- To log in using your UT Southwestern username and password: <u>https://utsw.readysetsecure.com/rs/rest/samlsso/requestSSO</u>
- To log in using your ReadySet username and password: <u>https://utsw.readysetsecure.com/</u>

## To see your medical records and results do the following steps:

- On the Welcome page, look under Test Results in the left-hand navigation pane and click the word "Results" to see a list of all your Occupational Health test results.
- 2 Then click the name of any test listed in gray and white to obtain the corresponding results.
- **3** Please note that the acronym "IGRA" means a result for tuberculosis (TB) screening.
