and improve sepsis management. Products – one peer-reviewed publication and dissertation
2013-2015	Kajal Mehta, MD student Distinction in Global Health. Product – 1 bench project to test water fluoride levels in rural Rajasthan, India. Poster presentation at 52 <sup>nd</sup> Annual Medical Student Research Forum at UT Southwestern.
2013	Sindhu Sudanagunta, MS1; Summer Global Health project. Product – 1 Quality Improvement project implemented in an orphanage near Hyderabad, India. <a href="http://www.utsouthwestern.edu/about-us/administrative-offices/global-health/news/index.html">http://www.utsouthwestern.edu/about-us/administrative-offices/global-health/news/index.html</a>
<u>Other student trainees</u>	
2011-2015	Dalbert Chen, student in 2011, L.V. Berkner High School; STARS program – UT Southwestern Medical Center, Dallas, TX; undergraduate student in 2013, Duke University, Durham, NC. Products – Survey tools for research study; Data entry; Simple data analyses, visual display and data summary; Hand hygiene program enhancement in a hospital in rural Kenya
2010	Da Huang, student, Highland Park High School; STARS program – UT Southwestern Medical Center, Dallas, TX; Product – 1 completed Quality Improvement Project that resulted in policy change at Parkland
2009-2010	Blake Montie, Undergraduate student, Texas A&M University, College Station, TX; Product – 1 peer-reviewed publication
<u>Postgraduate medical education (graduate &amp; continuing medical education)</u>	
2013-2015	Infection control training for internal medicine residents on Ambulatory Infectious Diseases rotation, 4 hours/ week year-round
2011-2016	Infection control training for infectious diseases fellows, 4-6 hours/ month (4-5 months per year) during their 1-month core rotation in healthcare epidemiology
2011-2015	Annual lecture on Blood and Body Fluid Exposure, HIV teaching series, Parkland Health and Hospital System, Dallas, TX; 1 hour/ week, once a year
2009-2016	Annual Fellow Orientation to Infection Control, University of Texas Southwestern Medical Center, Dallas, TX; 1 hour/ week, once a year
2008-2010	Teaching Physician-in-Charge, Amelia Court HIV Clinic, Parkland Health and Hospital System, Dallas, TX; 5 hours/ week, year-round

2007	Resident and Patient Safety: Infection Prevention and Control; A series of didactic lectures for residents in several residency programs, UT Health Science Center, San Antonio, TX; 15 per year
2006-2007	Pediatric Dentistry Resident Didactic Lectures; 2 per year
2005-present	Infectious Diseases Fellow Didactic Lectures; two to four per year
2005-present	Didactic Lectures at residency and fellowship program conferences; two per year
<u>Postdoctoral trainees</u>	
2018-present	Stephanie Cobb, DO, Infectious Diseases Fellow; Research study in progress
2018-present	Stephanie Nguyen, DO, MPH, Family Medicine Resident; Research study in progress
2011-2015	Jennifer Holmes, MD; Internal Medicine Resident; Product – one completed research project and peer-reviewed publication
2015-2016	Abdul Basit, MD, Infectious Diseases Fellow; Product – one completed quality improvement research project
2014	Jedrek Wosik, MD, Internal Medicine Resident; Product – one completed QI project
2013-2014	Miloni Shroff, MD, Infectious Diseases Fellow; Product – one completed research project and peer-reviewed publication
2012-2013	Priti Patwari, MD, Infectious Diseases Fellow; Product – one completed research project and peer-reviewed publication
2011-2012	Deeba Ali, MD, Nephrology Fellow; Product – one completed quality improvement research project
2010-2011	Tobias Pusch, MD, Infectious Diseases Fellow; Product – one completed research project and peer-reviewed publication
2009-2010	Francesca Lee, MD, Infectious Diseases Fellow; Products – one completed research project and peer-reviewed publication, and one case presentation at Texas ID Society Meeting
2009	Brendan de Marco, MD, Infectious Diseases Fellow; Product – one completed research project and peer-reviewed publication
2009	Anthony Ortegon, MD, Pulmonary/ Critical Care Fellow; Product – one completed research project and peer-reviewed publication
2009	Vivek Ramarathnam, MD, Medicine Resident; Product – one completed research project and peer-reviewed publication
2006-2008	Jose Cadena, MD, Infectious Diseases Fellow; Products – several completed research projects and peer-reviewed publications
<u>Faculty Physicians</u>	
2019-present	Shweta Chowdhury, MD. Assistant Professor, Hospital Medicine, UT Southwestern, Dallas, TX
2017-2019	Carolee Estelle, MD. Assistant Professor, Medicine-Infectious Diseases and Geographic Medicine, UT Southwestern, Dallas, TX
2009-2014	Francesca Lee, MD. Associate Professor, Pathology, UT Southwestern, Dallas, TX
2009-2019	Jose Cadena, MD. Associate Professor, UT Health Sciences Center, San Antonio, TX

<u>Hospital based teaching</u>	
2013-2016	Key Concepts in Quality and Safety Related to Infections. Taught 3-hr in-person training for ~425 nursing leaders, unit managers, medical directors and other mid-level leaders in Parkland Health and Hospital System
2009-2015	Annual House Staff Orientation to Infection Control, Parkland Health and Hospital System, Dallas, TX; 1 hour once a year
2005-2019	Conducted in-services and preparation of educational materials for teaching topics in infection control on an as needed basis

### **Invited Teaching and Other Professional Activities Nationally and Locally**

Year(s)	Position Title, Institution/Organization
2020	Invited Faculty Discussant, Clinical Case Discussions for Infectious Diseases Fellows Onboarding Rotation, Infectious Diseases, UT Southwestern, Dallas, TX
2020	Invited Panel Expert, Women’s Leadership Virtual Forum, Becker’s Hospital Review. <a href="http://view.ceros.com/beckers-healthcare/womens-leadership-virtual-forum-april-2020/p/1">http://view.ceros.com/beckers-healthcare/womens-leadership-virtual-forum-april-2020/p/1</a>
2020	Judge, Seldin Research Symposium, Internal Medicine, UT Southwestern, Dallas, TX
2019	Invited Panel Expert, “Women’s Leadership and Diversity Issues in Healthcare and Health Systems” - Becker’s Hospital Review Annual Conference, Chicago, IL
2019	Invited Faculty Expert, New England Journal of Medicine Resident 360 Forum Topic – Conducting Research in Residency
2019	Judge, Seldin Research Symposium, Internal Medicine, UT Southwestern, Dallas, TX
2018	Invited Faculty Expert, New England Journal of Medicine Resident 360 Forum Topic – Antimicrobial Stewardship
2018	Invited Faculty Expert, Spirituality in Clinical Practice, Medical School Elective, UT Southwestern, Dallas, TX
2018	Invited Expert, Top of Mind for US Health Systems, University of Pittsburgh Center for Connected Medicine, Pittsburgh, PA
2018	Invited Expert, Health Innovation Think Tank, Lenovo Health, Raleigh, NC
2018	Quality Advisory Workgroup, Society for Healthcare Epidemiology of America. Product – White paper on overview of quality and safety for the healthcare epidemiologist
2018	Judge, Seldin Research Symposium, Internal Medicine, UT Southwestern, Dallas, TX
2018	Invited Faculty Expert, Internal Medicine Patient Safety Monthly Conference, University of Texas Southwestern Medical Center, Dallas, TX
2018	Moderator, SHEA Spring Meeting, Portland, OR
2018	Invited Member, Dallas County Influenza Task Force
2018	Invited Expert, Executive Roundtable, Becker’s Hospital Review Annual Conference

2017	Invited Expert, Health Innovation Think Tank, University of Pittsburgh Center for Connected Medicine
2017	Invited Expert, Top of Mind for US Health Systems, University of Pittsburgh Center for Connected Medicine
2016	Point of Contact/ Principal Investigator. Led the effort to submit a 5-year contract application to the Centers for Disease Control and Prevention from a consortium of 10 hospitals from UT Southwestern Medical Center, Parkland Health and Hospital System, Veterans Affairs North Texas Health Care System, and Texas Health Resources. The application was for the Safe Healthcare, Epidemiology, and Prevention Research Development (SHEPherD) Program in the Domain of Acute Inpatient Care Quality Improvement and Research Implementation Infrastructure. Established RRISE, Reduce Resistance and Infections through Stewardship and Epidemiology, a consortium for UTSW and UTSW-affiliated health systems to collaborate together.
2015	Moderator, Symposium: Surgery and Infections – The Cutting Edge, IDWeek October 2015, San Diego, CA
2014	Faculty advisor, IHI Open School chapter at UT Southwestern
2013-2017	Project Lead for System-wide Project RITE (Reduce Infections Together in Everyone) to reduce Healthcare-Associated Infections and Sepsis Mortality at Parkland Health and Hospital System; It is a ‘Delivery System Reform Incentive Payment Reform’ project worth \$36 million over 4 years. The program resulted in 73% reduction in catheter-associated urinary tract infections, 52% reduction in central line-associated bloodstream infections, 62% reduction in surgical site infections and 69% reduction in sepsis mortality. The net impact of this project in addition to state reimbursements for the program were an estimated 567 lives saved and \$17.8 million in cost avoidance.
2011-2016	Course Director, Preceptor and Initiator, A one-month core rotation in Infection Control and Healthcare Epidemiology for Infectious Diseases Fellows, and an elective rotation for Clinical Microbiology fellows and other residents
2010-2015	Course Director and Initiator of Annual Symposium on Healthcare-Associated Infections, a regional one-day Continuing Medical Education Program offered by UT Southwestern Medical Center, Dallas, TX
2008-2009	Course Co-director for annual three-day Workshop on Healthcare Epidemiology and Antimicrobial Stewardship, Christian Medical College, Vellore, India

### **Invited Didactic Lectures**

Year(s)	Title	Location
<b><u>International</u></b>		
2019	Physician Burnout and How to Avoid it	Manchester, United Kingdom
2014	Trial of Positive Deviance in Reduction of Healthcare-Associated Infections in Inpatient Wards	Jawaharlal Institute, Pondicherry, India
2009	Techniques used in Outbreak Investigation	Christian Medical College, Vellore, India

2008 and 2009	Overview of Hospital Epidemiology & Role of a Hospital Epidemiologist	Christian Medical College, Vellore, India
2008 and 2009	Transmission of Nosocomial Pathogens	Christian Medical College, Vellore, India
2008	Principles of Transmission of Nosocomial Pathogens	Medwin Hospitals, Hyderabad, India
2008	Overview of Hospital Epidemiology	Apollo Hospital, Hyderabad, India
2008	Principles of Outbreak Investigation	Apollo Hospital, Hyderabad, India
2008	Role of Colonization in the Development of Central Line Associated Bloodstream Infection	Jawaharlal Institute, Pondicherry, India
2008	Outbreak Investigation	Christian Medical College, Vellore, India
2008	Steps Involved in Development of Antibiotic Policy	Christian Medical College, Vellore, India
<u>National</u>		
2018	Innovations in Sepsis Care at Parkland	Next Hospital Innovation Conference, Health Leaders
2018	Healthcare Epidemiology and Quality: Protecting the Floor While Reaching for the Stars	Division of Infectious Diseases, Albert Einstein/ Montefiore Health System, Bronx, NY
2016	Improving Sepsis Care at Parkland: A Tale of Two Initiatives	Center for Medicare and Medicaid Services Webinar
2015	Virtual Journal Club: The Impact of Tort Reform in Two States	American College of Medical Quality Webinar
2015	Virtual Journal Club: Variation in Sepsis Mortality Among US Hospitals	American College of Medical Quality Webinar
2015	Positive Deviance Intervention to Reduce Healthcare-Associated Infections in Medical Wards	American College of Medical Quality Annual Meeting 2015, Alexandria, VA
2006-2012	Faces of Flu <sup>®</sup> . Annual Educational Program – Current Clinical Updates in Seasonal and Pandemic Influenza. CME series, Rush University Medical Center, Chicago, IL	Multiple cities including: Orlando, FL; Denver, CO; Dallas, TX; San Antonio, TX
<u>Regional/Local</u>		
2020	A Culture that Improves Patient Care and Not Orderable from Microbiology	Division of Infectious Diseases, UT Southwestern Medical Center, Dallas, TX
2019	More Power to the ID Specialist: Power Sources and Leadership Styles	Division of Infectious Diseases, UT Southwestern Medical Center, Dallas, TX
2018	Reduce Infections Together in Everyone: A Concept and a Hospital Program	Department of Internal Medicine Grand Rounds, UT Southwestern Medical Center, Dallas, TX

2018	Overview of the CDC ABCs Program	Division of Infectious Diseases, UT Southwestern Medical Center, Dallas, TX
2018	Top 10 papers in Infection Control	Texas Infectious Diseases Society Annual Meeting
2017	Clostridium Difficile Infection	Updates in Internal Medicine, UT Southwestern Medical Center, Dallas, TX
2017	Infection Quality Metrics: The Great, The Good, The Bad, and The Ugly	Division of Infectious Diseases, UT Southwestern Medical Center, Dallas, TX
2017	Updates in Infection Control	Parkland Health and Hospital System, Dallas, TX
2017	Duration of Contact Precautions: It's Complicated	Parkland Health and Hospital System, Dallas, TX
2016	Integrating Quality, Safety and Infection Control	Texas Association for Healthcare Quality annual meeting, San Antonio, TX
2016	Quality Improvement vs. Research	Association for Clinical Research Professionals annual meeting, Fort Worth, TX
2016	Integrating Infection Control into Quality Improvement at the Bedside	Parkland Health and Hospital System, Dallas, TX
2016	Healthcare-Associated Infections: What Hospital Executives Would Want to Know	American College of Healthcare Executives North Texas
2016	Quality Improvement vs. Research	Parkland Health and Hospital System, Dallas, TX
2016	Clostridium difficile: Diagnosis and Treatment	Division of Hospital Medicine, UT Southwestern Medical Center, Dallas, TX
2016	Center for Medicare and Medicaid Services Policies on Healthcare-Associated Infections	The Science Policy, Education, and Communication Club, UT Southwestern Medical Center, Dallas, TX
2016	Academic ID Informing Public Policy and Economy	Division of Infectious Diseases, UT Southwestern Medical Center, Dallas, TX
2015	1115 Waiver Project: Apply Process Improvement Methodologies to Reduce Potentially Preventable Complications	Region 09 Health Partnership, TX. Learning Collaborative 'Raise the Floor Webinar'
2015	Arboviral Infections	Society for Hospital Medicine North Central Texas Chapter, Dallas, TX
2015	Top 10 Infectious Diseases/ Infection Control Papers	Texas Infectious Diseases Society, Austin, TX
2015	Positive Deviance and Healthcare-Associated Infections	8 <sup>th</sup> annual Community Service Learning Conference, Center for Medical Humanities and Ethics, San Antonio, TX
2015	Positive Deviance Study and Career Lessons to Share	Division of Infectious Diseases, UT Southwestern Medical Center, Dallas, TX

2015	HIV Pre-Exposure Prophylaxis	National Medical Association Region V Conference, Dallas, TX
2015	Topics in Infectious Diseases	Division of Hospitalist Medicine, UT Southwestern Medical Center, Dallas, TX
2014	Ebola: An Overview	Division of Population Medicine, Parkland Health and Hospital System, Dallas, TX

2005	Lead Strong	Health Careers High School, San Antonio, TX

## Service to the Community and Other Volunteer Activities

Year(s)	Role	Organization or institution
2009-2013	Faculty Mentor, STARS Program for students	UT Southwestern Medical Center, Dallas, TX
2007	Subject Matter Expert, Bexar Harm Reduction Coalition; A county committee formed to design and implement a harm reduction program through syringe and needle exchange	UT Health Science Center, San Antonio, TX
2006-2007	Judge; High School Science Fair	UT Health Science Center, San Antonio, TX
2003	Member, South Asian Public Health Association	University of Chicago, Chicago, IL
1993-1998	Lead Educator: Community Health camps in villages near Pondicherry, India	Jawaharlal Institute, Pondicherry, India
1993-1995	Event Coordinator: Society for Promotion of Indian Classical Music and Cultural Awareness amongst Youth local chapter	Jawaharlal Institute, Pondicherry, India
1993-1995	Volunteer, World Wildlife Fund local chapter	Jawaharlal Institute, Pondicherry, India
