

CURRICULUM VITAE
MICHAEL A. WAIT, MD, F.A.C.S

PERSONAL DATA

Citizenship: USA
Marital Status: Married, 3 Children
E-mail: michael.wait@UTSouthwestern.edu
Telephone 214-645-7726

PRESENT POSITION

Professor of Cardiothoracic Surgery
Department of Cardiovascular & Thoracic Surgery
University of Texas Southwestern Medical Center
5959 Harry Hines Boulevard Suite HA9.18
Dallas, Texas 75390-8879

Director, Thoracic Surgical Services
Parkland Memorial Hospital
5201 Harry Hines Boulevard
Dallas, Texas 75235

Chief, Thoracic Surgery Division, St. Paul University Hospital 1.03 to present
Chief, Thoracic Surgery Division, Parkland Memorial Hospital 1.95 to present
CVICU Chief Rounds, St. Paul University Hospital
Director, Supervising Physician CVTS Nurse Practitioner program 2008 to present
Director, Midlevel Provider, PHHS
Director, Thoracic Surgery Section LAM Clinic UTSWMC Dallas 2010 to present
Co-Director, CVTS Medical Student Education

COMMITTEE APPOINTMENTS

1993 - 1998 Parkland Memorial Hospital, Surgical Case Review Committee.
1994 - Zale Lipshy University Hospital, Committee on Cancer.
1995 - Parkland Hospital Performance Improvement Committee
1995 Parkland OR Committee – **to present**
1995 Parkland Surgical Chiefs Committee – **to present**
1995 Parkland Ambulatory Surgery Committee
1988 UT Southwestern Heart Selection Committee – **to present**
1990 UT Southwestern Lung Selection Committee – **to present**
1995 - 2010 Parkland Perioperative User Group
1997 - 2000 Zale Lipshy University Hospital: Medical Executive Committee
2001-2002 AHA Western Consortium/ Texas Affiliate Reviewer (Salt Lake City, Utah 2001,
Scottsdale Arizona 2002) 2 years served
2003- Chairman, Thoracic Surgery Section, St. Paul University Hospital, Dallas
2003 St. Paul University Hospital: OR Committee; **to present**
2003 St. Paul University Hospital Medical Executive Committee
2003- UT Southwestern Managed Care Credentialing Committee – **to present**

CURRICULUM VITAE
MICHAEL A. WAIT, MD, F.A.C.S

2010 UT Southwestern Promotion and Tenure Committee - **to present**
2010- UT Southwestern Medical School Admissions Committee Physician
Interviewer/Evaluator – **to present**
2009- Parkland Medical Advisory Committee – Substitute for Dr. Jessen – **to present**
2011 UTSW CVICU CUSP (Comprehensive Unit Based Safety Program) Committee –
to present
2010= UTSW CVICU Staff Committee – **to present**
2012- UTSW CVTS Oversight Committee – Cardiac Surgery Translational Study –
2011- Parkland Medical Executive Committee At-Large Member – **to present**
BURC Blood Utilization Review, St. Paul University Hospital – **to present**

EDUCATION

1975 - 1979 Baylor University
Waco, Texas
BS Biology (Magna Cum Laude)

1979 - 1983 University of Texas Health Science Center
Southwestern Medical School
Dallas, Texas
Doctor of Medicine (Class Rank: 6th)

PROFESSIONAL TRAINING

University of Texas Southwestern Medical Center Affiliated Hospitals

July, 1983 - June, 1984	Internship in Internal Medicine
July, 1984 - June, 1985	Residency in Internal Medicine
July, 1985 - June, 1986	Internship in General Surgery
July, 1986 - June, 1990	Residency in General Surgery
July, 1990 - June, 1992	Residency in Thoracic and Cardiovascular Surgery

LICENSURE

Texas G 5743

CERTIFICATIONS

American Board of Surgery	2/25/91	#36009	recert 2001
American Board of Thoracic Surgery	6/4/93	#5431	recert 2001, 2012

HONORS AND AWARDS

Alpha Epsilon Delta (Premedical Honor Society)
Phi Beta Kappa

CURRICULUM VITAE
MICHAEL A. WAIT, MD, F.A.C.S

Alpha Omega Alpha

President's Research Council Award 1993 UTSWMC

“The importance of the baffle function of the anterior leaflet of the mitral valve: perspectives drawn from mitral valve prosthetic replacement.”

Castle Connolly Top Doctors "Best In American Medicine" 5 years in a row 2008-2012

Castle Connolly Top Doctors “Best In American Medicine” 2013

Texas Super Docs – 7 years in a row 2006 – 2012 “Best Doctors in Texas” featured in Texas Monthly and D Magazine

Health TAP 2013 Top Doctor Nomination

PROFESSIONAL AFFILIATIONS

American Medical Association -

Dallas County Medical Society - 1983

Texas Medical Association - 1983

SOCIETIES

1990 - Parkland Surgical Society

1991 - American College of Surgeons

1992 - American College of Cardiology

1992 - Southwestern Surgical Congress

1995 American College Chest Physicians **to present**

1995 - American Thoracic Society

1996 Society of Thoracic Surgeons **to present**

1999-2008 Southern Thoracic Surgical Association

PRESENTATIONS

1. Surgical Therapy of Atrial Fibrillation. Presented at the University of Texas Southwestern Medical Center, Thoracic Surgery Grand Rounds, January 12, 1991.
2. The Clinical Spectrum of Spontaneous Pneumothorax. Presented at the University of Texas Southwestern Medical Center, Thoracic Surgery Grand Rounds, July 27, 1991.
3. Reserve States of the Myocardium: Stunned and Hibernating Myocardium Syndromes. Presented at the University of Texas Southwestern Medical Center, Thoracic Surgery Grand Rounds, April 10, 1993.
4. The Management of Post-Resection Pleural Space Problems. Presented at the 43rd Annual Koppa Conference, Hunt, Texas, August 21, 1993.
5. The Management of Post-Resection Pleural Space Problems. Presented at the University of Texas Southwestern Medical Center, Thoracic Surgery Grand Rounds, October 16, 1993.

CURRICULUM VITAE
MICHAEL A. WAIT, MD, F.A.C.S

6. Myocardial Revascularization Strategies, 1994. Presented at the University of Texas Southwestern Medical Center, General Surgery Grand Rounds, March 26, 1994.
7. Randomized Trials in Clinical Medicine: Quantification, the Quest for Medical Certainty, and the Thoracic Surgeon. Presented at the University of Texas Southwestern Medical Center, Thoracic Surgery Grand Rounds, February 22, 1997.
8. Minimally Invasive Cardiac Surgery. Presented at the American College of Cardiology: Clinical cardiology Management and Diagnostic Dilemmas, Santa Fe, New Mexico April 1998.
9. What's new in Valve Surgery? Presented at the American Heart Association Amarillo Chapter/Texas Tech Health Sciences Center, Amarillo, Texas 1998.
10. Delayed management of Traumatic Rupture of the Aorta. Presented at the 39th Session of the American College of Surgeons, North Texas Chapter February 2000.
11. The Use of Preoperative Physiologic Status To Guide Timing of Thoracotomy in Non-Emergent Aortic Injury Repair. American College of Chest Physicians, Annual Meeting 2003 Orlando, Florida.
12. Management of Blunt Aortic Injury in 2004. A Paradigm Shift? Timothy T. Hamilton, MD, Pooja D. Thakrar, BS, Nikola Dobrilovic, MD, Michelle C. Paul, BS, Matthias Peltz, MD, Michael E. Jessen, MD, FACS, Michael A. Wait, MD, FACS, and J. Michael DiMaio, MD, FACS. Presented at the Scientific Session of the Annual Meeting of the American College of Surgeons Committee on Trauma March 3, 2005, Washington, D.C.
13. Successful Application of the Advanced Holmium:Yag Laser in Conjunction With Tracheobronchial dilatation and Stenting in the Relief of Symptoms From Tracheobronchial Obstructions. Presented at the North Texas Chapter of the American College of Surgeons February 12-13, 2010 Dallas, Texas
14. Wait, M.A. "Overview of Lung and Heart-Lung Transplantation" and "Donor Evaluation & Surgical Procedure" Presented Tuesday, March 22, 2011 Lung Transplant Seminar, UT Southwestern Medical Center, St. Paul Auditorium
15. Wait, MA. "The Role of Surgery on Infectious Endocarditis" Presented May 7, 2012 Traciendo FRONTERAS En Cardiologia, Enfermedad Cardiovascular Y Cerebrovascular Quito, Ecuador 2012, May 6-9
16. Wait, MA. "The Role of Mechanical Valves in the Era of Percutaneous Implant of Tissue Valves" Presented May 9, 2012, Traciendo FRONTERAS En Cardiologia, Enfermedad Cardiovascular Y Cerebrovascular Quito, Ecuador 2012, May 6-9

CURRICULUM VITAE
MICHAEL A. WAIT, MD, F.A.C.S

17. Wait, MA. “Overview of Lung and Heart-Lung Transplantation” and “Donor Evaluation & Surgical Procedure” Presented Tuesday, March 27, 2012 Lung Transplant Seminar, UT Southwestern Medical Center, St. Paul Auditorium
18. Puskas, JD; Nichols, D; Gerdisch, M; Quinn, R; Rhenman, B; Fermin, L; McGrath, M; Kong, B; Hughes, C; Sethi, G; Wait, M; Martin, T; Graeve, A. “Reduced Anticoagulation After Mechanical Aortic Valve Replacement; Interim Results From the PROACT Randomized FDA IDE Trial. Presented by John Puskas at the AATS Plenary Scientific Session at the annual AATS (Am Assoc for Thor Surg) meeting Monday, May 6, 2013, Minneapolis, MN
19. Wait, MA. “Overview of -Lung Transplantation, Donor Evaluation & Surgical Procedure” Presented Tuesday, March 26, 2013 Lung Transplant Seminar, UT Southwestern Medical Center, St. Paul Auditorium

IRB APPROVED RESEARCH PROTOCOLS

1. A comparison of talc poudrage and standard medical management for treating AIDS-associated pneumothorax (Parkland Memorial Hospital; Principal Investigator).
2. Early evacuation and treatment of traumatic hemothoraces using endoscopic thoracoscopy (Parkland Memorial Hospital; co-Principal Investigator).
3. A comparison of diagnostic video thoracoscopy vs. exploratory celiotomy for the evaluation of suspected diaphragmatic injury (Parkland Memorial Hospital; Principal Investigator).
4. A randomized trial of Empyema therapy (Parkland Memorial Hospital; Principal Investigator).
5. A study of Atrial Natriuretic Peptide in the treatment of acute renal failure (Parkland Memorial Hospital, Zale Lipshy University Hospital; co-Principal Investigator).
6. Protocol No. CB-016-HB, IND No. BB-IND 4031 A Study to Evaluate the Safety of Recombinant Human Hemoglobin (rHb1.1, 50-100 grams) When Used for Acute Normovolemic Hemodilution in Patients Undergoing Cardiopulmonary Bypass. Phase II Clinical (Baxter Hemoglobin Therapeutics, Somatogen/Covance; co-Principal Investigator).
7. Protocol No. CI-98-0003 RAD11101 Radial Arterectomy Using the Harmonic Scalpel for coronary Artery Bypass Surgery; A Clinical Study. (Cardioventions/Ethicon EndoSurgery; co-Principal Investigator)
8. BioGlue in acute aortic dissection. Compassionate Human Use HDE.
9. Prospective Clinical Study of the Sulzer Carbomedics CPHV “Optiform” Mitral Valve; Sulzer Carbomedics [Principal Investigator]

CURRICULUM VITAE
MICHAEL A. WAIT, MD, F.A.C.S

10. A Phase III study of adjuvant chemotherapy after resection for patients with T2N0 Stage I non-small cell lung carcinoma of the lung [CALGB]
11. STICH Surgical Treatment for Ischemic Heart Failure trial. [contributing investigator; Principal Investigator (UTSWMC)– J. Michael DiMaio M.D.]
12. PRIMO-CABG; Phase III randomized, placebo-controlled study of the effect of Pexelizumab on all-cause mortality and myocardial infarction in patients undergoing coronary artery bypass graft (CABG) surgery with cardiopulmonary bypass
13. PREVENT-IV: A Phase III, multicenter, randomized, double blind, placebo controlled trial of the ex-vivo treatment with CGT003 of coronary vein grafts in patients undergoing coronary artery bypass graft procedures [subinvestigator; Principal Investigator UTSWMC – J. Michael DiMaio, M.D.]
14. Randomized Evaluation of CABG On vs Off Pump (RECOOP) Mark Newman, M.D. Duke University (National PI), Eric Rose, M.D. (National Study Chairman) [subinvestigator; Principal Investigator UTSWMC – Dan Meyer, M.D.]
15. A Phase II, Randomized, Multicenter Clinical Study to Evaluate the Safety and Efficacy of the TandemHeart® pVAD System vs. Conventional Therapy for Treatment of Cardiogenic Shock [subinvestigator; Principal Investigator UTSWMC – Dan Meyer, M.D.]
16. Protocol PEN110-0102, a Phase III Study to Evaluate PEN110-Treated Red Blood Cells in Surgical Patients (PI)
17. A Pilot, Multicenter, Randomized, Double-Blind, Placebo-Controlled, Study to Evaluate Nesiritide Infusion, Initiated Post-Induction of Anesthesia, in the Management of Coronary Artery Bypass Graft (CABG) Patients Requiring Cardiopulmonary Bypass (CPB) [NAPA trial] {subinvestigator; Principal Investigator UTSWMC – Michael E. Jessen, M.D.} Scios Inc. protocol #A104
18. Phase III Randomized Trial of Preoperative Chemotherapy versus Preoperative Concurrent Chemotherapy and Thoracic Radiotherapy Followed by Surgical Resection and Consolidation Chemotherapy in Favorable Prognosis Patients with Stage IIIA (N2) Non-Small Cell Lung Cancer IRB# 022006-030 (subinvestigator; Principal Investigator UTSWMC-Hak Choy MD).
19. Prospective Randomized On-X Anticoagulation Clinical Trial (PROACT); a randomized, Open Label, Active Control, Parallel Assignment, Safety/Efficacy Study of Coumadin plus Aspirin vs. Plavix plus aspirin following implantation of the On-X valve. Medical Carbon Research Institute, LLC, IRB # (local Principal Investigator UTSWMC-Michael Wait MD; National PI John Puskas MD)
20. Aprotinin in General Thoracic High Risk Surgery (Bayer)-withdrawn by sponsor.

CURRICULUM VITAE
MICHAEL A. WAIT, MD, F.A.C.S

21. Placebo –controlled, multi-center study to evaluate the cardioprotective effects of MC-1 in patients undergoing high-risk coronary artery bypass graft (CABG) surgery [MEND-CABG II] Medicure Inc. Protocol # 06004 (subinvestigator; local Principal Investigator UTSWMC-Michael E. Jessen MD).
22. OPERA Omega-3 Fatty Acids for Prevention of Post-Operative Atrial Fibrillation. UNICORN (US and Italy Cardiovascular Outcomes Research Network Investigators) /GlaxoSmithKline IRB # (subinvestigator; local PI UTSWMC-Michael E. Jessen MD).
23. A Randomized, Multicenter, Double-Blind, Group Sequential Study to Evaluate the Efficacy, Immunogenicity, and Safety of a Single Dose of Merck 0657nI *Staphylococcus aureus* Vaccine (V710) in Adult Patients Scheduled for Cardiothoracic Surgery. IRB File # 062009-006 (local PI UTSEMC – MA Wait MD)
24. A phase I/II randomized double-blinded placebo-controlled study of the safety and efficacy of intramyocardial injection of autologous human mesenchymal stem cells (MSCs) in patients with chronic ischemic left ventricular dysfunction secondary to myocardial infarction undergoing cardiac surgery for coronary artery bypass grafting (Sponsor JHOP, Univ. Miami, SCTT/NHLBI; subinvestigator; local PI – J. Michael DiMaio MD)
25. RECESS Trial Red Cell Storage Duration Study. National Heart, Lung, and Blood Institute (NHLBI) ClinicalTrials.gov Identifier NCT00991341 IRB file # application pending (subinvestigator; local PI UTSWMC – Phillip Greilich MD) 12.2010
26. RESCUE Evaluation of the Clinical Performance of the Valiant® Thoracic Stent Graft with Captivia Delivery System for the Endovascular treatment of Blunt Thoracic Aortic Injuries IRB file # 00000058 (co-investigator; local PI UTSWMC – J. Michael DiMaio MD) 2.8.2011
27. Feasibility Study: A phase 3, Multicenter, Randomized, Double-Blind, Parallel-Group, Placebo-Controlled Study to Assess the Efficacy and Safety of Intercostal Nerve Block with the Study Drug in Subjects Undergoing Posterolateral Thoracotomy. Principal Investigator UTSWMC Michael A. Wait, M.D., sub-investigator Michael Dimaiio 2012
28. APART trial: Active Preoperative Anemia Management to Reduce Erythrocyte Transfusion in Patients undergoing Cardiac Surgery (APART): A Pilot, Feasibility Study, Phillip Greilich M.D.
