New users

To create a new ReadySet account, first navigate to the ReadySet site at https://utsw.readysetsecure.com/.

On the log in page, click here:

Then follow the simple, step-by-step online process. You will be required to enter specific information regarding your employment, as well as demographic information. The access code is: **1860**.

For detailed instructions and screen shots, see the ReadySet Tip Sheet.

Remember to keep your ReadySet username and password stored in a safe location.
